NOW THEREFORE, in consideration of the foregoing recitals and of the mutual promises and the terms and conditions set forth herein, the CHA and the Contractor agree as follows:

ARTICLE 1. INCORPORATION OF RECITALS

The recitals set forth above are hereby incorporated into and made a part of this Agreement.

ARTICLE 2. CONTRACTOR’S DUTIES AND RESPONSIBILITIES

Section 2.01 Scope of Services

The services that the Contractor shall perform at CHA designated locations shall consist of moving and storage services, amenities, equipment, supplies and facilities (which may be scheduled regularly, intermittently, upon request, or otherwise as contemplated in the RFP and the
Proposal), as more specifically set forth in Exhibit I (collectively, the “Services”).

Section 2.02 Performance Standards

The Contractor shall perform all Services required under this Agreement with the degree of skill, care and diligence normally shown by an entity performing services of a scope, purpose and magnitude comparable with the nature of the Services to be provided under this Agreement. The Contractor shall always use its best efforts to assure quality, timeliness, efficiency and creativity in rendering and completing the Services. The Contractor agrees that performance of the Services in a satisfactory manner shall include quick response to the CHA’s needs. Accordingly, the Contractor shall return all telephone calls and respond to all faxes, electronic mail and other CHA communications on a timely basis and not less than twenty-four hours.

The Contractor shall always act in the best interests of the CHA consistent with its professional obligations assumed by it in entering into this Agreement.

Section 2.03 Key Personnel

The Contractor’s personnel who will be providing Services under this Agreement shall be under the supervision of the following key personnel (if any): Jerry Siegel, President. The Contractor retains the right to substitute key personnel with reasonable cause, provided, however, that the CHA shall have the right to approve such staff changes, which such approval shall not be unreasonably withheld.

Section 2.04 Non-Discrimination

Section 2.05  HUD’s General Conditions for Non-Construction Contracts

HUD’s General Conditions for Non-Construction Contracts (HUD form 5370-C (10/2006)) (“General Conditions”), are attached hereto as Exhibit V and incorporated by reference as if fully set forth herein. The Contractor agrees to fully comply with the General Conditions. In the event of a conflict between the terms and conditions of the General Conditions and the terms and conditions of the Agreement, the terms and conditions of the Agreement shall control.

Section 2.06  Section 3 and MBE/WBE/DBE Participation and Requirements

A.  Section 3 – Compliance: The CHA has determined that the contract awarded under this solicitation is subject to the requirements of Section 3 of the Housing and Urban Development Act of 1968, as amended, 12 U.S.C. 1701u, (Section 3), and Title 24 of Subchapter B, Part 135 – Economic Opportunities for Low- and Very Low-Income Persons, 24 CFR 135.3. Section 3 Compliance requires that any contract or subcontract entered into for the benefit of public housing residents shall require that, to the greatest extent feasible, economic opportunity in the form of training, employment, contracting, and other economic opportunities arising from the expenditure of public housing assistance for housing rehabilitation and housing construction be directed to low- and very low-income persons.

1.  Section 3 - Clause

i. The work to be performed under this contract is subject to the requirements of section 3 of the Housing and Urban Development Act of 1968, as amended, 12 U.S.C. 1701u (section 3). The purpose of section 3 is to ensure that employment and other economic opportunities generated by HUD assistance or HUD-assisted projects covered by section 3, shall, to the greatest extent feasible, be directed to low- and very low-income persons, particularly persons who are recipients of HUD assistance for housing.

ii. The parties to this contract agree to comply with HUD’s regulations in 24 CFR Part 135, which implement section 3. As evidenced by their execution of this contract, the parties to this contract certify that they are under no contractual or other impediment that would prevent them from complying with the Part 135 regulations.

iii. The Contractor agrees to send to each labor organization or representative of workers with which the Contractor has a collective bargaining agreement or other understanding, if any, a notice advising the labor organization or workers' representative of the contractor's commitments under this section 3 clause, and will post copies of the notice in conspicuous places at the work site where both employees and applicants for training and employment positions can see the notice. The notice shall describe the section 3 preference, shall set forth minimum
number and job titles subject to hire, availability of apprenticeship and training positions, the qualifications for each; and the name and location of the person(s) taking applications for each of the positions; and the anticipated date the work shall begin.

iv. The Contractor agrees to include this section 3 clause in every subcontract subject to compliance with regulations in 24 CFR Part 135, and agrees to take appropriate action, as provided in an applicable provision of the subcontract or in this section 3 clause, upon a finding that the subcontractor is in violation of the regulations in 24 CFR Part 135. The Contractor will not subcontract with any subcontractor where the contractor has notice or knowledge that the subcontractor has been found in violation of the regulations in 24 CFR Part 135.

v. The contractor will certify that any vacant employment positions, including training positions, that are filled (1) after the Contractor is selected but before the contract is executed, and (2) with persons other than those to whom the regulations of 24 CFR Part 135 require employment opportunities to be directed, were not filled to circumvent the contractor's obligations under 24 CFR Part 135.

vi. Noncompliance with HUD's regulations in 24 CFR Part 135 may result in sanctions, termination of this contract for default, and debarment or suspension from future HUD assisted contracts.

2. Section 3 - Compliance Goals

i. Contractors and their subcontractors may demonstrate compliance by committing to employ section 3 residents and by subcontracting with section 3 business concerns in accordance with the requirements of 24 CFR Part 135.

A Section 3 Business concern is a business concern under HUD Regulations:

(a) 51 percent or more owned by section 3 residents; or
(b) Whose permanent, full-time employees include persons, at least 30 percent of whom are currently section 3 residents, or within three years of the date of first employment with the business concern were section 3 residents; or
(c) That provides evidence of a commitment to subcontract in excess of 25 percent of the dollar award of all subcontracts to be awarded to business concerns that meet the qualifications set forth in paragraphs (1) or (2) in this definition of “section 3 business concern.”

ii. Contractor and sub-contractors may demonstrate compliance with the requirements for contracting with Section 3 Business Concerns by committing to award to Section 3 Business Concerns at least 10 percent of the total dollar amount of the contract awarded to the contractor for building trades work for maintenance, repair modernization or development of public housing, or for
building trades work arising in connection with housing rehabilitation, housing construction and other public construction and at least 3 percent of the total dollar amount of all other Section 3 covered contracts.

iii. In evaluating compliance with 24 CFR Part 135, contractors and their subcontractors have the burden of demonstrating to the greatest extent feasible their ability or inability to meet the goals set forth in 24 CFR Part 135 for providing training, employment and contracting opportunities to section 3 residents and section 3 business concerns.

iv. Contractors and their subcontractors are also encouraged to provide other economic opportunities to train and employ section 3 residents including, but not limited to, use of “upward mobility”, “bridge” and trainee positions to fill vacancies, and hiring section 3 residents in part-time positions (24 CFR 135.40).

3. Documenting and Reporting

i. Contractor agrees to comply with the above Section 3 requirements in accordance with the Contractor’s Section 3 Utilization Plan, which shall be prepared by the Contractor and agreed to by CHA. CHA shall not be required to agree to the Contractor’s Utilization Plan until the Contractor meets its burden to establish that it will comply with 24 CFR Part 135 and otherwise comply with CHA’s Section 3 Policy (see http://www.thecha.org/pages/section_3/65.php or the copy included in the solicitation) as may be required. Contractor’s Section 3 Utilization Plan is attached hereto as Exhibit VI and is incorporated by reference herein.

iii. The Contractor and its subcontractors shall provide all required compliance data with respect to Contractor’s Section 3 requirements to the CHA via CHA’s electronic system available at https://cha.diversitycompliance.com/. The Contractor and its subcontractors shall be responsible for responding to any requests for data or information by the noted response due dates, and shall check the electronic system on a regular basis to manage contact information and contract records. The Contractor shall also be responsible for ensuring that all subcontractors have completed all requested items with complete and accurate information and that their contact information is current.

4. This Section 3 Contract Provision shall flow down to each subcontract at every tier.

B. MBE/WBE/DBE Compliance. Contractor agrees to comply with the CHA’s Minority and Women Disadvantaged Business Enterprise (“MBE/WBE/DBE”) requirements in accordance with the Contractor’s MBE/WBE/DBE Utilization Plan, which is attached hereto as Exhibit VII and incorporated by reference herein, and otherwise comply with the CHA’s MBE/WBE Policy (see http://www.thecha.org/pages/mbe_wbe_dbe/36.php or the copy included in the RFP).
Documenting and Reporting. The Contractor and its subcontractors shall provide all required compliance data with respect to Contractor’s MBE/WBE/DBE to the CHA via CHA’s electronic system available at https://cha.diversitycompliance.com/. The Contractor and its subcontractors shall be responsible for responding to any requests for data or information by the noted response due dates, and shall check the electronic system on a regular basis to manage contact information and contract records. The Contractor shall also be responsible for ensuring that all subcontractors have completed all requested items with complete and accurate information and that their contact information is current.

Section 2.07 Ownership of Documents; Records and Reports

A. All information, documents, records, reports and materials in any form prepared or assembled by the Contractor or provided to the CHA and are and shall be considered works-made-for-hire. All information, documents and materials provided to the Contractor by the CHA (collectively, “CHA Information”) shall be and remain the property of the CHA and are subject to the requirements of Section 2.08. During the performance of its Services, the Contractor shall be responsible for any loss or damage to all such items and CHA Information while in the Contractor’s possession and shall restore any such items that are lost or damaged at the Contractor’s sole cost and expense.

B. The Contractor shall maintain its books and records and adopt a system of accounting in accordance with generally accepted accounting principles and practices, to properly reflect all costs of whatever nature claimed to have been incurred or anticipated to be incurred in connection with the Contractor’s performance under this Agreement. In addition, the Contractor shall keep such books and records in a safe place disclosed to the CHA and make them readily available for audit, examination, excerpt, abstracting, copying and transcription to be conducted by the CHA, U.S. Department of Housing and Development (“HUD”), the Comptroller General of the United States or their duly authorized representatives or agents, and allow inspection, copying and abstracting for at least three (3) years after the final payment is made in connection with this Agreement and all other pending matters are closed.

Section 2.08 Audit Requirement

The CHA retains an irrevocable right to independently, or through a third party, audit the Contractor’s books and records pertaining to this Agreement pursuant to and in accordance with Section 2.06(B) and disallow any inappropriate billings upon written notice to the Contractor.

Section 2.09 Confidentiality

The Contractor agrees that the CHA Information and all information, documents, records, reports and materials in any form prepared or assembled or received by the Contractor or provided to the CHA under to this Agreement (collectively, the “Confidential Information”) are to remain confidential and to be used solely for the purposes of meeting the objectives of this Agreement. The Contractor agrees that the Confidential Information and its existence shall not be disclosed or made available to any individual or organization other than the CHA, HUD or courts of competent jurisdiction or administrative agencies pursuant to a subpoena, without the prior written approval
of the CHA. In the event disclosure is required by a court or administrative agency pursuant to such a subpoena, the Contractor shall notify the CHA immediately of such requirement and the circumstances regarding same and shall provide reasonable assistance and cooperation, at the CHA’s reasonable expense, to enable the CHA to seek a protective order or otherwise prevent such disclosure. Notwithstanding the foregoing, the Contractor shall not be obligated to withhold such disclosure beyond the time ordered by such court or administrative agency pursuant to such subpoena unless such subpoena is quashed or the time to disclose is otherwise extended.

Upon the expiration or termination of this Agreement for any reason, the Contractor shall return or, if requested in writing by the CHA, destroy the Confidential Information (or such portions thereof which the CHA has requested the Contractor to destroy), and all copies thereof, and certify to the CHA in writing that it no longer has in its possession or under its control such Confidential Information in any form whatsoever.

The Contractor agrees that irreparable injury may result to the CHA if this Section is breached by the Contractor or any of the Employees. Accordingly, in addition to any and all other remedies to which the CHA may be entitled, the CHA shall also have the right to obtain equitable relief, including but not limited to injunctive relief, to prevent any disclosure of the Confidential Information, plus reasonable attorneys’ fees and other litigation expenses incurred in connection therewith, without having to post any bond or other security or prove actual damages. The right to equitable relief in this paragraph shall be in addition to, and may be sought notwithstanding the dispute resolution procedures found in, Article 5.

Section 2.10 Subcontracts and Assignments

Except as expressly provided for herein, the Contractor shall not subcontract, assign, transfer or otherwise delegate all or any part of its obligations under this Agreement or any part hereof without the prior written approval of the CHA. Any attempted subcontract, assignment or delegation without such prior written approval shall be void and of no legal effect.

The Contractor shall not transfer or assign, in whole or in part, any funds or claims due or which may become due under this Agreement without the prior written approval of the CHA. Any attempted transfer or assignment of any of such funds, either in whole or in part, or any interest therein, which shall be due or to become due to the Contractor, shall be void and of no effect whatsoever without the CHA’s prior written approval. The CHA expressly reserves the right to assign or otherwise transfer all or any part of its rights or interests hereunder.

Section 2.11 Patents and Copyrights

To the extent applicable, the CHA reserves an exclusive, perpetual and irrevocable license to reproduce, publish or otherwise use, and to authorize others to use for CHA or HUD purposes, including but not limited to commercial exploitation: (a) the copyright or patent in any work developed or discovered in the performance of the Services under this Agreement, and (b) any rights of copyright or patent of which the Contractor purchases ownership or obtains a license with funds awarded pursuant to this Agreement for the purpose of meeting the objectives of this Agreement.
Section 2.12 Religious Activities

In connection with the Services to be provided under this Agreement, the Contractor agrees that it shall not (i) discriminate against any person on the basis of religion or limit employment or give preference in employment to persons on the basis of religion; or (ii) discriminate when providing the Services hereunder against any person on the basis of religion or limit such Services or give preference to persons on the basis of religion.

Section 2.13 Drug-Free Workplace

The Contractor shall establish procedures and policies to promote a “Drug-Free Workplace.” Further, the Contractor shall notify all the Employees of its policy for maintaining a “Drug-Free Workplace,” and the penalties that may be imposed for drug abuse violations occurring in the workplace. Finally, the Contractor shall notify the CHA if any of the Employees are convicted of a criminal drug offense in the workplace no later than ten (10) days after such conviction.

Section 2.14 Force Majeure

Notwithstanding any other provision in this Agreement, neither the Contractor nor the CHA shall be liable or held responsible for any failure or delay in performing its obligations under this Agreement, including but not limited to the scope of Services, which result from circumstance or causes beyond such party’s reasonable control, including but not limited to fire or casualty, acts of God, strikes or labor disputes, war or violence, or any order or requirement of any government agency or authority.

Section 2.15 CHA Inspector General

It is the duty of the Contractor and its subcontractors to cooperate with the CHA Inspector General in any investigation or hearing undertaken. All of the Contractor’s subcontracts must inform subcontractors of this provision and require agreement and compliance with the same.

ARTICLE 3. TERM OF AGREEMENT

Section 3.01 Term of Agreement; Option(s)

This Agreement shall commence on the Effective Date and shall continue for a period of two (2) years from the Effective Date (hereinafter the “Base Term”). The CHA may extend this Agreement, in its sole discretion, for three (3) additional one-year option terms under the same terms and conditions as this original Agreement by providing written notice to the Contractor within thirty (30) days prior to the expiration of the Base Term of this Agreement. The Agreement shall be modified to reflect the time extension in accordance with the provisions of Section 9.03 hereof.
Section 3.02  Timeliness of Performance

The Contractor shall provide the Services in a timely manner and as required under this Agreement. The Contractor and the CHA acknowledge that deadlines for certain Services provided for in this Agreement are dictated by the requirements of agencies or events outside the control of the CHA and the Contractor, and the failure by the Contractor to meet deadlines will significantly affect the CHA. In those and all other circumstances concerning the Contractor’s obligations under this Agreement, *Time Is of The Essence*.

ARTICLE 4. COMPENSATION AND PAYMENT

Section 4.01  Compensation

The firm, fixed rates for Services and related amenities for the two-year Base Term are as set forth in the Contractor’s updated Best and Final Fee Proposal, which is attached hereto as Exhibit III and incorporated into and made a part of this Agreement by this reference. The total compensation amount available to be paid to the Contractor for the satisfactory (as the CHA shall determine in the CHA’s sole discretion) provision of the Services shall be a sum-not-to-exceed Three Hundred Thousand and 00/100 Dollars ($300,000.00) (the “Total Compensation”) for the Base Term of the Agreement.

The Contractor agrees not to perform, and waives any and all claims of payment for work, costs or expenses which would result in billings beyond this amount and in no event shall the CHA be responsible for any work, costs or expenses incurred in the performance of the Services other than those set forth herein without a prior written amendment to this Agreement authorizing said additional work, costs and/or expenses. The Contractor recognizes an affirmative duty to monitor its performance and billings to ensure that the Services are completed within the respective and applicable amount(s) of the Compensation for each Services component. No compensation or reimbursement will be paid to the Contractor for amounts incurred prior to the Effective Date of the Agreement.

Section 4.02  Payment

The Contractor shall submit monthly invoices to the CHA for the Services performed for the period of the invoice. If the CHA objects to all or any portion of an invoice, it shall notify the Contractor of its objection in writing and both parties shall make every effort to settle the disputed portion of the invoice. Notwithstanding the foregoing, the CHA shall pay the undisputed portion of any invoice without being deemed to have accepted the disputed portion. All disputes regarding invoices shall be handled in accordance with the provisions of Article 5 herein. If the CHA approves the payment request, the CHA shall pay the approved invoice within thirty (30) days after the CHA has received and approved the invoice.

Section 4.03  Non-Appropriation

Funding for this Agreement is subject to (to the extent applicable) (i) the availability and/or actual receipt of federal funds from HUD, (ii) the approval of funding by the CHA’s Board of Commissioners, and (iii) the Contractor’s satisfactory performance of its obligations under this
Agreement. Furthermore, if no funds or insufficient funds are appropriated or budgeted, or if Congress rescinds appropriated funds, in any fiscal period during the term of this Agreement, then the CHA may notify the Contractor of any such occurrence and this Agreement shall terminate on the earlier of (a) the last day of the fiscal period under the Agreement’s term for which sufficient appropriation is made or (b) whenever the funds appropriated for payment under this Agreement are exhausted, and the CHA shall not be liable for any amount over or above such amount.

ARTICLE 5. DISPUTES

Section 5.01 Disputes

In the event of a dispute between the CHA and the Contractor involving this Agreement, both parties shall attempt to negotiate a resolution. If the parties cannot resolve the dispute through negotiation, either party shall, unless otherwise set forth herein, submit the dispute in writing to the CHA’s Chief Procurement Officer, 60 E. Van Buren St., 13th Floor, Chicago, IL 60605, who shall render a decision concerning the dispute submitted. Unless the Contractor, within thirty (30) days after receipt of the decision, shall notify the in writing that it takes exception to the decision, the decision of the Chief Procurement Officer shall be final and binding. Provided the Contractor has given written notice within the time stated and has brought suit against the CHA not later than one (1) year after the Contractor has received notice of the decision of the Chief Procurement Officer then the decision of the Chief Procurement Officer shall not be final and the dispute shall be determined on the merits by a court of competent jurisdiction.

ARTICLE 6. RISK MANAGEMENT

Section 6.01 Insurance

Prior to the commencement of this Agreement, the Contractor shall procure, pay for and maintain at all times during the term of this Agreement the types of insurance specified below in order to protect the CHA from the acts, omissions, and negligence of the Contractor, its officers, officials, subcontractors, joint ventures, partners, agents or employees among other things. The insurance carriers used by the Contractor must be authorized/licensed to conduct business in the State of Illinois, and shall have a rating according to the most recent edition of Best’s Insurance Guide, of not less than “A”. The insurance provided shall cover all operations under this Agreement, whether performed by the Contractor or by its subcontractors, joint ventures, partners, agents, officers or employees.

A. Required Insurance Coverage

(i) Workers Compensation and Occupational Disease insurance in accordance with the laws of the State of Illinois (Statutory), Coverage A, and Employer’s Liability, Coverage B, in an amount of not less than $500,000.00/$500,000.00/$500,000.00;

(ii) Commercial/General Liability insurance in an amount of not less than One Million and 00/100 Dollars ($1,000,000.00) per occurrence with an aggregate of not less than Two Million and 00/100 Dollars ($2,000,000.00) (i.e. $1,000,000.00/ $2,000,000.00). In
addition to the stipulations outlined in the immediately preceding sentence, the insurance policy shall include coverage for Contractual Liability, Products-Completed Operations, Personal & Advertising Injury and shall also cover injury to the Employees and the Contractor’s invitees and guests and their personal property. The CHA shall be endorsed as additional insured on the Contractor’s policy and such insurance shall be endorsed as primary and non-contributory with any other insurance available to the CHA;

(iii) When any motor vehicles (owned, non-owned and hired) are used in connection with the Services, Comprehensive Automobile Liability Insurance with limits of not less than One Million and 00/100 Dollars ($1,000,000.00) per occurrence CSL, for bodily injury and property damage. The CHA shall be endorsed as additional insured on the Contractor’s policy and such insurance shall be endorsed as primary and non-contributory with any other insurance available to the CHA; and

(iv) Umbrella Liability Coverage, if applicable, is to follow the form of the Primary Insurance requirements outlined above.

B. Related Requirements

The Contractor shall submit to the CHA (at the address specified for same in Section 10.02), original Certificates of Insurance evidencing the required coverages to be in force, with the CHA endorsed as additional insureds where required, no later than the commencement date set forth in the Notice-to-Proceed issued in connection with this Agreement or the commencement of any of the Services, whichever is sooner. The required documentation must be received prior to the Contractor commencing work under this Agreement. Renewal Certificates of Insurance, required or requested endorsements, or such similar evidence, are to be received by the Procurements & Contracts Department prior to expiration or renewal date occurring during the term of this Agreement. At the CHA’s option, non-compliance will result in one or more of the following actions: (i) the CHA will purchase insurance on behalf of the Contractor and will charge back all cost to the Contractor; (ii) the Contractor shall be immediately removed from the CHA Locations and this Agreement shall be revoked; (iii) all payments due the Contractor will be withheld until the Contractor has complied with this Agreement; or (iv) the Contractor will be assessed Five Hundred and 00/100 Dollars ($500.00) for every day of non-compliance. The receipt of any certificates does not constitute agreement by the CHA that the insurance requirements in this Agreement have been fully met or that the insurance policies indicated on the certificate comply with all Agreement requirements. The insurance policies shall provide for thirty (30) days prior written notice to be given to the CHA in the event coverage is substantially changed, canceled or non-renewed.

If any of the required insurance is underwritten on a claims made basis, the retroactive date shall be prior to or coincident with the date of this Agreement and the Certificate of Insurance shall state the coverage is “claims made” and also the retroactive date. The Contractor shall maintain coverage for the entire term of this Agreement. Any extended reporting period premium (tail coverage) shall be paid by the Contractor. The Contractor shall provide to the CHA, annually, a certified copy of the insurance policies obtained pursuant hereto. It is further agreed that the
Contractor shall provide the CHA thirty (30) days notice in the event of the occurrence of any of the following conditions: aggregate erosion in advance of the retroactive date, cancellation and/or non-renewal.

The Contractor shall advise all insurers of this Agreement's provisions regarding insurance and the term under which such insurance is required. The Contractor's failure to notify insurers of such provisions shall not relieve the Contractor from its insurance obligations under this Agreement. Non-fulfillment of any of such insurance provisions and obligations shall constitute an event of default and be deemed a part of and subject to Article 7.

The Contractor shall require all subcontractors to carry the insurance required herein or the Contractor may provide the coverage for any or all its subcontractors, and if so, the evidence of insurance submitted shall so stipulate and adhere to the same requirements and conditions as outlined in this Section 6.01. Evidence of such coverage must be submitted to the CHA.

The Contractor expressly understands and agrees that any insurance or self-insurance programs maintained by the CHA shall apply in excess of and will not contribute with insurance provided by the Contractor under this Agreement.

**Section 6.02 Indemnification**

The Contractor agrees to protect, defend, indemnify, keep, save, and hold the CHA, its officers, officials, employees and agents and contractors free and harmless from and against any and all liabilities, losses, penalties, damages, settlements, environmental liability, costs, charges, professional fees or other expenses or liabilities of every kind, nature and character arising out of or relating to any and all claims, liens, demands, obligations, actions, suits, judgments or settlements, proceedings or causes of action of every kind, nature and character (collectively, "Claims") in connection with or arising directly or indirectly out of the Contractor's performance of the Agreement and/or the acts and omissions of the Contractor and its subcontractors and their respective officers, officials, agents, and employees (including but not limited to, the enforcement of this indemnification provision). Without limiting the foregoing, any and all such Claims, relating to personal injury, death, damage to property, defects in material or workmanship, actual or alleged infringement of any patent, trademark, copyright or any other tangible or intangible personal or property right, or any actual or alleged violation of any applicable statute, ordinance, order, rule or regulation, or decree of any court, shall be included in the indemnity hereunder. The Contractor further agrees to investigate, handle, respond to, provide defense for and defend all suits for any and all Claims at its sole expense and agrees to bear all the costs and expenses related thereto, even if the Claims are considered groundless, false or fraudulent.

The CHA shall have the right, at their option and at the Contractor's expense, to participate in the defense of any suit, without relieving the Contractor of any of its obligations under this Section. The Contractor expressly understands and agrees that the requirements set forth in this indemnity to protect, defend, indemnify, keep, save and hold the CHA free and harmless are separate from and not limited by the Contractor's responsibility to obtain, procure and maintain insurance pursuant to any other Section of this Agreement. Further, the indemnities contained in this Section shall survive the expiration or termination of this Agreement for any reason.
ARTICLE 7. EVENTS OF DEFAULT, REMEDIES, ETC.

Section 7.01 Events of Default Defined

Each of the following shall constitute an event of default:

(i) any misrepresentation, whether negligent or willful and whether in the inducement or in the performance, made by the Contractor to the CHA in its proposal for services;

(ii) the Contractor’s (or its subcontractors’) failure to perform any of its obligations under this Agreement including but not limited to the following:

(A) inability, failure or refusal to provide the Services in accordance with this Agreement’s provisions and/or standards of performance, or as a result of insolvency, filing for bankruptcy or assignment for the benefit of creditors;

(B) failure to comply with any material term of this Agreement, including but not limited to the provisions concerning compliance with HUD regulations, insurance and nondiscrimination; and

(C) failure to promptly re-perform and/or provide, as applicable, Services that are erroneous or unsatisfactory to the CHA;

(iii) any change in majority ownership or majority control of the Contractor without the prior written approval of the CHA, which written approval shall not be unreasonably withheld; and

(iv) the Contractor’s default under any other agreement it may presently have or may enter into with the CHA during this Agreement.

Section 7.02 Remedies

If an event of default occurs which the Contractor fails to cure within thirty (30) calendar days after receipt of written notice given in accordance with the terms of this Agreement and specifying the event of default, or if such event of default cannot be reasonably cured within thirty (30) calendar days after such a notice, or if the Contractor has failed to commence and continue diligent efforts to cure such event of default within thirty (30) days after such notice, the CHA may, at its sole option, declare the Contractor in default. Whether to declare the Contractor in default is within the sole discretion of the CHA and neither that decision nor the factual basis for it is subject to review or challenge under Article 5. Written notification of the default shall be provided to the Contractor pursuant to Article 10. Upon the giving of such notice, the CHA may invoke and shall be entitled to any or all of the following remedies:

(i) terminating this Agreement or this Agreement as to any or all the Services yet to be provided effective at a time specified by the CHA;
(ii) pursuing all remedies, legal and/or equitable, available to the CHA;

(iii) withholding and applying or setting off all or any part of the Contractor’s compensation hereunder with respect to and against Services not completed or provided in accordance with the terms hereof and against any damages or liability of the Contractor resulting from same;

(iv) deeming the Contractor not responsible in future contracts to be awarded by the CHA; and

(v) taking over and completing all or any of the Services or any party thereof as agent for and at the cost of the Contractor, either directly or through others.

If the CHA so desires, the CHA may elect not to declare default or to terminate this Agreement hereunder. The parties acknowledge that this provision is solely for the benefit of the CHA and that if the CHA permits the Contractor to continue to provide the Services despite one or more events of default, the Contractor shall in no way be relieved of any of its responsibilities, duties or obligations under this Agreement, nor shall the CHA waive or relinquish any of its rights.

The CHA’s remedies enumerated under this Agreement are not intended to be exclusive of any other remedies available to it, but each such remedy shall be cumulative and shall be in addition to any other remedies existing now or hereafter at law, in equity or by statute. No delay or failure on the part of the CHA to exercise any right or power accruing upon any event of default or acquiescence therein shall be construed as a waiver, and the CHA may exercise every such right and power from time to time and as often as the CHA may in its sole discretion deem expedient.

Section 7.03 Termination for Convenience

The CHA may terminate for convenience this Agreement, or all or any portion of the Services to be provided under it, at any time by written notice from the CHA to the Contractor when the CHA in the CHA’s sole discretion deems this Agreement or any of the Services to be no longer in the CHA’s best interests. If the CHA elects to terminate this Agreement in full, all Services to be provided hereunder shall cease effective (i) ten (10) days after the Contractor’s date of receipt of the CHA’s written notice or (ii) on such termination date as the CHA may have set forth in its written notice, whichever is later. The Contractor shall continue to provide the Services until the effective date of termination. No cost incurred by the Contractor after the effective date of termination shall be allowed. Subject to performance within the requisite standards of this Agreement and the results of any audits conducted pursuant to Sections 2.06(B) and 2.07, the CHA shall pay to the Contractor, on a pro-rata basis, fees incurred for Services provided through the date of termination. If a court of competent jurisdiction determines that an election by the CHA to terminate this Agreement for default pursuant to Section 7.02 is wrongful, then such termination shall at the CHA’s sole option be deemed to be a termination for convenience pursuant to this Section. This Section is not subject to Article 5.
Section 7.04  Suspension

The CHA may at any time request that the Contractor suspend its Services or any part thereof by giving ten (10) days prior written notice to the Contractor or upon no notice in the event of an emergency. No costs incurred after the effective date of such suspension shall be allowed. The Contractor shall promptly resume its provision of such Services under the terms and conditions of this Agreement upon written notice by the CHA.

Section 7.05  No Damages for Delay

The Contractor agrees that it shall make no claims against the CHA for damages, charges, interest, additional costs or fees incurred by reason of delays or suspension of work caused by the CHA in the performance of the CHA’s obligations under this Agreement. The Contractor’s sole and exclusive remedy for delays or suspension of work caused by the CHA is an extension of time equal to the duration of delay or suspension to allow the Contractor to perform its obligation under this Agreement.

ARTICLE 8. WARRANTIES, REPRESENTATIONS AND SPECIAL CONDITIONS

Section 8.01  Warranties, Representations and Covenants

(xiii) that the Contractor acknowledges that the CHA, in its selection of the Contractor to provide the Services, materially relied upon the Contractor’s Proposal, that the Proposal was accurate at the time it was made, and that no material changes in it have been nor will be made without the express written consent of the CHA; and

(xiv) that the Contractor understands and agrees that any certification, affidavit or acknowledgment made under oath in connection with this Agreement is made under penalty of perjury and, if false, is also cause for termination of this Agreement.
Section 8.02  Joint and Several Liability

In the event that the Contractor, or its permitted (in accordance with this Agreement) successors or assigns, if any, is comprised of more than one individual or other legal entity (or a combination thereof), then and in that event, each and every obligation or undertaking herein stated to be fulfilled or performed by the Contractor shall be the joint and several obligation or undertaking of each individual or other legal entity.

Section 8.03  Business Documents and Contractor’s Affidavit

The Contractor shall, prior to the provision of any Services, provide to the CHA evidence of its authority to conduct business in the State of Illinois, including without limitation registrations of assumed names or limited partnerships and certifications of good standing with the Office of the Secretary of the State of Illinois. The Contractor shall execute a Contractor’s Affidavit, which shall be attached hereto as Exhibit IV and incorporated by reference herein.

Section 8.04  Conflict of Interest

No member of the governing body of the CHA or other units of government and no other officer, employee, or agent of the CHA or other unit of government who exercises any functions or responsibilities in connection with the Services to which this Agreement pertains, shall have any personal interest, direct, or indirect, in this Agreement. No member of or delegate to the Congress of the United States or the Illinois General Assembly or CHA employee shall be entitled to any share or part of this Agreement or to any financial benefit to arise from it.

The Contractor represents, warrants and/or covenants, as applicable, that it and each of the Employees presently have no interest and shall acquire no interest, direct or indirect, in this Agreement which would conflict in any manner or degree with the provision of the Services hereunder. The Contractor further covenants that in the performance of this Agreement, no person having any such interest shall be employed. The Contractor agrees that if the CHA determines that any of the Contractor’s Services for others conflict with the Services that the Contractor is to render for the CHA under this Agreement, the Contractor shall terminate such other services immediately upon request of the CHA.

Additionally, pursuant to the conflict of interest requirements in OMB Circular A-102 and 24 C.F.R. 85.36(b)(3), no person who is an employee, agent, consultant, officer, or appointed official of the CHA and who exercises or has exercised any functions or responsibilities with respect to HUD assisted activities, or who is in a position to participate in a decision making process or gain inside information with regard to HUD activities, may obtain a financial interest or benefit from the activity, or have an interest in any contract, subcontract, or agreement with respect thereto, or the proceeds thereunder, either for himself or herself or for those whom he or she has family or business ties, during his or her tenure or for one year thereafter.

Furthermore, the Contractor represents, warrants and/or covenants, as applicable, that it currently is and shall remain in compliance with federal restrictions on lobbying set forth in Section 319 of the Department of the Interior and Related Agencies Appropriations Act, 31 U.S.C. 1352,

Section 8.06  Independent Contractor

The Contractor shall perform under this Agreement as an independent contractor to the CHA and not as a representative, employee, agent, or partner of the CHA.

ARTICLE 9. GENERAL CONDITIONS

Section 9.01  Entire Agreement

This Agreement and those specific Exhibits attached hereto (or portions thereof, as applicable) which have been specifically incorporated into and made a part of this Agreement shall constitute the entire Agreement between the parties hereto relating to the subject matter hereof, and no other warranties, inducements, considerations, covenant, conditions, promises or interpretations shall be implied between the parties that are not set forth herein and therein.

Section 9.02  Counterparts

This Agreement may be executed in several identical counterparts, each of which shall be deemed an original and when taken together shall constitute one Agreement binding on the parties hereto.

Section 9.03  Amendments

No changes, amendments, modifications, or discharge of this Agreement, or any part thereof, shall be valid unless in writing and signed by the authorized agent of the Contractor and the CHA. The CHA shall incur no liability for additional Services without a written amendment to this Agreement pursuant to this Section.

Whenever in this Agreement the Contractor is required to obtain prior written approval, the effect of any approval which may be granted pursuant to the Contractor’s request shall be prospective only from the later of the date approval was requested or the date on which the action for which the approval was sought is to begin. In no event may approval apply retroactively to a date before the approval was granted.
Section 9.04  Compliance with All Laws

The Contractor shall at all times observe and comply with all applicable laws, ordinances, rules, regulations (including but not limited to HUD regulations) and executive orders of the federal, state and local government, now existing or hereinafter in effect, which may in any manner affect the performance of this Agreement. Provisions(s) required by law, ordinances, rules, regulations, or executive orders to be inserted shall be deemed inserted whether or not they appear in this Agreement or, upon application by either party, this Agreement shall forthwith be amended to literally make such insertion; however, in no event shall the failure to insert such provision(s) prevent the enforcement of this Agreement or such provision(s).

The Contractor shall take such actions as may be necessary to comply promptly with all governmental orders imposed by any duly constituted government authority whether imposed by federal, state, county or municipal authority.

Section 9.05  Deemed Inclusion

Provisions required by law, ordinances, rules, regulations or executive orders to be included in this Agreement are deemed inserted in this Agreement whether or not they appear in the Agreement or, upon application of either party, the Agreement shall be amended to make this insertion; however, in no event shall the failure to insert the required provisions before or after the Agreement is signed prevent its enforcement.
Section 9.06  Severability

If any provision(s) of this Agreement shall be held or deemed to be or shall in fact be inoperative or unenforceable as applied in any particular case or circumstances in any applicable jurisdiction or in all cases because it conflicts with any other provision or provisions hereof or of any constitution, statute, ordinance, rule of law or public policy, or for any other reason, then (i) such circumstances shall not have the effect of rendering the provision(s) in question inoperative or unenforceable in any other case or circumstances, or of rendering any other provision(s) herein contained invalid, inoperative, or unenforceable to any extent whatever, and (ii) such provision(s) shall be reformed and construed so as to be valid, operative and enforceable to the maximum extent permitted by law or equity while most nearly preserving its original intent.

Section 9.07  Governing Law and Jurisdiction

This Agreement shall be governed as to performance and interpretation in accordance with the laws of the State of Illinois. The Contractor hereby irrevocably submits itself to the original jurisdiction of those courts located within the County of Cook, State of Illinois, with regard to any controversy arising out of, relating to, or in any way concerning the execution or performance of this Agreement. The Contractor agrees that service of process on the Contractor may be made, at the option of the CHA, either by registered or certified mail addressed to the applicable office as provided for in this Agreement and to the office actually maintained by the Contractor, or by personal delivery on any managing partner, partners and principals of the Contractor. If the Contractor brings any action against the CHA concerning this Agreement, the action shall only be brought in those courts located within the County of Cook, State of Illinois.

Section 9.08  Interpretation

A.  Any headings of this Agreement are for convenience of reference only and do not define or limit the provisions hereof. Wherever from the context it appears appropriate, each term stated in either the singular or the plural shall include the singular and the plural, and pronouns stated in either the masculine, feminine or the neuter gender shall include the masculine, the feminine and the neuter. Furthermore, the words “include” and “including”, and words of similar import in this Agreement, shall be deemed to be followed by the words “without limitation”, if the context of such words does not prohibit such
a limitation, and the word “end”, “expiration” and “termination”, and words of similar import in this Agreement, shall mean the termination of this Agreement for any reason or no reason, whether on or before the end of the 2 Year Base or Option Year, as applicable.

B. Notwithstanding any statement or provision in any document to the contrary, if there is a direct conflict between or among any of the documents or provisions incorporated into and made a part of this Agreement (including but not limited to any of the provisions in the recitals and Articles 1-11 of this Agreement), then (i) the recitals and provisions of Articles 1-11 of this Agreement (firstly), (ii) Exhibit A (secondly), (iii) Exhibit B (thirdly), (iv) Exhibit IV (fourthly), and (v) those portions of Exhibit I that have been incorporated into and made a part of this Agreement (lastly), shall control, in that order, notwithstanding the incorporation of such documents and/or provisions, as applicable; and where no such direct conflict exists, each of same shall be deemed to complement and supplement each other to constitute one and the same Agreement.

C. The parties and their respective counsels have jointly participated in the negotiation and drafting of this Agreement, and each of the parties acknowledges and agrees that he, she or it has carefully read this Agreement and fully understands and agrees to all its terms. In the event of any ambiguity or question of intent or interpretation regarding this Agreement, this Agreement shall be construed as if drafted jointly by all the parties and their respective counsels and no presumption or burden of proof shall arise favoring any particular party by virtue of the authorship of any of the provisions of this Agreement.

Section 9.10 Cooperation

The Contractor agrees at all times to cooperate fully with the CHA and to act in the CHA’s best interests. If this Agreement is terminated for any reason, or if it is to expire on its own terms, the Contractor shall make every effort to assure (i) an orderly transition to another contractor and (ii) the uninterrupted provision of Services during any transition period, and shall otherwise comply with the reasonable requests and requirements of the CHA in connection with the termination or expiration of this Agreement.

Section 9.11 Waiver

Whenever under this Agreement the CHA, by a proper authority, expressly waives the Contractor’s performance in any respect or expressly waives a requirement or condition to either the CHA’s or the Contractor’s performance, the waiver so granted, shall only apply to the particular instance and shall not be deemed a waiver forever or for subsequent instances of the performance, requirement or condition. No such waiver shall be construed as a modification of this Agreement regardless of the number of times the CHA may have waived the performance of
a requirement or condition.

Section 9.12 Survival

All representations and warranties of the Contractor under this Agreement, and any and every provision of this Agreement that expressly or impliedly imposes or contemplates a continuing obligation of the Contractor or right of the CHA, shall survive the expiration or termination of this Agreement for any reason.

Section 9.13 CHA Minimum Wage Policy
