ARTICLE 1. INCORPORATION OF RECITALS

Section 1.01 Incorporation of Recitals

The recitals set forth above are incorporated by reference as if fully set forth herein.

ARTICLE 2. CONTRACTOR’S DUTIES AND RESPONSIBILITIES

Section 2.01 Services to be Performed

A. Scope of Services and Statement of Work

The Services to be performed by the Contractor during the term of the Agreement are more fully described in the Statement of Work set forth in Exhibit I, which is attached hereto and incorporated by reference herein (“Services”).
B. Deliverables

In performing the Services, the Contractor shall prepare and/or provide the deliverables required by the Agreement along with any other required work product that may consist of documents, data, studies, reports, findings or information in any form prepared or assembled either in hard copy or electronic media (collectively “Deliverables”). The CHA reserves the right to reject Deliverables which in the reasonable judgment of the CHA do not adequately represent the intended level of completion or standard of performance, do not include relevant information or data, or do not include all documents specified in this Agreement, or reasonably necessary for the purposes for which the CHA made this Agreement with the Contractor. The CHA will notify the Contractor in writing of any deficiencies the CHA may identify involving a Deliverable.

Partial or incomplete Deliverables may be accepted for review only when required for a specific purpose and when consented to in advance by the CHA. Such Deliverables may not be considered as satisfying the requirements of this Agreement and partial or incomplete Deliverables shall in no way relieve the Contractor of its commitments hereunder.

Section 2.02 Performance Standards

The Contractor shall perform all Services required under this Agreement with the degree of skill, care and diligence normally shown by an entity performing services of a scope, purpose and magnitude comparable with the nature of the Services to be provided under this Agreement. Furthermore, the Contractor shall perform or cause to be performed all Services required by the Agreement in accordance with the terms and conditions of this Agreement, in accordance with any federal, state and local laws, statutes, applicable to this Agreement, and to the satisfaction of the CHA. The Contractor must at all times act in the best interests of the CHA consistent with the professional and fiduciary obligations assumed by it in entering into this Agreement and will assure timely and satisfactory rendering and completion of its Services, including but not limited to Deliverables. Specifically, all services shall be performed in accordance with applicable professional due care standards, and in accordance with the terms and conditions of this Agreement.

The Contractor must assure that all Services which require the exercise of professional skills or judgment must be accomplished by professionals qualified and competent in the applicable discipline and appropriately licensed, if required by law. The Contractor covenants with the CHA to furnish its best professional expertise and judgment in furthering the CHA’s interests. The Contractor shall at all times use its best efforts to assure quality, timeliness, efficiency and creativity in rendering and completing the Services. The Contractor agrees that performance of the Services in a satisfactory manner shall include quick response to the CHA’s needs. Accordingly, the Contractor shall return all telephone calls and respond to all electronic mail on a timely basis within two (2) business days.
Section 2.03  **Key Personnel**

Ms. Simone Gans Barefield, President and Chief Executive Officer, shall be responsible for supervising Contractor’s personnel and directing the Services to be performed during the term of the Agreement. The Contractor retains the right to substitute key personnel with reasonable cause by giving written notice to the CHA, provided that the CHA shall have the right to approve such staff changes and said approval shall not be unreasonably withheld.

Section 2.04  **Non-Discrimination**

Section 2.05  **Ownership of Work Product, Documents, Records and Reports**

A. Contractor acknowledges that all Deliverables in any form including but not limited to, work papers, reports, spreadsheets, data, data-bases, documentation, training materials, drawings, photographs, film and all negatives, software, tapes and the masters thereof, prototypes, and other material, or other work product generated and assembled either in hard copy or by electronic media, pursuant to the work contracted for by the CHA hereunder (hereinafter, “Work Product”) will belong solely to the CHA and the Contractor will retain no rights therein. Contractor will execute assignments in the forms attached if requested by the CHA, without additional compensation. Contractor will document all work performed for the CHA and will turn such documentation over to the CHA on completion of the Contractor’s services hereunder or earlier, if requested by the CHA. Contractor will make no use of the Work Product generated during the course of its work for the CHA during or after the term of this Agreement except to perform the work requested by the CHA.

To the extent the CHA is unable to effectively or economically use the Work Product without also using rights which are the subject of patent applications, patents, copyrights or other statutory protection owned by Contractor, Contractor grants to the CHA, a royalty-free, irrevocable, worldwide, nonexclusive license to make, have made, sell, use, reproduce, disclose, and publish such rights as necessary to fully utilize the Work Product.

In addition, Contractor agrees that it will not do anything contrary to the CHA’s ownership in the Work Product or which might impair the value of such ownership. Contractor agrees to cooperate with the CHA in executing all documentation requested by the CHA to enable the CHA to perfect its right in and to the Work Product.

All Work Product and CHA Documents provided to, or prepared or assembled by the Contractor in connection with the performance of the Contractor’s Services under this Agreement shall be the property of the CHA. The Contractor shall establish precautions against the destruction of all such CHA Documents and shall be responsible for any loss or damage to the CHA Documents while in the Contractor’s possession or use and the Contractor shall be responsible for restoring such CHA Documents at its sole expense. Except as provided above, if any CHA Documents destroyed while in the Contractor’s possession are not restorable, the Contractor shall be responsible for any loss suffered by the CHA on account of such loss or damage.

C. In the event of the failure by Contractor to make such delivery, then and in that event, the Contractor shall pay to the CHA any damages the CHA may sustain by reason thereof. The Contractor shall maintain all CHA Documents not previously delivered to the CHA for a period of seven (7) years after final payment made in connection with the Agreement.

D. The Contractor shall maintain its books, records, documents, and other materials related to the performance of the Agreement for a period of seven (7) years following the expiration or termination of the Agreement and after final payment
has been made and all other pending matters are closed, and adopt accounting
procedures and practices sufficient to reflect properly all costs of whatever nature
claimed to have been incurred or anticipated to be incurred for or in connection
with the performance of the Contractor’s Services under the Agreement. The
Contractor shall maintain its accounting system, books and records in a manner that
complies with generally accepted accounting principles ("GAAP"), consistently

the event the Contractor is presented with a subpoena regarding such Confidential Information,
which may be in the Contractor’s possession by reason of this Agreement, the Contractor must
immediately give notice to the CHA’s Chief Executive Officer and General Counsel with the
understanding that the CHA will have the opportunity to contest such process by any means
available to it before the Confidential Information is submitted to a court or other third party. The
Contractor, however, is not obligated to withhold the delivery of such Confidential Information
beyond the time ordered by the court or administrative agency, unless the subpoena or request is
quashed or the time to produce is otherwise extended. The Contractor agrees that Section 2.07 of
the Agreement shall survive the termination of the Agreement.

Section 2.12  Force Majeure

Neither party shall be deemed in default of this Agreement for any delay or failure to fulfill any obligation hereunder, so long as and to the extent to which any delay or failure in the fulfillment of such obligation is prevented, frustrated, hindered or delayed as a consequence of circumstances of Force Majeure. In the event of any such excused delay, the time for performance of such obligations (and corresponding payment obligation) shall be extended for a period equal to the time lost by reason of the delay. A party claiming the benefit of this provision shall, as soon as reasonably practicable after the occurrence of any such event, (a) provide written notice to the other party of the nature and extent of any such Force Majeure condition; and (b) use commercially reasonable efforts to remove any such causes and resume performance under this Agreement as soon as reasonably practicable.

The remedies under the terms of this Agreement are not intended to be exclusive of any other remedies provided, but each and every such remedy shall be cumulative and shall be in addition to any other remedies, existing now or hereafter, at law, in equity or by statute. No delay or failure to exercise any right or power accruing upon any event of default or acquiescence therein, and every such right and power may be exercised from time to time and as often as may be deemed expedient.

Section 7.03 Termination for Convenience

The CHA may terminate this Agreement, or all or any portion of the Services to be performed under it, at any time by written notice from the CHA to Contractor when the Agreement may be deemed to be no longer in the best interests of the CHA. If the CHA elects to terminate the Agreement in full, all Services to be performed hereunder shall cease effective ten (10) calendar days after the date written notice has been provided. The Contractor shall continue to render the services until the effective date of termination. No cost incurred by the Contractor after the effective date of termination shall be allowed. Subject to performance within the requisite performance standards and audits of invoices as set forth above, the CHA shall pay to Contractor on a pro-rata basis, costs incurred for Services rendered through the date of termination. This Section 7.03 is not subject to Article 5 of this Agreement.

The Contractor shall flow down the provisions of Section 7.03 in all of its contracts with its subcontractors, if any.

Section 7.04 Suspension

The CHA may at any time request that the Contractor suspend its Services, or any part thereof, by giving ten (10) days prior written notice to the Contractor or upon no notice in the event of an emergency. No costs incurred after the effective date of such suspension shall be allowed. The Contractor shall promptly resume its performance of such Services under the same terms and conditions as stated herein upon written notice by the CHA (Deputy Chief of Procurement and Contracts).

Section 7.05 No Damages for Delay

The Contractor agrees that it shall make no claims against the CHA for damages, charges, interest, additional costs or fees incurred by reason of delays or suspension of work caused by the CHA in the performance of its obligations under this Agreement. The Contractor’s sole and exclusive remedy for delays or suspension of work caused by the CHA is an extension of time
equal to the duration of delay or suspension to allow the Contractor to perform its obligation under this Agreement.

Section 7.06  Right to Offset

To the extent permitted by applicable law:

A.  In connection with performance under the Agreement, the CHA may offset any incremental costs and other damages the CHA incurs in any and all of the following circumstances:

   i.  If the CHA terminates the Agreement for default or any other reason resulting from the Contractor's performance or non-performance;

   ii. If the CHA exercises any of its remedies under Section 7.02 of the Agreement;

   iii. If the CHA has any credits due or has made any overpayments under the Agreement.

         The CHA may offset these incremental costs and any other damages by use of any payment due for Services completed before the CHA terminated the Agreement or before the CHA exercised any remedies. If the amount offset is insufficient to cover those incremental costs and other damages, the Contractor shall be liable for and must promptly remit to the CHA the balance upon written demand for it. The right to offset is in addition to and not a limitation of any other remedies available to the CHA.

B.  Without breaching this Agreement, the CHA may set off a portion of the compensation due under this Agreement in an amount equal to the amount of any liquidated or un-liquidated damages or claims that the CHA has against the Contractor arising out of any other agreements between the CHA and the Contractor or otherwise unrelated to this Agreement. If and when the CHA's claims against the Contractor are finally adjudicated in a court of competent jurisdiction or otherwise resolved, the CHA will reimburse the Contractor to the extent of the amount the CHA has offset against this Agreement inconsistently with the determination or resolution.
