(hereinafter, "the Act"), and the CHA will be the copyright owner thereof and of all aspects, elements and components thereof in which copyright can subsist.

To the extent the Work Product does not qualify as "work made for hire," Contractor hereby irrevocably grants, conveys, bargains, sells, assigns, transfers and delivers to the CHA, its successors and assigns, all right, title and interest in and to the copyrights and all U.S. and foreign copyright registrations, copyright applications and copyright renewals therefore, and other intangible, intellectual property embodied in or pertaining to the Work contracted for under this Agreement, free and clear of any liens, claims or other encumbrances, to the fullest extent permitted by law.
