2.1 Scope of Services. The Scope of Services that the Consultant may be requested to provide under this Agreement are environmental consulting services required to provide all necessary environmental assessment, remediation and engineering services related to CHA’s redevelopment, construction, rehabilitation and modernization activities.

2.2 Statement of Work. The services that the Consultant shall provide under this Agreement are described in Exhibit III, which is attached hereto and incorporated by reference herein.

2.3 Contract Administration. The Consultant, if selected to perform the Services pursuant to a task order resulting from a RFS, shall act as a prime contractor for the scope of work for the addresses described in the task order. The Consultant will be required to work with the CHA’s Office of Development Management or Capital Construction Staff to satisfy the contracting objectives of awarded task orders.

A. Any services to be furnished under this contract shall be ordered by issuance of task orders by the CHA Office of Development Management or Capital Construction through the Department of Procurement and Contracts on CHA’s Purchase Order forms. All task orders will be subject to the terms and conditions of the Agreement. In the event of a conflict between the terms and conditions appearing on the reverse side of the CHA Purchase Order and the Agreement, the Agreement shall control. If mailed, a task order will be considered “issued” when the CHA deposits the task order in the mail. Task orders may not be issued orally, but may be issued by facsimile, or by electronic commerce methods.

B. Task Ordering Procedures
   i. A scope of work for environmental services to be awarded pursuant to a task order will be prepared by CHA.
   ii. With a scope of work, the Office of Development Management or Capital Construction Department representatives will contact all environmental consultants, and if required, all all environmental consultant shall to proceed to a location where the work is anticipated to review the proposed work.
   iii. On the basis of the scope of work, with input from the inspection of the Consultant, the Consultant will forward a proposal for performing the work on a fixed price basis.
   iv. The Consultant will have a fair opportunity to be considered for each task order issued under the Agreement up to the not-to-exceed amount of compensation under the Agreement and except as provided for in C(3) below.
   v. The Consultant agrees to submit proposals to the Department of Contracts and Procurement in response to the multiple Requests for Services that will be issued by the CHA.

C. Task Order Selection Criteria.
   Any combination of the following factors may be considered in the awarding of task Orders:
   i. Price or cost under each task order;
ii. Proposed duration to perform the task order;
iii. Past performance on earlier orders under the Contract, including quality, timeliness and cost control;
iv. Potential impact on other orders placed with a contractor.

D. Exceptions to Task Order Selection Considerations.
CHA’s contracting officer shall give each environmental consultant a fair opportunity to be considered for a task order unless one of the following exceptions applies:
i. The agency’s need for the supplies or services is so urgent that providing a fair opportunity to an environmental consultant would result in unacceptable delays;
ii. Only one awardee is capable of providing the supplies or services required at the level of quality required because the services are unique or highly specialized;
iii. The order must be issued on a non-competitive basis in the interest of economy and efficiency because it is a logical follow-on to an order already issued under a task order, provided that all awardees were given a fair opportunity to be considered for the original award of the task order; or
iv. It is necessary to place a task order to satisfy an environmental consultant’s minimum guarantee in its contract.
v. Any proposed utilization of the Exceptions to Task Order Selection Considerations must have the prior written approval of the CHA’s Director of Procurement and Contracts.

2.4 Requests for Services.

A. From time to time the CHA may issue RFS that will describe the scope of work that shall be governed by this Agreement. The RFS will set forth:
i. A scope of work;
ii. A schedule of work;
iii. Any necessary background information needed for the Project;
iv. The required completion date.
v. By Consultant’s Proposal and issuing a Notice-to-Proceed in response to a particular RFS, this Agreement will be deemed to have been amended to include any such special conditions pursuant to Section 9.3, but with respect to that Project/task order only. The Consultant will not be required to respond to Requests for Services that are not within the scope of this Agreement.

B. The Consultant acknowledges and agrees that:
i. the CHA is under no obligation to issue any work pursuant to a RFS;
ii. the level of Services requested may vary by project; and
iii. the CHA may enter into similar agreements with other pre-qualified environmental consultants and award work to them pursuant to a RFS at the sole discretion of the Director of Procurement and Contracts.

2.5 Proposal and Work Plans.

A. The Consultant will respond to a RFS by submitting a Fixed Fee Cost Proposal and Work
Plan to the Department of Procurement and Contracts that describes as applicable:

i. The Consultant's approach to performing those Services; and

ii. A work breakdown structure, if applicable, for completion of Services and a list of the Deliverables to be provided; and

iii. A schedule for delivery; and

iv. A staffing schedule and list of equipment and subcontractors to be utilized; and

v. A Fixed Fee Cost Proposal; and

vi. A description of General Acceptance Criteria; and

vii. The requisite MBE/WBE/DBE and Section 3 Utilization Plans; and

viii. Certificate of applicable Insurance(s).

ix. All Work Plans submitted in response to a RFS shall include a schedule of milestone events, work and deliverables, personnel and equipment to be assigned to the task, a list of subcontractor(s) as appropriate, the schedule of task reporting, and recommendations for other or future work not included in the task order as appropriate in addition to the specific items listed below.

x. Numbers 1-5 above shall all conform to the terms of the Request for Services and the terms and conditions of this Agreement. The Fixed Fee Cost Proposals and Work Plans will constitute irrevocable offers for a period of 90 calendar days after receipt by the CHA. After receiving all proposals, the CHA, in its sole discretion, may choose not to award a task order. Any and all costs associated with the preparation of Proposals/Work Plans will not be reimbursable under this Agreement.

B. CHA will review each submitted proposal and issue a task order to the environmental consultant whose Fixed Fee Cost Proposal/Work Plan is deemed to be in the best interest of the CHA, unless the CHA, in its sole discretion, chooses not to award a task order.

C. If the Consultant chooses not to respond to a RFS, a written notice with the reason it is not responding must be submitted to the CHA by the deadline to respond to such RFS. The Consultant may elect not to respond to up to a total of two (2) RFS' during the term of the Agreement. Submitting a Proposal/Work Plan after the submission date required by a RFS shall be considered a failure to respond to a RFS. Failure to respond to three (3) RFS' shall be grounds to terminate the Agreement for Cause.

D. The CHA's acceptance of a Proposal/Work Plan to a RFS will be demonstrated by the issuance of a task order and a Notice-to-Proceed signed by the Director of Procurement and Contracts, or his/her designee, which directs the Consultant to perform the Services in accordance with the Project Documents. The Consultant will not commence Services, and the CHA will not be liable for any costs incurred by or payments to the Consultant, without a Notice-to-Proceed so executed. All approved Work Plans will be governed by the terms and conditions of the Project Documents. The Project Documents will be interpreted in the following order of precedence: the terms of this Master Agreement, RFS, an approved Work Plan and the RFP. Any terms and conditions in a Work Plan submitted by the Consultant, which otherwise conflict with, are inconsistent with, or address matters not addressed in this Master Agreement are void and of no effect on the CHA (notwithstanding any other approval contemplated or provided for under this
Master Agreement), unless accepted in writing by the Director of Procurement and Contracts as an amendment to this Master Agreement.

E. The Consultant acknowledges and agrees that the CHA may select from among those Proposal/Work Plans submitted in response to a RFS the Proposal/Work Plan(s) deemed to be in the best interests of the CHA, or may reject any and all Proposal/Work Plans submitted in response to a RFS. The Consultant further acknowledges and agrees that this Agreement and any Work Plan may be subject to United States Department of Housing and Urban Development (hereinafter, "HUD") approval and that, if such approval is required, the Consultant will perform no Services relating to a Work Plan until such approval is obtained.

**2.6 Deadlines for Submittal of Proposals and Work Plans.** Proposals/Work Plans for site remediation program activities shall be submitted within five (5) business days of the issuance of the RFS, and proposals for industrial hygiene activities shall be submitted within three business days of the issuance of the RFS. Requests for information ("RFIs") shall be due on the second business day following the issuance of the RFS. Failure to provide a Proposal/Work Plan on a timely basis may result in rejection of the Proposal/Work Plan.

**2.7 Negotiation Possible.** The CHA reserves the right, at its option, either to accept a Proposal and Work Plan as submitted by the Consultant, without further negotiation, or to negotiate with all pre-qualified vendors, a more satisfactory Work Plan, including the Cost Proposal.

Partial or incomplete Deliverables may be accepted for review only when required for a specific and well-defined purpose and when consented to in advance by ODM. Such Deliverables may not be considered as satisfying the requirements of this Agreement. Partial or incomplete Deliverables will in no way relieve Consultant of its commitments hereunder.

3.3 Meetings. The Consultant will meet regularly with the CHA Project Manager to discuss matters relating to the Project. In addition, at the CHA’s request, the Consultant must attend other meetings with the CHA or other interested parties designated by the CHA.

3.4 Cooperation. The Consultant will at all times cooperate fully with the CHA, its agents, employees, contractors, and subcontractors; any other parties providing services with respect to this Agreement; and any interested governmental agency. The Consultant will at all time act in the CHA’s best interests. If this Agreement is terminated for any reason, or if it is to expire on its own terms, the Consultant will make every effort to assure an orderly transition to another provider of the Services, if any; an orderly demobilization of its own operations in connection with the Services; uninterrupted provision of Services during any transition period; and will otherwise comply with the reasonable requests and requirements of ODM in connection with the termination or expiration.

3.5 Confidentiality.

A. The Consultant agrees that all Deliverables, reports, documents and information prepared, assembled, received or encountered by the Consultant pursuant to this Agreement (“Confidential Information”) are to remain confidential and to be used solely for the purposes of meeting the objectives of this Agreement. The Consultant agrees that such Confidential Information shall not be made available to any individual or organization other than the CHA, HUD or courts of competent jurisdiction or administrative agencies pursuant to a subpoena without the prior written approval of the CHA. In the event the Consultant is presented with a subpoena regarding such Confidential Information, which may be in the Consultant’s possession by reason of this Agreement, the Consultant must immediately give notice to the CHA’s Chief Executive Officer and General Counsel with the understanding that the CHA will have the opportunity to contest such process by any means available to it before the Confidential Information is submitted to a court or other third party. The Consultant, however, is not obligated to withhold the delivery of such Confidential Information beyond the time
ordered by the court or administrative agency, unless the subpoena or request is quashed or the time to produce is otherwise extended.

B. The Consultant will not (except as required by applicable law, regulation or legal process, and only after compliance with paragraph 1 above), without CHA’s prior consent, disclose to any person the fact that the Confidential Information exists or has been made available, that any transaction with the CHA is being considered, or that discussions or negotiations are taking or have taken place concerning any such transaction with the CHA or any term, condition or other fact relating to such a transaction or such discussions or negotiations, including, without limitation, the status thereof.

C. The Consultant acknowledges that remedies at law may be inadequate to protect the CHA against any actual or threatened breach of this confidentiality provision by Consultant and without prejudice to any other rights and remedies otherwise available to the CHA, the Consultant agrees to the granting of injunctive relief in CHA’s favor without proof of actual damages. In the event of litigation relating to this confidentiality provision, if a court of competent jurisdiction determines in a final, non-appealable order that this confidentiality provision has been breached by the Consultant, then the Consultant will reimburse the CHA for costs and expenses (including, without limitation, legal fees and expenses) incurred in connection with all such litigation.

3.6 Adequate Staffing. The Consultant will, immediately upon receiving a fully executed copy of this Agreement, assign during the term of this Agreement and any extension of it, an Account Manager who will be the Consultant’s designated person to receive Requests for Services and to submit Proposals and Work Plans. 3.9 **Failure to Comply.** If Consultant fails to comply with the above standards, Consultant will perform again, at its own expense, any and all Services required to be performed again as a direct or indirect result of such failure. The duty to perform again is in addition to and not a limitation on any other remedies available to the CHA under this Agreement, at law, or in equity.

The Consultant agrees to disclose to the CHA and to third parties expressly designated by the CHA in writing the existence of any Work Product of which the CHA would not otherwise be aware promptly upon the creation of such Work Product. During the performance of its Services, the Consultant shall be responsible for any loss or damage to such Deliverables or information while in the Consultant’s possession and shall restore any lost or damaged Deliverables or information at the Consultant's sole cost and expense.

B. The Consultant shall maintain its books, records, documents and adopt a system of accounting in accordance with generally accepted accounting principles and practices, to properly reflect all costs of whatever nature claimed to have been incurred or anticipated to be incurred or in connection with the Consultant’s performance under this Agreement. In addition, the Consultant shall keep such books, records and documents in a safe place and make them available for audit, examination, excerpt, and transcription to be conducted by the CHA, HUD, the Comptroller General of the United States or their duly authorized representatives, and allow inspection, copying and abstracting for at least five (5) years after the final payment is made in connection with this Agreement and all other pending matters are closed.

3.12 **Audit Requirement.** The CHA retains an irrevocable right to independently or, through a third party, audit the Consultant’s books and records pertaining to this Agreement and any task orders issued pursuant thereto, and disallow any inappropriate billings upon written notice to the Consultant.

3.13 **Patents and Copyrights.** The CHA reserves an exclusive, perpetual and irrevocable license to reproduce, publish or otherwise use, and to authorize others to use, for CHA or HUD purposes, including, but not limited to commercial exploitation: (a) the copyright, patent or other form of intellectual property right, claim or interest in any work developed or
discovered in the performance of the Services under this Agreement, (whether tangible or intangible) and (b) any rights, copyright, patent or other form of intellectual property right, claim or interest to which the Consultant purchases ownership with funds awarded pursuant to this Agreement for the purpose of meeting the objectives of this Agreement.

3.14 **Subcontracts and Assignments.** Unless otherwise provided for herein, or previously disclosed in Consultant’s Proposal, Consultant shall not subcontract, assign or otherwise delegate all or any part of its obligations under this Agreement or any part hereof without the prior written approval of the CHA.
