City of Chicago Reopening—and so is CHA!

**Community rooms**

Effective March 1, 2022, CHA under guidance from the Chicago Department of Public Health will reopen all our building’s community rooms! This includes social rooms, exercise room and computer labs. We encourage residents to exercise caution when using. You will see posters as shown below at all our entrances to rooms.

**Vaccinations**

All Chicagoans who want the vaccine can get it at **no cost**. If you still need a vaccine:

- Contact zocdoc.com or go to your local Walgreens, CVS, Walmart
- Anyone can request an in-home vaccination! Call 312.746.4835

**Once I get vaccinated can I stop wearing a mask?**

Chicago and the State will discontinue the mask requirement except in health care settings, public transportation, and if a business requires it. Please remember that masks **remain** required in indoor common areas and CHA offices.

No. Only residents who are either community ambassadors or are employed by CHA or one of its contracted agencies are required to be vaccinated.

IS COVID-19 GONE?
The number of positive cases has significantly decreased; however, it is still possible to get the virus. It is up to all of us to do our part to continue to stay safe.

Will the Golden Diners program continue? (select senior buildings only)
The Golden Diners program is serving lunch through a grab and go model. The City is planning to resume congregate meals soon and we will update those sites as soon as possible.
