ix. any other area or aspect of the Bidders integrity, operations and/or capability that will assist

IV. AWARD: Contract Award – Sealed Bidding – Construction

A. The CHA will evaluate bids in response to this solicitation without discussions, and will award a
contract to the responsible Bidder whose bid, responsive and conforming to the solicitation, will
be most advantageous to the CHA, considering the Lump Sum Base Bid Total and the price-
related factors specified elsewhere in the solicitation.

B. The CHA may waive informalities or minor irregularities in bids received.

C. The CHA may accept any item or combination of items, unless doing so is precluded by a
restrictive limitation in the solicitation or the bid.

D. The CHA may reject a bid as non-responsive if the prices bid are materially unbalanced between
line items or sub-line items. A bid is materially unbalanced when it is based on prices
significantly less than cost for some work and prices which are significantly overstated in relation
to cost for other work, and if there is a reasonable doubt that the bid will result in the lowest
overall cost to the CHA even though it may be the low evaluated bid, or it is so unbalanced as to
be tantamount to allowing an advance payment.

E. The CHA reserves the right to reject any and all bids, or to reissue or withdraw this
Invitation for Bid in the event that competition is deemed inadequate or that it is otherwise
deemed to be in the best interest of the CHA. In such instances, the CHA reserves the
right to seek procurement by means of non-competitive negotiation.

F. No Awards may be made to a contractor or firm that is on the list of contractors ineligible to
receive awards from the Authority or the United States, as furnished by HUD.

V. NOTICE TO PROCEED: Following execution of the Contract and the Contractor’s delivery of all
information and documents required by the Contract Documents and otherwise reasonably required by
the CHA’s Department of Procurement and Contracts, the CHA will issue two Notice to Proceeds
(NTP’s) to the Contractor, which will set forth the date(s) for the official commencement of the Work
described in this IFB and in the Contract Documents. Upon issuance of the NTP, the CHA will make
the Project location(s) available to the Contractor for the start of the required Work.

VI. TYPE OF CONTRACT(S) AND CONTRACT REQUIREMENTS

A. TYPE OF CONTRACT(S): In selecting the lowest responsive and responsible bidder(s), the
CHA will examine which bidder(s) offers the lowest responsive and responsible Lump Sum Base
Bid Total among other criteria. The CHA anticipates awarding a single Firm Fixed Price

B. TIME FOR PERFORMANCE: Please refer to I. CRITICAL PATH METHOD SUMMARY
PROJECT SCHEDULE. A Notice to Proceed will be issued by the CHA subsequent to contract
execution. The work to be performed under this Contract is subject to compliance with the
CHA’s “Special Conditions of the Contract for Construction” and the HUD “General Conditions

COST PER BUILDING AND INVOICE INSTRUCTIONS SUBMITTAL: The CHA requires that this submittal include a breakdown of the Lump Sum Base Bid Total at the CHA BUILDING CODE LEVEL. The amount per building should be further broken down into general construction costs versus environmental remediation costs. (See “ENVIRONMENTAL REMEDIATION COSTS” below).

Upon the award of a contract, EACH invoice submitted by the Contractor must be limited to costs from a SINGLE Purchase Order ("PO"). If MULTIPLE POs are issued under the same contract number over the term of the contract, the Contractor cannot combine references from these multiple POs on the same invoice. Costs within an invoice must further be broken down by CHA Building Code. Failure to limit an invoice to items and lines from a single PO, and to break down those costs by CHA Building Code, will result in delays in payment after its submittal. The CHA reserves the right to make progress payments in accordance with Paragraph 27 of the CHA’s “Special Conditions of the Contract for Construction” through an alternative system of payment during the term of the Contract. IMPORTANT: The Contractor’s PO will be based on the information provided by the Contractor in the table below. When submitting the Contractor’s invoice(s) after award, the actual cost(s) should be reflected on the face of each invoice, as well as being supported in the Schedule of Values.

ALL INVOICES MUST BE SUBMITTED DIRECTLY TO: Chicago Housing Authority, Attn: Accounts Payable, 60 East Van Buren St., 11th Floor, Chicago, IL 60605. Do NOT submit invoices to the Capital Construction Department. Failure to follow this direction will result in delays in processing invoice payments.

ENVIRONMENTAL REMEDIATION COSTS: You are required to break down Costs per Building between general construction costs and environmental remediation costs. If no environmental remediation work is required for this project, please fill in a zero (0) on the Environmental line for each building.

Deductive Alternate prices represent work and/or materials which **may NOT be needed.** If the CHA chooses to exercise a Deductive Alternate, its value will be deducted from the Lump Sum Base Bid Total PRIOR TO AWARD.
