The undersigned hereby certifies and agrees as follows:

2. **Employer Verification:** The landlord or property manager has my permission to verify my income from my employer using the attached form, now and on an annual basis.
3. **False or Missing Statements:** If my income certification and or any lease application submitted by me is false, or if I fail to provide annual certifications or if any of them is false, the landlord or property manager will have the right to terminate my lease and take possession of my apartment immediately.
4. **Maximum Household Income:** If the current combined total income for all household members as stated on the attached income certification or as otherwise verified exceeds the maximum allowable household income from my household size as set forth in the table below, the landlord or property manager will have the right to terminate my lease and take possession of my apartment immediately.

*This chart may be amended from time to time.

I understand that the landlord and the property manager are relying on my income certification in accepting me as a tenant, and that the landlord will be seriously harmed if my income does not qualify the apartment for low-income housing tax credits. This rider shall be considered part of my lease.
