MINUTES OF THE REGULAR MEETING

OF THE

COMMISSIONERS OF THE CHICAGO HOUSING AUTHORITY

April 16, 2002

The Commissioners of the Chicago Housing Authority held its Regular meeting on Tuesday, April 16, 2002 at 8:30 a.m. at Altgeld Murray Community Building, located at 951 East 132nd Street in Chicago.

The meeting was called to order by the Chairperson, and upon roll call, those present and absent were as follows:

Present:  Sharon Gist Gilliam
          Hallie Amey
          Dr. Mildred Harris
          Sandra Young
          Mamie Bone
          Earnest Gates
          Michael Ivers

Absent:  Leticia Peralta Davis

Also present were Terry Peterson, Chief Executive Officer; Gail Niemann, General Counsel; Chicago Housing Authority Staff Members and the General Public.

There being a quorum present, the meeting duly convened and business was transacted as follows:

The Chairperson convened the Public Hearing portion of the meeting by inviting residents and the public at large to address the Board.

Immediately following the Public Hearing Session, Terry Peterson, Chief Executive Officer, presented his monthly report. Mr. Peterson then provided the public with a detailed report on One-Strike law. According to Mr. Peterson, a recent ruling by the U.S. Supreme Court upheld one-strike laws in public housing agencies throughout the country. Per Mr. Peterson, the one-strike law is very clear: if you are engaged in any criminal activity, you will lose your right to live in public housing. Mr. Peterson informed the Commissioners that with the help of the Chicago Police, resident leaders and tenants working side-by side, he will continue to work hard to eliminate the criminal activity throughout the CHA. Mr. Peterson concluded his report by saying that the one-strike law remains one of CHA’s most effective tools in providing a safe environment for law-abiding resident and that the existing CHA process was negotiated with resident leaders as well as their attorneys to ensure that the process was both fair and compassionate.

A motion was then introduced and seconded to adjourn to Executive Session. The Chairperson announced that pursuant to the Open Meetings Act, 5 ILCS 120/2, the Board would adjourn for approximately one (1) hour to discuss pending, probable or imminent litigation, collective negotiating matters, security and personnel matters.
The Commissioners subsequently reconvened in Open Session and Chairperson Gilliam thereupon introduced a motion to approve the Minutes for January 15, 2002 and for February 19, 2002. The Minutes for both meetings were unanimously approved.

Chairperson Gilliam thereupon introduced a motion to approve the Resolutions discussed in Executive Session.

As part of the CHA’s administration of this grant, research was conducted with CHA residents to determine the best strategies for communicating CHA information to residents. Cable television was identified as one of the most effective approaches for reaching CHA residents and the Chicago area public. The CHA proposed to contract with Fries Frame Productions for the development and production of a CHA Cable Show because of Fries skill specialization in the development of cable media communication, extensive experience in producing life quality, city focus, magazine style shows, and ethnic media communication strategies. (Item B1) The resolution for Item B1 approves Contract Modification No. 4 for K.R. Miller Contractors for repairs and improvements at Albany Terrace Apartments located at 3030 W. 21st Place. This change order is necessary due to owner requested changes, design corrections and certain concealed deterioration and field conditions which could not have been reasonable determined at the time of contract document preparation. The new not-to-exceed total contract amount will be $11,650,544.48. The time for completion of work under the contract will remain unchanged.

Commissioner Harris abstained from voting on Item B1.

(Item B2)
In February 2002, the CHA issued a Request For Proposal (RFP) seeking qualified vendors to supply CHA’s gas requirements. Eighteen firms received RFP’s, fifteen firms were solicited directly and three requested the solicitation. Two of the firms who received the proposals were MBE/WBE certified. Of the two responses received, People’s Energy Services Corporation, a non-regulated affiliate of Peoples Energy Corporation, was deemed the most responsive and responsible. The resolution for Item B2 approves award of contract to Peoples Energy Services based on an anticipated consumption of 68,000,000 therms for the period of May 1 thru December 31, 2003.

RESOLUTION NO. 2002-CHA-44

(Item B5)
In June 2000, the Board awarded six contracts for Construction Management Services with different firms two of whom were Tishman and Turner Construction. Shortly after commencement of construction management work, Turner’s contract for 16 senior buildings was terminated. Since various construction activities were underway, it was determined to assign 10 of Turner’s buildings to Tishman, in order to continue progress on the Capital Improvement Program and meet the CHA’s timetable for completion. Tishman accepted the additional buildings and has incurred additional costs for services performed in excess of its originally assigned portfolio. Accordingly, the resolution for Item B5 approves modification of Tishman’s contract.

In December 2001, the Board approved Resolution No. 2001-CHA-192 which modified and increase the cumulative not-to-exceed amount of four construction management contracts with Tishman Construction, Gilbane Construction, Jones/Brown and Momen and Pacific Construction. Upon further review, by CHA management staff, of the four contracts and of HUD procurement regulations, it was determined that it would be in CHA’s best interest to terminate these contracts upon their July 30, 2002 expiration date. The resolution for Item B3 therefore rescinds Board Resolution No. 2001-CHA-192 adopted by the Board in December 2001.

RESOLUTION NO. 2002-CHA-46
WHEREAS, the Board of Commissioners has reviewed the Board Letter dated April 4, 2002 entitled “Rescission of Board Resolution No. 2001-CHA-192 authorizing amendment of four Construction Management Services contracts”.

Mamie Bone

Nays: None

There being no questions or discussion, the Chairperson thereupon declared said motion carried and said resolution adopted.

With regards to Item B4, as presented on the original Agenda, Commissioner Gates requested that this Item be voted upon as two separate items since the existing Resolution contained two different matters that needed to be reconsidered independently of each other.

(Item B4(a))
In June 2000, the Board approved award of six contracts (Pacific Construction, Tishman Construction, Gilbane Construction, Jones/Brown Environmental, Globetrotters Engineering, and Turner Construction) for construction management services for a cumulative not-to-exceed amount of $10,293,000. Due to an administrative error, the $10,293,000 funding requested, only provided one-half of the amount necessary to fund the intended two-year term of the contracts. In order to fulfill the intended purpose of the contracts, the resolution for Item B4(a) approves reconsideration of the six contracts’ not-to-exceed amounts.
RESOLUTION NO. 2002-CHA-47A

WHEREAS, the Board of Commissioners has reviewed the Board Letter dated April 5, 2002 entitled, “Request for Reconsideration of Board Resolution No. 2000-CHA-108”.

THEREFORE, BE IT RESOLVED BY THE CHICAGO HOUSING AUTHORITY

(Item B4(b))
The corrected funding amount to cover the two-year base term of the intended contracts mentioned in Item B4(a) is $20,568,000. The Resolution for Item B4(b) corrects Resolution No. 2000-CHA-108 and authorizes the Chief Executive Officer or his designee to fund the second year of the two-year base contracts.

RESOLUTION NO. 2002-CHA-47B

WHEREAS, the Board of Commissioners has reviewed the Board Letter dated April 5, 2002 entitled, “Request to Correct Resolution No. 2000-CHA-108 and to Authorize Revision of Existing Construction Management Services Contracts”.

Commissioner Amey then introduced an Omnibus Motion for the adoption of the resolutions for Items C1 through C4 discussed, voted and recommended by the Finance Committee for Board approval:

(Item C1)
The Authority is required to submit for approval by the Board, a balanced annual Comprehensive Budget detailing each of its funding sources. The impact of this budget revision resulted in the following changes: Total revenue and associated expenditures in the General Fund increased by $18,552,705 due to the rollover of unspent Capital funds; total revenue and associated expenditures in PHDEP Funds increased by $599,932 due to the rollover of unspent Grant funds from FY2001 and total revenue and associated expenditures in other Grants increased by $355,401 due to unspent Grant Funds. The estimated sum of all revenues for FY2002 and the amount of the FY2002 Fund Balance available for appropriation, is equal to the estimated sum of all expenditures to be made or incurred during the fiscal year and the amount of all unpaid liabilities at the beginning of FY2002.

RESOLUTION NO. 2002-CHA-48

WHEREAS, the Board of Commissioners has reviewed the Board letter, entitled APPROVAL OF THE REVISED 2002 COMPREHENSIVE BUDGET, dated March 15, 2002, it is now appropriate for the Board to adopt a Revised Comprehensive Budget for the Year 2002.

THEREFORE, BE IT RESOLVED BY THE CHICAGO HOUSING AUTHORITY

THAT, the Board of Commissioners for the Chicago Housing Authority, hereby approves the attached budget amendments, “APPROVAL OF THE REVISED 2002 COMPREHENSIVE BUDGET”, and finds with respect to said Budget:

1. that the proposed expenditures are necessary for the efficient and economical operation of the Chicago Housing Authority for the purpose of serving low-income families;
2. that the financial plan is reasonable in that it indicates funding sources adequate to cover all proposed expenditures, and does not provide for use of Federal funding in excess of that payable under the provisions of the applicable Federal regulations; and
3. that all proposed rental charges and expenditures will be consistent with provisions of law and the Annual Contributions Contract in accordance with the Moving To Work Demonstration Agreement of the Chicago Housing Authority with the U.S. Department of Housing and Urban Development.

THAT, the Chief Executive Officer and Chief Financial Officer are authorized to execute and forward to the U.S. Department of Housing and Urban Development all necessary budget documents and supporting information when applicable.

(Item C2)
HUD uses the Performance Funding System (PFS) to determine a public housing authority’s eligibility for an operating subsidy. The PFS is applicable to all public housing authority owned units under the Annual Contributions Contract. The CHA is required to submit a PFS Calculation detailing the total operating subsidy for fiscal year 2002. Based on the formula established by HUD as a part of the Moving-to-Work Demonstration Agreement, the CHA should request the operating subsidy in the amount of $182,172,937. The resolution for Item C2 approves the PFS Calculation and authorizes submittal to HUD.

RESOLUTION NO. 2002-CHA-49

WHEREAS, The Board of Commissioners has reviewed the Board Letter dated March 15, 2002 requesting authorization to submit FY2002 Performance Funding System Calculation to the Department of Housing and Urban Development and approval of the FY2002 Performance Funding System Performance Calculation;

THAT, the Board of Commissioners approves the FY2002 Performance Funding System Calculation and authorizes the Chief Executive Officer or his designee to execute and submit the Performance Funding System Calculation and all necessary related documents to the U.S. Department of Housing and Urban Development.

(Item C3)
The CHA anticipates entering into development agreements with major real estate companies to design, construct and manage its newly redeveloped, mixed income residential communities consisting of approximately 33% market rate rental, 33% affordable units and 33% public housing units. In an effort to achieve these goals, the Authority advertised and solicited proposals for financial advisory services to assist in evaluating and structuring mixed finance transactions in order to facilitate the development of diverse communities on CHA-owned land. The Request for Proposal was mailed to thirty seven prospective respondents, which included thirteen M/WBE firms. Of the ten responses received, the evaluation committee selected four finalists based on their respective qualifications and experience. The resolution for Item B3 approves award of contract to the four named contractors.
