Roberta Smith	I am writing this letter for an apartment at Westhaven Park IIAI. I have a Section 8 voucher for rental. I am interested in moving because my apartment is too small for my family of five. My income is \$1,355 with Social Security and Public Aid with which I care for a sick mother and two daughters that are in school. If you have any questions regarding my voucher, you can call Section 8 at (312)986-9400 (1000 S Wabash). Thank you	
Crystal Palmer	One of our main concerns in the ACOP is the bedroom size and the sharing of bedrooms. We would like some specific information on more than just the bedroom size and how many people actually can sleep in the bedroom. I believe it's in the ACOP where a male and female of different ages can share a bedroom together. Also, I feel that it states that a male and older male can share a room. In my opinion, that needs to be straightened out so that there isn't the possibility of, for example, a 5-year-old and a 17-year-old in the same bedroom, regardless of sex. Furthermore, I am under the understanding that the CHA is negotiating with HRC Lawyers about some issues on the ACOP, including the ones I mentioned previously.	
Cloteal Buttes	I'm not happy with park closing on Wood and Washington
