The next rental phase of Roosevelt Square is the Taylor Street Library and Apartments, a mixed-use, mixed-income midrise building located within the Little Italy neighborhood. The proposed project will be situated on vacant CHA owned land that is a part of ABLA. The new Taylor Street Library and Apartments property will offer approximately 16,000 square feet of library space on the first floor and include an early learning area for children, a Your Media Digital lab, and community meeting and study rooms. Additionally, the Taylor Street Library and Apartments will contain 73 total residential units with 37 apartments designated for CHA families. This board action will provide authorization to proceed with the land disposition for this development.
