The A/E understands and agrees that pursuant to the RFQ Event No. 3097, the CHA will enter multiple Indefinite Delivery Indefinite Quantity ("IDIQ") task order based Standard Agreements and that each A/E under such Agreement will have opportunities to be awarded Task Orders.

The A/E, if selected to perform A/E services pursuant to a Task Order, shall act as the prime contractor and be solely responsible for the Scope of Work described in such Task Order. The A/E will be required to work with the Office of Development and other CHA staff to satisfy the contracting objectives of awarded Task Orders.

1. **Administrative Ordering Procedures**

   The CHA intends to utilize the following ordering process for the Task Order assignments issued under the Agreement within the applicable Categories of Service. **Note: A/E services valued at $2,000,000 or greater are not subject to this Standard Agreement.**

   A. **Process for awarding Task Orders**

      i. A/E services shall be ordered pursuant to an LOI, which will describe the Scope of Work for the Task Order.

      ii. CHA shall present each LOI to a minimum of three (3) A/E’s in the applicable Category of Services.

      iii. On the basis of the Scope of Work, the A/Es shall prepare and submit within the time period specified in the LOI a proposal to perform the Task Order work for a Firm Fixed Fee. Requests for Information ("RFIs") shall be due on the second business day following the site visit, if applicable. Failure to provide a proposal on a timely basis may result in rejection of the proposal.

      iv. CHA, at its discretion, may elect not to finalize a Task Order with one of the A/Es from whom proposals were requested if:

         a. The A/Es are unable to accept or perform the Task Order;

         b. The A/Es fail to submit proposals to perform the Task Order work within the period of time designated for response in the LOI;

         c. CHA determines that the proposed pricing is excessive for the Scope of Work identified in the LOI, and the CHA cannot come to an agreement on a Firm Fixed Fee for the Task Order work within ten (10) business days of CHA’s receipt of proposals; or

         d. The proposed staffing or work plans submitted to perform the Task Order Services will not meet the CHA’s needs for the Project or will not be advantageous to the CHA.
v. In the event that CHA does not finalize a Task Order with any A/E who submitted a proposal in response to an LOI, CHA, at its option, may issue an LOI to one or more additional A/Es in the applicable category of service.

vi. The A/E may elect not to respond to up to a total of two (2) LOIs during each contract year of the Agreement. Submitting a proposal after the submission due date required by the LOI shall be considered a failure to respond. Failure to respond to three (3) LOIs during a contract year shall be grounds to terminate the Agreement for cause and shall void minimum contract work value guarantees.

B. Responding to an LOI

i. The A/E will respond to an LOI by submitting a Firm Fixed Fee Proposal and work plan to the Department of Procurement and Contracts, which shall describe, as applicable:

d. A staffing schedule and list of subcontractors to be utilized;

e. A Firm Fixed Fee Proposal;

f. The requisite MBE/WBE and Section 3 Utilization Plans; and

g. Certificate of applicable Insurance(s).

h. Any other submissions specifically requested in the LOI.

ii. All work plans submitted in response to an LOI shall include a schedule of milestone events, work and deliverables, personnel and permissible reimbursable costs to be assigned to tasks, a list of subcontractor(s) or sub-consultants as appropriate, and a schedule of task reporting.

iii. The A/E’s response to an LOI shall conform to the terms of the applicable request and the terms and conditions of this Agreement. The Firm Fixed Fee Proposals and work plans will constitute irrevocable offers for a period of one hundred eighty (180) calendar days after receipt by the CHA.

iv. There shall be no additional compensation for the time and effort required of an A/E to formulate their proposals in response to an LOI, including, but not limited to, any site visits and consultations required to determine the scope of work necessary to price the proposal. Any and all costs associated with the preparation of proposals are not reimbursable.

v. The A/E acknowledges and agrees that:
a. The CHA is under no obligation to issue any work pursuant to an LOI;
b. The level of Services requested may vary by Project; and
c. The CHA, at the sole discretion of the CHA’s Contracting Officer, may enter into similar agreements with other A/E’s or enter into other agreements for A/E professional services pursuant to separate procurements.

C. Selection Criteria

The following factors will be considered in the awarding of Task Orders.

a. Quality of the A/E’s proposal for performing the Task Order work, including:
   1. Proposed Firm Fixed Fee to perform the Scope of Work;
   2. Proposed duration to perform the Scope of Work;
   3. A/E’s overall approach and work plan for performing the Scope of Work.

b. Past performance on earlier Task Orders or other work under any contract with the CHA, including quality, timeliness, cost control, and adherence to CHA’s compliance requirements, including CHA’s Section 3 and MBE/WBE Policies.

c. Potential impact on the ability of the A/E to perform previously awarded Task Orders.

d. CHA will review each submitted proposal and award a Task Order to the A/E whose Firm Fixed Fee Cost Proposal is deemed, in CHA’s sole discretion, to provide the best value and be in the best interest of the CHA, unless CHA 1) cancels the LOI, or 2) upon review of all Proposals, chooses not to award the Task Order.

D. Award of Task Order and Notice to Proceed

The CHA’s acceptance of a proposal submitted in response to an LOI will be demonstrated by a notice of award and a countersigned proposal. The A/E shall not proceed with any Services required by a Task Order until a Notice to Proceed is issued. The Notice to Proceed shall provide beginning dates and end dates for the Services required under each Task Order, which directs the A/E to perform the Services in accordance with the Task Order. The A/E will not commence Services, and the CHA will not be liable for any costs incurred by, or for payments to be made to, the A/E without an executed Notice-to-Proceed. All Task Orders and approved work plans are subject to the terms and conditions of this Agreement. The
Agreement's terms and conditions shall supersede those appearing on the reverse side of the CHA's Purchase Order forms that are maintained for the CHA's records. Any terms and conditions in a work plan submitted by the A/E, which otherwise conflict with, are inconsistent with, or address matters not addressed in the Agreement or Task Order are void and of no effect on the CHA (notwithstanding any other approval contemplated or provided for under the Agreement), unless accepted in writing by the Contracting Officer as a modification to the Task Order.

2. Exceptions to Task Order Selection Process

All Task Orders shall be issued pursuant to the process above, unless one of the following exceptions applies:

A. The CHA's need for the services is so urgent that issuing LOIs to three A/Es would result in unacceptable delays.

B. The Task Order must be issued on a non-competitive basis in the interest of economy and efficiency, because it is a logical follow-on to Services being performed under a previously issued Task Order or Contract.

C. It is necessary to place a Task Order with a particular firm to satisfy an A/E’s minimum guarantee on its Agreement.

Any proposed utilization of the Exceptions to Task Order Selection Considerations must have the prior written approval of the CHA's Contracting Officer.

ii. An increase in the duration of the Construction Administration Phase due to an extension of the anticipated construction schedule by more than sixty (60) days, due to causes beyond the control of the A/E and not due to any errors, omissions, or failures on the part of the A/E; and

ARTICLE D: TERM OF AGREEMENT

1. Term

The base term of this agreement is from March 1, 2022 through February 28, 2024 (the “Term”). Task Orders may only be issued during the Term of the Agreement. For purposes of this Article D, Task Orders shall be deemed issued during the Term if an LOI has been issued to A/Es for a specific scope of work prior to the expiration of the Term. At the Agreement’s expiration date, the Agreement’s terms and conditions shall continue to remain in effect with respect to any Task Order awarded or for which an LOI was issued by CHA prior to the expiration of the Term. The A/E acknowledges and agrees that LOIs may be issued through the last day of the Term of the Agreement, as such Term may be extended pursuant to Article D(2) below, and that Task Order work not completed within the Term shall continue until the entire scope of services required under an awarded Task Order has been completed in accordance with its respective terms and the terms of this Agreement, all Work has been accepted by the CHA, and the post-completion/warranty phase has concluded.

2. Extension Options

The CHA, at its sole discretion, may extend this Agreement for two (2), one (1) year option periods, subject to the satisfactory performance of the A/E. Any extension hereunder shall be under the same terms and conditions as this original Agreement. The Agreement shall be modified to reflect the time extension in accordance with the provisions of Article I(5) of this Agreement.

ARTICLE E: COMPENSATION AND PAYMENT

1. Not-to-Exceed Amount for Basic Services

A. Not-to-Exceed Amount for Basic Services

This is an indefinite delivery, indefinite quantity task order contract as defined in the HUD Procurement Handbook (7460.8 Rev.-2) and as such, the A/E shall be entitled to perform Task Orders for work with a minimum value of $20,000 under this Agreement. The initial compensation under this Agreement shall not exceed One Million and 00/100 Dollars ($1,000,000.00) (the “Not-to-Exceed Amount”). The A/E acknowledges that the CHA is not obligated to pay and the A/E is not entitled to earn more than the minimum amount set forth above, and that in order to receive more than the minimum amount, the A/E must first be awarded Task
Orders in excess of the minimum amount under the processes set forth herein. Upon the assignment of a Task Order and issuance of a Notice-to-Proceed to the A/E, the CHA shall pay the A/E an agreed upon Firm Fixed Fee to provide the Services as set forth in the Task Order, in accordance with Article E(1)(B). The A/E agrees to waive any and all claims for payment of work which would result in billings beyond the agreed upon fee established in an awarded Task Order without a prior written modification to the Task Order authorizing said additional work and additional fee. The A/E acknowledges an affirmative duty to monitor its performance and billings to ensure that the scope of work is completed within the agreed upon fee as set forth in the Task Orders.

B. Schedule of Payment for Basic Services

For the Basic Services provided pursuant to a Task Order and in accordance with the provisions herein, the CHA shall make Progress Payments. Progress Payments for a Task Order shall not exceed the amount established for such Task Order. The A/E’s Services may be implemented in phases; therefore, the CHA shall make Progress Payments in accordance with the phasing of the design and construction of the Project set forth in the Task Order. The amount of each Progress Payment will be calculated as set forth below. The A/E will be paid each month for that portion of the Services that it has completed. For purposes of calculating such Progress Payments, the Services will be divided into four (4) main components, and the total payment (portion of the total Fixed Fee) attributable to the Services provided will be divided as follows:

- **Design Fee:** Sixty-five percent (65%) of the Fixed Fee
- **Construction Administration Fee:** Twenty-five percent (25%) of the Fixed Fee
- **Project Closeout Fee:** Nine percent (9%) of the Fixed Fee
- **Post Completion/Warranty Fee:** One percent (1%) of the Fixed Fee

The CHA shall make such Progress Payments as follows:

**Design Fee Payments:** will be made on a monthly basis and will be based on the percentage of design documents complete. The A/E can bill the CHA for the percentage of the Design Fee indicated in the parentheses when the following documents are complete: Pre-Design Documents (10%), Schematic Design Documents (15%), Design Development Documents (25%), Construction Documents (40%) and Construction Bidding Documents (10%).

**Construction Administration Fee Payments:** will be made on a monthly basis and will be based on a unit pricing method derived upon an agreed-upon time frame for the A/E to provide services on a weekly basis (i.e. site visits, meetings, and reports). The level of services provided during the Construction Administration period may be increased or decreased in a manner commensurate to the anticipated construction activities. Construction Administration fees shall be invoiced monthly, and paid upon CHA’s approval of the invoices and the services provided.
Should additional funds allocated for Construction Administration remain after construction completion, those monies shall be deducted through a change order process and returned to the CHA.

Should construction duration be extended, A/E may be eligible for compensation for Additional Services pursuant to Article C(7).

Project Closeout Fee Payment: will be a lump sum payment made when all Deliverables and documentation are received from the A/E and accepted by the CHA.

Post Completion Fee Payment: will be a lump sum payment made upon the later of the expiration of the eighteen (18) month post completion/warranty period or conclusion of any Additional Services provided pursuant to any modifications of a Task Order.

2. Payment for Additional Services

The CHA will pay the A/E for Additional Services agreed to in a proposal on a form approved by the CHA executed by the CHA’s Contracting Officer, or designee, and the A/E pursuant to Article C(7)(B) above. Payment for all such Additional Services shall be in an amount and upon the terms set out in such proposal and agreed upon by the parties. Each such proposal shall provide for a fixed price or, where payment for such Additional Services is to be on an hourly basis or other unit pricing method, for a maximum amount. Each such proposal shall also provide for a method of payment, including, at a minimum, whether payment will be made in partial payments or in a lump sum and whether it will be based upon a percentage of completion of services billed.

3. Invoicing and Payments

A. Invoices

All payments to the A/E, in the manner hereinafter provided, shall be based upon the percentage of the Services complete for the period in question per Task Order (herein referred to as a “Progress Payment”). The A/E shall, by the fifth (5th) working day of each calendar month beginning with the second month after commencement of each Project pursuant to an awarded Task Order, furnish to the CHA an itemized application for Progress Payment (herein referred to as an “Application for Payment”) supported by such data substantiating the A/E’s right to payment as the CHA may require, through the last day of the preceding calendar month. The Application for Payment shall include, but shall not be limited to, identification of the Phase of the Project, a description of the Basic Services performed and completed and the dates of completion, an itemization of the Reimbursable Expenses, details of the Additional Services performed, if any, the name of the A/E, and the address to which payment should be sent. All
invoices shall be submitted to the CHA’s Accounts Payable Department, 60 E. Van Buren Street, 11th Floor, Chicago, Illinois 60605.

B. **Time of Payment**

Upon the A/E’s proper submission of the Application for Payment, the CHA shall review the Application for Payment and, if the A/E has performed the Services in conformance with the terms of the Agreement and provided all required documentation for the Application for Payment, make payment within sixty (60) days of the CHA's receipt and acceptance of the Application for Payment.

C. **Support of Applications for Payment**

Each Application for Payment shall be supported by the following documentation on forms to be supplied by the CHA:

i. Lien waiver waiving any lien rights against the Project, the Work, Site and any monies payable to the A/E for the entire amount covered by said Application for Payment

ii. Certificates, statements and affidavits showing that the portion of the Services covered by said Application for Payment has been done and material delivered free of liens

iii. Submittal letter, including, without limitation, a billing summary for the Task Order.

iv. Sub-consultants’ trailing and final lien waivers covering all payments received by any sub-consultants of the A/E

v. Detail of any Reimbursable Expenses, with copies of actual receipts/invoices.

vi. Such other documents in form, scope and substance as the CHA shall require

4. **Availability of Funds/Non-Appropriation**

The Funding for the Project described in this Agreement is subject to: (a) availability of federal funds from HUD; (b) the approval of funding by the CHA’s Board of Commissioners; and (c) the A/E’s satisfactory performance of the Services. Furthermore, in the event that no funds or insufficient funds are appropriated and budgeted in any fiscal period of the CHA for payments to be made under this Agreement, then the CHA will notify the A/E of such occurrence and this Agreement shall terminate on the earlier of the
last day of the fiscal period for which sufficient appropriation was made or whenever the funds appropriated for payment under this Agreement are exhausted.

ARTICLE F: CHA’S RESPONSIBILITIES

1. Information

The CHA shall provide information regarding requirements for the Projects, including setting forth the CHA's objectives and schedule. This shall include the CHA's giving notice of work to be performed by the CHA or others not included in the Construction Contract for the Project. The CHA shall also establish and update the Maximum Construction Contract Cost. The A/E, however, shall be responsible for ascertaining and knowing Federal, State, and local requirements and limitations placed on the Project.

2. Notice of Defects

If the CHA observes or otherwise becomes aware of any fault or defect in the Work or nonconformance of the Work with the Construction Contract, the CHA shall give prompt written notice of those faults, defects or nonconformance to the A/E.

3. CHA’s Authorized Representative

The CHA shall designate a representative authorized to act on its behalf with respect to certain aspects of the Projects, this Agreement and the Work. The authorized representative shall examine all documents submitted by the A/E and shall promptly render decisions about those documents so as to avoid unreasonable delays of the progress of the A/E work.

4. Duties to Furnish

The CHA will be, or may be, obligated to provide the A/E the items listed below in this Article F(4).

A. Survey and Property Restrictions

The CHA may provide the A/E with topographic, property line and utility information as and where required. The CHA may, at its election, require the A/E to furnish any of these items as an Additional Service.

B. Existing Conditions

The CHA may provide the A/E with any available "as built" or Record Drawings of the Improvements, architect surveys, test reports, and any other written information that it may have in its possession and that it might reasonably assume
affects the A/E’s performance of its Services or the Contractor’s performance of the Work.

C. Waivers

The CHA may provide the A/E with any information it may have obtained regarding waivers of local codes, ordinances, regulations or standards affecting the design of the Project.

D. Minimum Wage Rates

The CHA shall provide the A/E with the schedule of minimum wage rates approved by the U.S. Secretary of Labor (if necessary for completion of Bidding and Contract documents).

E. Tests

When expressly agreed to in writing by both the CHA and the A/E, the CHA shall provide the A/E with all necessary structural, mechanical, chemical or other laboratory tests, inspections and reports required to be performed by an independent testing agency for design of the Project.

F. Bidding and Contract Document Terms

The CHA or its legal counsel may provide the A/E with required text to be incorporated into the Bidding and Contract Documents.

ARTICLE G: CONTRACT ADMINISTRATION

1. Prohibition against Assignment

The A/E shall not assign this Agreement, in whole or in part, or its interest therein, nor subcontract its obligations to perform any of the Services required to be performed hereunder, without the prior written notice to and consent of the CHA. Such consent shall not be unreasonably withheld when such assignment is for financing the A/E performance.

2. Ownership of Documents

All Deliverables and other materials prepared pursuant to this Agreement and the Task Orders issued hereunder are and shall be the property of the CHA from the time of their conception and shall be delivered to the CHA within fifteen (15) business days following the termination or completion of the A/E Services performed under a Task Order or upon CHA’s request. The A/E shall have no claim for further employment or additional compensation as a result of the exercise by the CHA of its full rights of Ownership of such
documents. It is understood, however, that the A/E does not represent such documents to be suitable for re-use on any other project or for any other purpose. If the CHA re-uses the Deliverables or any other materials prepared pursuant to this Agreement without the A/E’s written verification, such re-use will be at the sole risk of the CHA and without liability to the A/E.

3. Confidentiality

The A/E agrees that all Deliverables and other documents and information prepared, assembled, received, reviewed or encountered by it pursuant to this Agreement (“Confidential Information”) are to remain confidential and to be used solely for the purposes of meeting the objectives of this Agreement. The A/E agrees that such Confidential Information shall not be made available to any individual or organization other than the CHA, HUD, or courts of competent jurisdiction or administrative agencies, pursuant to a subpoena, without the prior written approval of the CHA. In the event the A/E is presented with a subpoena regarding any such Confidential Information which may be in the A/E’s possession by reason of this Agreement, the A/E must immediately give written notice to the CHA’s Chief Executive Officer and Chief Legal Officer with the understanding that the CHA will have the opportunity to contest such process by any means available to it before the Confidential Information is submitted to a court or other third party. The A/E, however, is not obligated to withhold the delivery of such Confidential Information beyond the time ordered by the court or administrative agency, unless the subpoena or request is quashed or the time to produce is otherwise extended.

4. Substitutions

A. Identification of Key Personnel

The A/E’s principals and key professional level employees are identified in Exhibit D, which is attached hereto and incorporated by reference herein.

B. Notice to the CHA; Approval

The A/E personnel identified in Exhibit D are essential to the delivery of the Services required under this Agreement. Prior to diverting, substituting, or changing the level of participation in the performance of the Services of any of the personnel identified in Exhibit D, or any professional level employees assigned to a particular Task Order, the A/E shall give the CHA advance written notice of its intent to divert, substitute, or change the level of participation in the Services of such personnel, together with a justification of such decision and proposed substitutions, in sufficient detail to permit evaluation of the impact on the Services provided pursuant to this Agreement. Upon receipt of the CHA’s written approval, which approval shall not be unreasonably withheld, conditioned, or delayed, the A/E may substitute such essential personnel.
5. **Suspension**

CHA may give written notice to the A/E to suspend work on a Project, or any part thereof, at any time during the performance of a Task Order issued under this Agreement. The CHA shall not be obligated to consider a claim for additional compensation if the A/E is given written notice to resume work within one hundred twenty (120) calendar days after receipt of the written notice of suspension. If the CHA does not deliver such written notice to resume work to the A/E within such time period, the A/E shall be entitled to an equitable adjustment in compensation but shall not be entitled to terminate this Agreement.

6. **Subcontracts**

The A/E will cause all applicable provisions of this Agreement to be inserted in all its subcontracts.

7. **Disputes**

In the event of a dispute arising under this Agreement, the A/E shall notify the CHA’s Contracting Officer in writing within thirty (30) calendar days of the first knowledge or observation of the injury, damage, or incident that is the basis of such dispute and shall submit a detailed claim setting forth the nature of the dispute and the relief sought. The CHA shall respond to the claim in writing within thirty (30) calendar days of receipt thereof. The A/E shall continue to perform all Services under this Agreement during resolution of any such dispute in accordance with the terms of this Agreement and the instructions of the CHA; provided, however, that such compliance shall not constitute a waiver of the A/E’s rights to make such a claim. Any dispute not resolved by this procedure may be determined by a court of competent jurisdiction or, by agreement of the CHA and A/E, through other dispute resolution methods.

8. **Termination for Default; Cure; Termination for Convenience; Right of Offset**

A. **Termination for Default**

The CHA may, upon written notice to the A/E given in accordance with the notice provisions in Article I (9) below, without prejudice to any other rights or remedies of the CHA, terminate this Agreement in its entirety, or the A/E’s right to proceed with a specific Task Order, for default, if one or more of the following defaulting events (each, a “Defaulting Event”) occurs:

i. The A/E makes any material misrepresentation, whether negligent or willful and whether in the inducement or in the performance, to the CHA;

ii. The A/E files for, or is forced by creditors into a suit for, bankruptcy or any other action in insolvency;

iii. The A/E makes a general assignment for the benefit of its creditors;
iv. A trustee is appointed for the A/E on account of its insolvency;

v. The A/E fails to maintain and/or renew insurance coverages and bonds required under this Agreement;

vi. The A/E fails to pay sub-consultants within ten (10) days after receipt of payment from the CHA for such expenses or invoices;

vii. The A/E suspends diligent prosecution of a Project or abandons a Project for ten (10) or more days;

viii. The A/E does not prevent the imposition of liens on a Project, within the reasonable control of the A/E;

ix. The A/E makes any material misrepresentation of the representations and certifications it is required to make pursuant to this Agreement, whether intentional or not;

x. A loss time injury or death occurs in which an OSHA penalty is assessed under any circumstances caused by the A/E or for which the A/E is responsible;

xi. The A/E violates or is in material breach of any provision of this Agreement, including, but not limited to, the provisions concerning compliance with federal, state and local laws and regulations, including, but not limited to, HUD regulations and all insurance and nondiscrimination requirements;

xii. Kickbacks of employee wages, subcontractor, consultant or vendor payments or any other payment to the A/E, or its respective principals, superintendents, or employees occur; or

xiii. The A/E or its sub-consultants fail to pay prevailing wages or Davis-Bacon wages (if applicable), inaccurately certify payrolls, or miscategorize an employee’s job classification.

xiv. The A/E acts or fails or to act in a manner which is expressly stated in this Agreement as constituting a Defaulting Event and/or as giving the CHA the right to terminate this Agreement.

B. Cure; CHA’s Election; Remedies Cumulative

i. In the event the CHA delivers such notice of termination for default to the A/E, the A/E will have thirty (30) days to cure such default to the satisfaction of the Contracting Officer of the CHA. The determination of the CHA’s Contracting Officer shall be final with respect to whether such cure was satisfactory and complete.
ii. In the event the CHA’s determination regarding a termination for default is reversed or found to be a wrongful termination on appeal, in alternative dispute resolution, or in a court of law, the termination for default shall become a termination for convenience and the A/E’s exclusive remedy shall be those provided with respect to a termination for convenience.

iii. In the event the CHA terminates this Agreement or a Task Order issued hereunder for default, the CHA may take over the performance of the Project and execute it to completion, by contract or otherwise, and the A/E and its insurers shall be liable for any excess cost occasioned to the CHA. In any such case, the CHA may take possession of and use any of the A/E materials, equipment and/or drawings, Plans and Specifications, or other work product as may be necessary to properly complete the Project, if it is determined that delay in completion of the performance thereof, whether or not for reasons beyond the control of the A/E or any of its sub-consultants, is detrimental to the interests of the CHA.

iv. If a Defaulting Event occurs, as enumerated in Article G(8)(A) above, if the CHA considers it to be in its best interest, it may elect not to declare a default of this Agreement or terminate this Agreement or a Task Order issued hereunder. The parties acknowledge that this provision is solely for the benefit of the CHA and that if the CHA permits the A/E to continue to provide the Services, despite one or more Defaulting Event, the A/E shall in no way be relieved of any of its responsibilities, duties or obligations under this Agreement nor shall the CHA waive or relinquish any of its rights hereunder.

v. The CHA’s right to terminate this Agreement is not intended to be exclusive of any other remedies provided, but each and every remedy shall be cumulative and shall be in addition to any other remedies, existing now or hereafter, at law, in equity or by statute. The CHA shall not be prohibited from pursuing such right to terminate this Agreement, regardless of the CHA’s delay in, or failure to exercise any right that accrues upon a Defaulting Event, or acquiescence therein, and every such right may be exercised from time to time and as often as may be deemed expedient, at the sole discretion of the CHA.

C. Termination for Convenience

The CHA may, upon written notice to the A/E in accordance with the notice provisions in Article I(9) below, without prejudice to any other rights or remedies of the CHA, terminate the A/E’s right to proceed with a Project for convenience if:

ii. The A/E is terminated for default on any other contract with the CHA;

iii. The A/E is debarred from any other Federal, State of Illinois, or City of Chicago procurement activity or contract during the term of this Agreement;

vii. The A/E fails to maintain a “drug free” workplace; or

viii. The A/E fails to provide accurate and timely reports, to update the CHA on the progress of a Project, or to communicate with the CHA as requested;

ix. CHA no longer deems it in the CHA’s best interest to continue with this Agreement.

D. Choice of Termination Provisions

It is the CHA’s exclusive right to determine use of the termination for default or termination for convenience provision of this Agreement.

E. Right to Offset

In the event the A/E is in default under this Agreement, the CHA shall have the right to offset any amounts due to the CHA as the result of any such default against any amounts owed by the CHA to the A/E for Services rendered pursuant to this Agreement.

9. A/E’s Termination Claims

A. Right of Termination

The CHA may terminate this Agreement, in whole or in part, pursuant to the provisions in Article G(8) above. Any such termination shall be effected by delivery to the A/E of a Notice of Termination specifying the extent to which performance
of Services under this Agreement is terminated and the effective date of such termination.

B. Termination Claim

Upon termination of this Agreement or a Task Order pursuant to Article G(8)(C), the A/E’s claim shall be limited to the sum of the following:

i. Payment for Services, not theretofore paid, completed in compliance with this Agreement through the date of the Notice of Termination; and

ii. The cost of settling or otherwise liquidating any claims arising out of the termination of any subcontracts or orders for materials and the costs of performing those actions required under Subparagraph G(9)(C)(iii) below.

In arriving at the amount due the A/E under this Article G(9)(B), there shall be deducted (i) all unliquidated advances or other payments on account previously made to the A/E, applicable to the terminated portion of this Agreement, if any; (ii) any claim which the CHA, directly or indirectly, may have against the A/E in connection with this Agreement, including, without limitation, claims arising as a result of any violation of any provision of this Agreement; and (iii) any other matter to be reconciled between the parties.

C. The A/E’s Responsibility upon Termination

After receipt of a Notice of Termination, and except as otherwise directed by the CHA in the Notice of Termination, the A/E shall:

i. Stop work under this Agreement immediately upon receipt of the Notice of Termination;

ii. Place no further orders for materials or supplies or subcontract for materials, services, or facilities;

iii. Terminate all orders and subcontracts to the extent that they relate to the performance of the Services terminated by the Notice of Termination immediately upon receipt of the Notice of Termination;

Within five (5) days after A/E’s receipt of the Notice of Termination, assign to the CHA, in the manner, at the times, and to the extent directed by the CHA, all of the rights, title, and interest of the A/E under the orders and subcontracts so terminated, in which case the CHA shall have the right, in its discretion, to settle or pay any or all claims arising out of the termination of such orders and/or subcontracts.
Subject to Subparagraph G(9)(C)(iv) above, settle all outstanding liabilities and all claims arising out of such termination of orders and subcontracts with the approval of the CHA within ten (10) days after receipt of the Notice of Termination;

Complete performance of such portion of the Services as shall not have been terminated by the Notice of Termination within the time period specified on the Schedule included in the Task Order or in such Notice of Termination.

Take such action as may be necessary, or as the CHA may direct, for the protection and preservation of any of the Deliverables in the possession of the A/E or any of the A/E’s sub-consultants.

The insurance policies shall provide for thirty (30) days prior written notice to be given to the CHA in the event coverage is substantially changed, canceled or non-renewed.

v. The Authority in no way warrants that the minimum limits contained herein are sufficient to protect the authority from liabilities that might arise out of the performance of the work under this Agreement by the A/E or its subcontractors. A/E shall assess its own risks and, if it deems appropriate and/or prudent, maintain higher limits and/or broader coverages. The A/E is not relieved of any liability or other obligations assumed or pursuant to the Agreement by reason of its failure to obtain or maintain sufficient insurance. If the A/E maintains broader coverage and/or higher limits than the minimum requirements, CHA requires and shall be entitled to the broader coverage and/or the higher limits maintained by the A/E. 11. Indemnification; CHA’s Defense; Hold Harmless

A. Indemnification

To the fullest extent permitted by law, the A/E agrees to indemnify the CHA, its respective Commissioners, board members, officers, directors, agents, employees, vendors, invitees and visitors for any and all physical or non-physical injury to any person, including loss of human life and/or damage to property, arising from the Services performed or to be performed under this Agreement, including Additional Services, to the extent caused by A/E’s negligence, willful misconduct, errors or omissions. The A/E’s indemnification obligations arising hereunder include,
without limitation, any and all liabilities, losses, penalties, damages, settlements, environmental liability, costs, charges, professional fees (including reasonable costs of investigation, reasonable attorneys’ fees and other legal expenses) or other expenses or liabilities of every kind, nature and character arising out of or relating to any and all claims, liens, demands, obligations, actions, suits, judgments or settlements, proceedings or causes of action (collectively, “Claims”), including the enforcement of this indemnification provision. The indemnities contained herein shall survive the termination of the Agreement.

B. Hold Harmless

The A/E shall be responsible for any and all physical or non-physical injury to any person, including loss of human life and/or damage to property arising from the Services, including Additional Services, performed or to be performed under this Agreement, to the extent caused by A/E’s negligence, willful misconduct, errors, or omissions, and shall hold the CHA, its respective Commissioners, board members, officers, directors, agents, employees, vendors, invitees and visitors harmless from any and all loss or damage from such injury, damage or death.

C. CHA’s Defense

The A/E further agrees to investigate, handle, respond to, provide defense for and defend all suits for any and all Claims included in this indemnification provision at its sole expense, and agrees to bear all other costs and expenses related thereto, even if the Claims are considered groundless, false or fraudulent. The CHA shall have the right, at its option and at the A/E’s expense, to participate in the defense of any suit, without relieving the A/E of any of its obligations under this indemnity provision. The A/E expressly understands and agrees that the requirements set forth in this indemnity to protect, defend, indemnify, keep, save and hold the CHA free and harmless are separate from and not limited by the A/E’s responsibility to obtain, procure and maintain insurance pursuant to this Agreement.

12. Retention of Rights

Neither the CHA’s review, approval or acceptance of the Services required under this Agreement, nor the CHA’s payment for such Services, shall be construed to operate as a waiver of any rights under this Agreement or of any cause of action arising out of the A/E’s performance or failure of performance under this Agreement, and the A/E shall be and remain liable to the CHA in accordance with the applicable laws for all damages to the CHA caused by the A/E’s negligent performance of any of the Services furnished under this Agreement. This Agreement does not restrict or limit any rights or remedies otherwise afforded the CHA or the A/E by law.
ARTICLE H: ADDITIONAL REQUIREMENTS

Notwithstanding any other term or condition of this Agreement, any settlement or equitable adjustment due to termination, suspension or delays by the CHA shall be negotiated based on the cost principles stated in the federal regulations at 48 CFR Subpart 31.2 and conform to the contract pricing provisions of 2 CFR 200.323.

2. Cost Analysis for Additional Services

The CHA shall perform a cost or price analysis, as required by federal regulations [2 CFR 200.323], prior to the issuance of a modification of a Task Order for Additional Services. Such Additional Services shall be within the general scope of services covered by the Task Orders issued hereunder. The A/E shall provide supporting cost information in sufficient detail to permit the CHA to perform the required cost or price analysis.

3. Restrictive Plans and Specifications

In accordance with 2 CFR 200.319(c)(1) and contract agreements between the CHA and HUD, the A/E shall not require the use of materials, products, or services that unduly restrict competition.

4. Design Certification

Where the CHA is required by federal regulations to provide HUD an A/E certification regarding the design of the Project, the A/E shall provide such a certification to the CHA.

5. Retention and Inspection of Records

Pursuant to federal regulations [2 CFR 200.333 and 2 CFR 200.336], the A/E shall grant the CHA, HUD, the Comptroller General of the United States, or any of their duly authorized representatives, access to any books, documents, papers, and records of the A/E which are directly pertinent to this Agreement for the purpose of making an audit, examination, excerpts, and transcriptions. All required records shall be retained for three (3) years after the CHA or the A/E and other sub-consultants, as applicable, make final payments and all other pending matters are closed.

6. Copyrights and Rights in Data

Currently HUD regulations pertaining to copyrights or rights in data do not apply to contracts with architects and engineers. However, Article 45 of the General Conditions to the Contract for Construction (HUD Form 5370-A), requires that contractors pay all royalties and license fees. Accordingly, all Plans and Specifications prepared by the A/E pursuant to this Agreement must identify any applicable patents to enable the Contractor to fulfill the requirements of the Construction Contract and the General Conditions thereof.
7. **Conflicts of Interest**

Pursuant to federal regulations [2 CFR 200.318, 2 CFR 200.319] and agreements between the CHA and HUD, no employee, officer, or agent of the CHA (HUD grantee) shall participate in the selection of a contractor, or in the award or administration of a contract supported by Federal funds, if a conflict of interest, real or apparent, would be involved.

CHA’s officers, employees or agents may not solicit or accept gratuities, favors or anything of monetary value from the A/E or the A/E’s sub-consultants, or parties to any other sub-agreements with such parties. The CHA may set minimum standards of conduct where the financial interest is not substantial or the gift is an unsolicited item of nominal intrinsic value. To the extent permitted by State or local law or regulations, such standards of conduct will provide for penalties, sanctions, or other disciplinary actions for violations of such standards by the CHA’s officers, employees, or agents or by the A/E or its agents. The CHA may, within regulation, provide additional prohibitions relative to real, apparent, or potential conflicts of interest.

Neither the CHA nor the A/E, nor any of their sub-consultants shall enter into any contract, subcontract, or agreement, in connection with a Project in which any member, officer, or employee of the CHA, the A/E, or any of their sub-consultants, or any member of the governing body of the locality in which the CHA was activated, or in any other public official of such locality or localities who exercises any responsibilities or functions with respect to the Project during his/her tenure or for one (1) year thereafter has any interest, direct or indirect. If any such present or former member, officer, or employee of the CHA, the A/E, or any of their sub-consultants, or any such governing body member or such other public official of such locality or localities involuntarily acquires or had acquired prior to the beginning of his/her tenure any such interest, and if such interest is immediately disclosed to the CHA and such disclosure is entered upon the minutes of the CHA, the CHA, with the prior approval of the Government, may waive the prohibition contained in this subsection; provided, however, that any such present member, officer, or employee of the CHA shall not participate in any action by the CHA relating to such contract, subcontract, or arrangement.

No member, officer, or employee of the CHA, no member of the governing body of the locality in which the Project is situated, no member of the governing body of the locality...

CHA requires, for Task Orders in excess of $200,000, that A/Es expend 3% of the total Task Order price, inclusive of all modifications and amendments, for contract participation by Section 3 Business Concerns. This commitment may be met through direct participation of private managers, developers, subcontractors, suppliers and/or consultants. Direct participation refers to the utilization of firms in the performance of this contract as follows:

   1. The A/E’s status as a Section 3 Business;
   2. A joint venture with one or more Section 3 Businesses on a Task Order; or

C. Documenting and Reporting

The A/E and its subcontractors shall provide all required compliance data with respect to A/E’s utilization of MBE/WBE and Section 3 Business Concerns to the CHA via CHA’s electronic system available at https://cha.diversitycompliance.com/. The Contractor and its subcontractors shall be responsible for responding to any requests for data or information by the noted response due dates and shall check the electronic system on a regular basis to manage contact information and contract records. Notwithstanding the foregoing, Federal wage determinations (either Davis-Bacon or HUD-Determined Wage Rates) shall preempt any conflicting State prevailing wage rate or the Minimum Wage Requirement when the State prevailing wage rate or the Minimum Wage Requirement is higher than the Federally-imposed wage rate (24 CFR 965.101).

15. **Prohibition Against Liens**

The A/E is prohibited from placing a lien on the CHA’s property, including, but not limited to, the Improvements and the Site. This prohibition shall be placed in all A/E subcontracts.
