(a) Compliance with Regulations:

Contractor will comply with the Regulations of the CHA relative to nondiscrimination in Federally-assisted programs of the CHA (Title 49), Code of Federal Regulations, Part 21, ("Regulations"), which are herein incorporated by reference and made a part of this Contract.

(b) Nondiscrimination:

Contractor, with regard to the Work performed by it after award and prior to completion of this Contract, will not discriminate on the grounds of race, creed, color, religion, ancestry, national origin, sex, affectional preference, disability, handicap, age, marital status, mental status, or public assistance status in the selection and retention of lower-tier subcontractors (if any), including procurements of materials and leases of equipment. The Contractor will not participate either directly or indirectly in the discrimination prohibited by Section 21.5 of the Regulations, including employment practices when this Contract covers a program set forth in Appendix B of the Regulations.

(c) Solicitations for Lower-Tier Contractors, Including Procurements of Materials and Equipment:

In all solicitations, either by competitive bidding or negotiation made by Contractor for Services to be performed under a lower-tier Contractor agreement, including procurements of materials or equipment, each potential lower-tier Contractor or supplier shall be notified by the Contractor of the Contractor's obligations under this Contract and the Regulations relative to nondiscrimination on the grounds of race, creed, color, religion, ancestry, national origin, sex, affectional preference, disability, handicap, age, marital status, mental status, or public assistance status.

(d) Information and Reports:

The Contractor will provide all information and reports required by the Regulations, or orders and instructions issued pursuant thereto, and will permit access to its books, records, accounts, other sources of information, and its facilities as may be determined by CHA to be pertinent to ascertain compliance with such Regulations, orders and instructions. (e) Sanctions for Noncompliance:

In the event of the Contractor's noncompliance with the nondiscrimination provisions of this Contract, the CHA shall request the Department of Housing and Urban Development to impose such contract sanctions as it may determine to be appropriate, including, but not limited to:

Provided, however, in the event the Contractor becomes involved in, or is threatened with, litigation with a lower-tier subcontractor.

The Contractor will take such action with respect to any lower-tier subcontract or purchase orders as the CHA may direct as a means of enforcing such provisions including sanctions for noncompliance; provided, however, that in the event the Contractor becomes involved in, or is threatened with, litigation with a subcontractor or vendor as a result of such direction by the CHA, the Contractor may request that the United States enter into such litigation to protect the interests of the United States.

(2) Nondiscrimination: The Contractor, with regard to the Work performed by it during this Contract, shall not discriminate on the grounds of race, creed, color, religion, ancestry, national origin, sex, affectional preference, disability, handicap, age, marital status, mental status or public assistance status in the selection and retention of lower-tier subcontractors including procurements of materials and leases of equipment. The Contractor shall not participate either directly or indirectly in the discrimination prohibited by Section 21.5 of the Regulations, including employment practices when the contract covers a program set forth in Appendix B of the Regulations;

(3) Solicitations for lower-tier subcontractors, including Procurements of Materials and Equipment: In all solicitations either by competitive bidding or negotiation made by the Contractor for Services to be performed under this Contract, including procurements of materials or leases of equipment, each potential Contractor or supplier shall be notified by the Contractor of the Contractor's obligations under this Contract and the Regulations relative to nondiscrimination on the grounds of race, creed, color, religion, ancestry, national origin, sex, affectional preference, disability, handicap, age, marital status, mental status or public assistance status.

(6) Incorporation of Provisions: The Contractor shall include the provisions of this paragraph (c) in every lower-tier subagreement, including agreements for the procurement of materials and leases of equipment, unless the Contractor is exempt from such requirement by the Regulations, or directives issued pursuant thereto. CHA may direct as a means of enforcing such provisions including sanctions for noncompliance:

(7) Provided, however, that, in the event the Contractor becomes involved in, or is threatened with, litigation with a lower-tier subcontractor or supplier as a result of such direction, the Contractor may request the CHA to enter into such litigation to protect the interests of the CHA, and, in addition, the Contractor may request the United States to enter into such litigation to protect the interests of the United States.

It certifies further that it will not maintain or provide for its employees any segregated facilities at any of its establishments, and that it will not permit its employees to perform their services at any location under its control, where segregated facilities are maintained.

It agrees that a breach of this certification is a violation of the Equal Opportunity clause in this Contract. As used in this certification, the term "segregated facilities" means any waiting rooms, work areas, restrooms and washrooms, restaurants and other eating areas, time clocks, locker rooms and other storage or dressing areas, parking lots, drinking fountains, recreation or entertainment areas, transportation, and housing facilities provided for employees which are segregated by explicit directive or are in fact segregated on the basis of race, creed, color, religion, ancestry, national origin, sex, affectional preference, disability, handicap, age, marital status, mental status or public assistance status, because of habi, local custom or otherwise.

It agrees that, except where it has obtained identical certification from proposed lower-tier subcontractors and material suppliers for specific time periods, it will obtain identical certification from proposed lower-tier subcontractors or material suppliers prior to the award of lower-tier subcontracts or the consummation of material supply agreements, exceeding $10,000 which are not exempt from the provisions of the Equal Opportunity clause, and that it will retain such certifications in its files.

II. INDIRECT PARTICIPATION

This section need not be completed if the M/W/DBE goal has been met through Item I. DIRECT participation as outlined in the M/W/DBE Policy.

After exhausting reasonable good faith efforts and with prior CHA approval, the bidder/proposer may also meet all or part of the CHA’s M/W/DBE commitment goals by contracting with MBE/WBE/DBEs for the provision of goods and services not directly related to the performance of the contract. Indirect participation can be demonstrated by providing copies of canceled checks (both front and back) paid to the certified subcontractors, and a Letter of Certification that was current at the time the checks were issued to the subcontractor (must be entered into B2Grow and Contract Compliance Specialist will approve). Indirect participation must have occurred within a six month period of the dates of this contract and will not be considered as acceptable participation on multiple contracts or for use on more than one contract.

OTHER ECONOMIC OPPORTUNITIES

Per 24 CFR 135.40, other economic opportunities offer an effective means of empowering low-income persons, and Contractors are encouraged to undertake efforts to provide to low-income persons economic opportunities other than training, employment, and contract awards, in connection with Section 3 covered assistance.
In the space provided below, please outline your plan to provide other economic opportunities to a Section 3 or low-income person (if more space is needed, please provide an attachment to this Schedule B). Examples of plans may include internship programs, mentorship programs, and teaming agreements. Please note that any indirect subcontracting should also be described in the section below.

While we are not seeking a waiver, Novak Construction affirms its commitment to the utilization and contracting with Section 3 Business concerns, as well as the creation of other economic opportunities for Section 3 residents and aspiring Section 3 Business concerns. Novak recognizes the need in partnering with the Chicago Housing Authority and providing support to the development of Section 3 residents and Business concerns and is excited to provide a mentor protege program and will provide internship opportunities that will assist in developing residents and businesses who participate.

Novak would like to develop a mentor protege program aimed at developing less sizeable general contractors and Section 3 businesses that will enable them to garner business acumen and the hands-on experience needed to grow and become more competitive in the market place. We will look to the CHA to assist in identifying viable candidates for this program.

Novak will look to the CHA for providing candidates for an internship position. The intern's time will be spent in Novak Construction's office and in the site trailers. The experience gained will allow the intern to become more knowledgeable of construction practices and gain experience that will make him or her more marketable and successful in running his or her own business. If the Chicago Housing Authority is unable to find a suitable intern candidate, Novak is willing to hire an on site administrator from a list of qualified applicants.

If hiring, subcontracting, and other economic opportunities are proven to be infeasible, CHA suggests the minimum threshold requirements for contribution to a fund that provides other economic opportunities to our residents, including scholarships, job training, transportation, and other services provided through the Resident Services Department:

a) For trade, construction and rehabilitation work the "value" of the other economic opportunity must equal or exceed 5% of the total contract amount plus any modifications;

b) For other types of contracts, including service contracts, the "value" of the other economic opportunity must equal or exceed 1.5% of the total contract amount plus any modifications. The Contractor agrees to provide other economic opportunities to train and employ Section 3 residents or contribute to a fund which provides Other Economic Opportunities in accordance with provisions of the Section 3 Policy.
