To the Honorable Board of Commissioners:

RECOMMENDATION
It is recommended that the Board of Commissioners approve the attached Resolution authorizing the Chief Executive Officer (CEO) or his designee execute either 1) a preliminary commitment letter for The Marshall Hotel for Property Rental Assistance or 2) a support letter for the Marshall Hotel Rental Development to provide a Chicago Housing Authority (CHA) Loan not to exceed $8,086,500.

Once all financing is secured, the full development plans will be submitted to the CHA Board prior to execution of an Agreement to Enter into a Housing Assistance Payment Contract (AHAP/HAP) or prior to the submission of a development proposal for public housing units to the U.S. Department of Housing and Urban Development (HUD).

FUNDING: Housing Choice Voucher Program (HCV) or CHA Loan not to exceed $8,086,500

CHA would submit a development proposal for the acquisition and rehabilitation of the Marshall Hotel into a mixed finance rental development that would include 27 public housing units. The acquisition would allow CHA to convey the property to MDC either in fee simple or by ground lease, in order to generate additional donation tax credit equity financing for the transaction. - Currently none of the units have kitchens and full bathrooms.
- The scope of work includes constructing kitchens and full bathrooms in all units and replacement of all major systems including plumbing, heating, electrical, elevators and exterior masonry.
- Target population is individuals. 9 of the PRA units will be designated for the State Referral Network.
- PRA rents will reflect neighborhood market rents.
- Building amenities will include a library/reading room, vending snack machines, laundry facilities, secured bicycle parking, individual storage lockers, no-smoking units, on-site property management, secured entrances and common hallways, security cameras and intercom system.

Developer Background
- The Michaels Development company (MDC) was established in 1973 and is an arm of The Michaels Organization, which owns 8 companies that provide various affordable housing services including development, construction oversight, property management, mortgage financing, tax credit syndication and supportive services.
