STATEMENT OF PURPOSE

The purpose of Section 3 of the Housing and Urban Development Act of 1968 (12 U.S.C. 1701u) ("Section 3") is to ensure that employment and other economic opportunities generated by certain HUD financial assistance shall, to the greatest extent feasible, and consistent with existing Federal, State and local laws and regulations, be directed to low- and very low-income persons, particularly those who are recipients of government assistance for housing, and to business concerns which provide economic opportunities to low- and very low-income persons.

The CHA strives to extend services to as many residents as possible as well as to provide targeted services to residents at critical milestones in their lives. The recalibrated Section 3 program will support economic self-sufficiency and entrepreneurship among low-income families.

The CHA entered into a Voluntary Compliance Agreement with HUD on March 8, 2013. The VCA's benchmarks for compliance and reporting are incorporated in this revised Section 3 Policy.

DEFINITIONS

Contractor means any entity which contracts to perform work generated by the expenditure of Section 3 covered assistance, or for work in connection with a Section 3 covered project.

Housing Choice Voucher Participant (participant family) means a family that has been admitted to the PHA program and is currently assisted in the program. The family becomes a participant on the effective date of the first HAP contract executed by the PHA for the family (first day of initial lease term).

Private Property Management Company means any entity that has contracted with the CHA to manage, operate or oversee a physical property or a dwelling owned or held by the CHA, including mixed finance developments.

Recipient means any entity which receives Section 3 covered assistance, directly from HUD or from another recipient and includes, but is not limited to, any State, unit of local government, PHA, IHA, Indian tribe, or other public body, private or public nonprofit organization, private agency or institution, mortgagor, developer, limited dividend sponsor, builder, property manager, community housing development organization, resident management corporation, resident council, or cooperative association. Recipient also includes any successor, assignee or transferee of any such entity, but does not include any ultimate beneficiary under the HUD program to which Section 3 applies, and does not include contractors.

Regulations means, unless specified otherwise, the implementing regulations for Section 3 at 24 CFR 135.

Section 3 Clause means the contract provisions set forth in 24 CFR 135.38.

Section 3 Covered Activity means any activity which is funded by Public and Indian housing assistance.

Section 3 Covered Assistance, with respect to public housing authorities, means HUD assistance to which the obligation to provide training, employment, contracting and other economic opportunities under Section 3 apply, including: 1) Public and Indian housing development assistance provided pursuant to Section 5 of the 1937 Act; 2) Public and Indian housing operating assistance provided pursuant to Section 9 of the 1937 Act; 3) Public and Indian housing modernization assistance provided pursuant to Section 14 of the 1937 Act; and 4) any other HUD funds, regardless of the HUD program, utilized for the operation, modernization or rehabilitation of public housing properties or developments as defined under those statutes.

Section 3 covered contract means a contract or subcontract (including a professional service contract) awarded by a recipient or contractor for work generated by the expenditure of Section 3 covered assistance, or for work arising in connection with a Section 3 covered project. "Section 3 covered contracts" do not include contracts for supplies and materials. However, whenever a contract includes the installation of the materials, the contract constitutes a Section 3 covered contract.

Section 3 Resident means 1) a public housing resident, or 2) an individual who resides in the metropolitan area or nonmetropolitan county in which the Section 3 covered assistance is expended, and who is a low-income person (defined to mean families, including single persons, whose income does not exceed 80 percent of the median income for the area as determined and adjusted by HUD), or a very low-income person (defined to mean families, including single persons, whose income does not exceed 50 percent of the median family income for the area as determined and adjusted by HUD).

Section 3 Business Concern means a business concern 1) that is 51 percent or more owned by Section 3 residents; or 2) whose permanent, full-time employees include persons, at least 30 percent of whom are currently Section 3 residents, or within three years of the date of first employment with the business concern were Section 3 residents; or 3) that provides evidence of a commitment to subcontract in excess of 25 percent of the dollar award of all subcontracts to be awarded to business concerns that meet the qualifications set forth in paragraphs (1) or (2) in this definition of *Section 3 business concern*.

Subcontractor means any entity (other than a person who is an employee of the contractor) which has a contract with a contractor to undertake a portion of the contractor's obligation for the performance of work generated by the expenditure of Section 3 covered assistance, or arising in connection with a section 3 covered project.

SECTION 3 COMPLIANCE REQUIREMENTS

Schedule B – Section 3 Utilization Plan (“Schedule B”) allows Prime Contractors to outline organized and precise Section 3 utilization plans. The Schedule B aligns with the Section 3 requirements for hiring, contracting and offering other economic opportunities. It is the responsibility of Recipients, Prime Contractors and Subcontractors to attain and maintain Section 3 compliance.

OVERVIEW

The first three pages of the Schedule B outline the Section 3 requirements for hiring, contracting and offering other economic opportunities as set forth in 24 CFR 135 and provide detailed instructions regarding the correct completion of the Schedule B. Prime Contractors must acknowledge that they have read and understand the Section 3 requirements by signing page 3 of 11 of the Schedule B. If the Schedule B is not signed or is otherwise incomplete, the proposal or bid may be deemed non responsive.

In addition to acknowledging the first three pages of the Schedule B containing information and instructions, Prime Contractors must sign and notarize the Schedule B on page 11 of 11. The Schedule B must be approved by CHA’s Compliance Manager and, if Other Economic Opportunities are proposed, the Schedule B must also be approved by the Section 3 Administrator. Prime Contractors are bound by its Schedule B and any changes to the Schedule B must receive CHA approval.

The Schedule B is required for all construction and professional service contracts, including task orders.

PART I: HIRING

The Section 3 Regulations provide that Recipients, their Prime Contractors and any Subcontractors demonstrate compliance by employing Section 3 Residents as 30 percent of the aggregate number of New Hires. A Prime Contractor or Subcontractor is required to hire only when a New Hire is needed to perform the work. The CHA will monitor projects that indicate no need to hire. Prime Contractors and Subcontractors are required to work with the CHA to meet this Section 3 hiring goal. To that end, CHA will provide to Prime Contractors and Subcontractors, in the order of CHA’s Section 3 hiring preference outlined on page 7, names and contact information of qualified Section 3 Residents.

A Prime Contractor must outline its hiring plan by completing two charts. The first chart requires the Prime Contractor to provide information regarding the current workforce of the Prime Contractor and its Subcontractors, including the total number of existing Section 3 employees. The second chart requires the Prime Contractor to provide information regarding proposed Section 3 New Hires of the Prime Contractor and its Subcontractors. The CHA utilizes the two charts to determine whether the Prime Contractor is meeting its hiring requirements.

Specifically, the CHA identifies the total number of Section 3 New Hires, as well as the aggregate percentage of New Hires, to ensure compliance.

A Prime Contractor must utilize CHA's hiring system in order to fill any open Section 3 positions. The hiring system will automatically filter applicants to the Prime Contractor in order of preference, per HUD and this policy. The Prime Contractor, and any Subcontractors with a Section 3 hiring commitment, must complete their job posting through CHA's online hiring system. All new hires will be tracked through CHA's online hiring system and all new hires must be secured using this online system, which is used to assist the CHA to connect qualified applicants with Prime Contractors and Subcontractors.

If a New Hire is needed and a Section 3 Resident is identified to be hired, that Section 3 Resident must self-certify that he or she is a Section 3 Resident. HUD may audit self-certifications completed by Section 3 Residents to verify Section 3 Resident status. The CHA will also audit Section 3 Resident self-certifications as needed or when a self-certification is flagged through CHA's internal Section 3 Complaint form. If a person falsely self-certifies as a Section 3 Resident, the CHA may debar him or her from working as a Section 3 Resident on future Section 3 covered contracts.

The CHA requires Prime Contractors for building trades work for maintenance, repair, modernization or development ("construction") to submit payroll and hiring reports on a weekly basis. The CHA utilizes these payroll and hiring reports to monitor compliance with the numerical goals for the employment of Section 3 Residents, as set forth in 24 CFR 135.30(b).

The CHA shall conduct site visits to monitor compliance with Section 3 hiring goals. Fulfilling the hiring requirements for Prime Contractors and Subcontractors cannot be applied to the hiring practices of Section 3 Business Concerns.

Part II: CONTRACTING

The CHA's Section 3 contracting goals apply to all contracting and subcontracting needs generated by Section 3 Covered Activities. Recipients, Prime Contractors and any Subcontractors must award at least 10 percent of the total dollar amount of construction contracts to qualifying Section 3 Business Concerns. For all other contracts ("non-construction"), Recipients, Prime Contractors and any Subcontractors must award at least 3 percent of the total dollar amount to qualifying Section 3 Business Concerns.

The CHA does not certify Section 3 Business Concerns. Businesses that have reviewed the definitions and qualifications of a Section 3 Business Concern (24 CFR 135.5) and meet the criteria for self-certification as a Section 3 Business Concern, are required to self-certify to HUD through CHA's Section 3 Business Concern Registry. The Section 3 Business Concern will be added to the Section 3 Business Concern Registry ("Registry"), which is maintained by the CHA. A Prime Contractor or Subcontractor that desires to contract with a Section 3 Business Concern can conduct a search of the Section 3 Business Concerns listed in the Registry. Any Section 3

Business Concern outlined on the Schedule B must be self-certified in the CHA Registry prior to the start of the contract.

HUD has access to the CHA Registry and will conduct audits as necessary. If the CHA has reason to believe that any Section 3 Business Concern on the Registry has provided a false certification of Section 3 eligibility, the CHA shall promptly inform HUD of the alleged false certification. In the event HUD learns, from the CHA or any other source, that any Section 3 Business Concern on the Registry has falsely certified to Section 3 eligibility, HUD may initiate review of the self-certification and, if appropriate, take enforcement action against the false-certifier, including but not limited to debarment; once HUD notifies CHA, the Authority will immediately cease doing business with the alleged false certifier until HUD has concluded its investigation and any enforcement proceedings.

Part II of the Schedule B addresses the Section 3 Business Concern contracting plan. The Prime Contractor must clearly state the total dollar value that will be subcontracted to Section 3 Business Concerns. If the Prime Contractor will subcontract with Section 3 Business Concerns, it must then provide for each Section 3 Business Concern the company name, address, contact person, telephone number and e-mail address; the amount to be subcontracted; the scope of work to be performed; and the anticipated timeframe for performance of the subcontracted work.

If the Prime Contractor is unable to fulfill the subcontracting requirement, it must articulate, in the designated space provided in the Schedule B, why it cannot subcontract to one or more Section 3 Business Concerns. If the Prime Contractor has attempted, to the maximum extent feasible, to meet the Section 3 subcontracting goals, it must list, in the designated space provided in the Schedule B, the names and addresses of the potential Subcontractors it contacted. If necessary, the Prime Contractor must indicate which potential Subcontractors were unable or unwilling to perform the potential work. The CHA reserves the right to review the Registry to ensure that all qualified Section 3 Business Concerns were contacted. This section of the Schedule B must be completed prior to the Prime Contractor proposing Other Economic Opportunities.

PART III. EXISTING CONTRACTS

On existing contracts that will last two years or longer after the VCA is effective (March 8, 2013) or those contracts that are three (3) million USD or more that are not in Compliance with the Section 3 requirements, CHA will attempt to its maximum extent feasible to renegotiate the Section 3 Compliance for the option year, extensions, modifications, and/or amendments.

PART IV. PRIVATE PROPERTY MANAGEMENT COMPANY CONTRACTS

In order to meet the Section 3 contracting goals, the CHA's contracts with Private Management Companies will contain provisions that allow Private Management Companies to break down

large contracts into smaller contracts that are more feasible for Section 3 Business Concerns. The CHA's contracts with Private Management Companies will also contain provisions allowing the CHA to require Private Management Companies to give a preference to Section 3 Business Concerns when they contract.

Private Management Companies will include preferences for Section 3 Business Concerns through independent cost estimates and Invitations to Bid. The Private Management Companies will predetermine a group of solicitations that will be reserved for the Section 3 Business Concern community. These contracts will be advertised and awarded to Section 3 Business Concerns only. The scope of work and independent cost estimates will be completed prior to designating the solicitations for the Section 3 Business Concerns.

PART V: OTHER ECONOMIC OPPORTUNITIES

A Prime Contractor that can demonstrate that it has attempted, to the maximum extent feasible, to meet Section 3 hiring and contracting goals, and is unable to meet the subcontracting goals, may demonstrate Section 3 compliance by providing Other Economic Opportunities. In this case, the Prime Contractor must provide to the CHA a plan as to how it will offer Other Economic Opportunities to Section 3 Residents and Business Concerns.

Part III of the Schedule B provides the Prime Contractor the opportunity to clearly outline its plan for providing Other Economic Opportunities. Tables are provided so that Prime Contractors can outline Indirect Participation, Mentorship Program Participation, Training Program, Internship Program, or any other results-oriented Other Economic Opportunities. The Prime Contractor must provide a detailed description of the opportunity, quantifiable goals it will use to measure success, and anticipated results. In addition to those programs, the Other Economic Opportunities section of the Schedule B also provides space for a clearly outlined Section 3 Fund contribution plan.

INDIRECT PARTICIPATION

Indirect Participation allows a Contractor to count a percentage of payments made to Section 3 Business Concerns which are unrelated to the CHA contract scope of work for the purposes of calculating whether the contractor met Section 3 goals for that CHA contract. A Prime Contractor must demonstrate they are unable to fulfill their hiring requirements or Subcontracting requirements before the CHA will allow a Contractor to apply Indirect Participation to meet its Section 3 goals.

MENTORSHIP PROGRAM PARTICIPATION

Mentorship Program Participation is designed to provide mentorship and/or training that benefit Section 3 Residents or Business Concerns. The Prime Contractor must provide a detailed description to the CHA of how the Mentorship Program will assist Section 3 Residents and Section 3 Business Concerns.

OTHER RESULTS-ORIENTED ECONOMIC OPPORTUNITIES

Other Results-Oriented Economic Opportunities are results-oriented and quantifiable programs designed to provide economic opportunities to Section 3 Residents, including, but not limited to, Section 3 joint ventures, teaming agreements or combination of other economic opportunities. A contractor must submit to the CHA a plan detailing these Other Results-Oriented Economic Opportunities and receive approval prior to implementation.

SECTION 3 FUND

If hiring is needed to complete the scope of work, and the Prime Contractor demonstrates that they are unable to fulfill their hiring requirements, then they may choose to contribute to the Section 3 Fund as its Other Economic Opportunity. The Prime Contractor can pay into the Section 3 Fund 5% of the total dollar amount of the contract for construction contracts or 1.5% for non-construction contracts. The amount contributed shall not exceed one hundred thousand dollars (\$100,000.00) for any one contract.

If the Prime Contract demonstrates they are unable to fulfill their Subcontracting requirement, they may choose to contribute to the Section 3 Fund as its Other Economic Opportunity. The Prime Contractor can pay into the Section 3 Fund the difference between 10% of the contract amount for construction contracts or 3% of the contract amount for non-construction contracts and the actual amount provided to Section 3 Business Concerns. The amount contributed shall not exceed five hundred thousand dollars (\$500,000.00) for any one contract.

ADDRESSING NONCOMPLIANCE

Bidders/Proposers who fail to complete and submit or otherwise address Section 3 requirements in their proposals or bid documents, including the Contractor's Affidavit, the Schedule B and its applicable attachments and supporting documentation to support claims of compliance by hiring, contracting or offering other economic opportunities may be deemed non-responsive and will not be considered for an award of a contract.

In the event that a Prime Contractor is non-compliant with Section 3 regulations, CHA's Compliance Specialist will send the Prime Contractor an email containing information about withholding of funds due to noncompliance and citing the Prime Contractor's Section 3 requirements. The Prime Contractor will have fourteen (14) days to cure the deficiency unless extenuating circumstances exist.

If the Prime Contractor does not cure the deficiency within fourteen (14) days, a notice of default will be sent to the Prime Contractor from the Director of the Department of Procurement and Contracts. The letter will inform the Prime Contractor of the timeframe to cure (usually 30 days, depending on the situation). The Prime Contractor must demonstrate why it cannot comply and amend the Schedule B. Failure to cure may result in termination of the contract for default, withholding of funds, or any other remedies available to the CHA under the contract or by law.

A CHA database tracks all subcontracting information to monitor and ensure compliance with subcontracting to Section 3 Business Concerns. Prime Contractors are required to enter monthly payments to the Subcontractors. Once the payment information is entered, the Subcontractor is then contacted to verify the payment information. If the Subcontractor verifies the correct payment amount, the payment information will be added to the system and any Section 3 Business Concern identified on the contract will have their totals identified through CHA's database. If the Subcontractor contests any of the information or denies payment, the Compliance Specialist will follow up with the Prime Contractor.

In the event that there are any changes to the Schedule B, the Prime Contractor must submit a revised Schedule B within a timely manner, along with a Section 3 Change Form. If the Prime Contractor offers a pay rate to a Section 3 Resident that differs from the pay rate associated with the job description in CHA's Section 3 hiring system, without establishing unforeseeable circumstances, the CHA will deem the Prime Contractor non-compliant and the above actions will be taken.

Arbitrary changes by the Prime Contractor of its commitment earlier certified in the Schedule B-Section 3 Plan are prohibited. Further, once entering into each approved Section 3 Business Concern sub-agreement, the Prime Contractor shall, thereafter, neither terminate the sub-agreement, nor reduce the scope of the work to be performed by the Section 3 Business Concern, nor decrease the price to the Section 3 Business Concern without, in each instance, receiving prior written approval of the Chicago Housing Authority.

In some cases however, it may become necessary to substitute a new Section 3 Business Concern. In such cases, the Chicago Housing Authority must be given reasons justifying the release by the CHA of prior specific Section 3 Business Concern commitments established in the Prime Contractor's proposal. The substitution procedures will be as follows:

1. The Prime Contractor must notify the Contract Compliance Section immediately in writing of an apparent necessity to reduce or terminate a Section 3 Business Concern subcontract and to propose a substitute company for some phase of work, in order to sustain the fulfillment of the Section 3 Business Concern contracting requirements.
2. The Prime Contractor's notification to the CHA should include the specific reasons for the proposed substitution. Stated reasons that would be acceptable include any of the following examples:
 - A previously committed Section 3 Business Concern was found not to be able to perform, or not to be able to perform on time;
 - A committed Section 3 Business Concern was found not to be able to produce acceptable work;
 - A committed Section 3 Business Concern was later determined not to be bona fide;
 - A Section 3 Business Concern previously committed to a given price later demands an unreasonable escalation of price.

SECTION 3 CLAUSE

The CHA has ensured the following portion of the Section 3 clause is included with all Invitations for Bid and Requests for Proposals

“The contractor agrees to send to each labor organization or representative of workers with which the contractor has a collective bargaining agreement or other understanding, if any, a notice advising the labor organization or workers' representative of the contractor's commitments under this Section 3 clause, and will post copies of the notice in conspicuous places at the work site where both employees and applicants for training and employment positions can see the notice. The notice shall describe the Section 3 preference, shall set forth minimum number and job titles subject to hire, availability of apprenticeship and training positions, the qualifications for each; and the name and location of the person(s) taking applications for each of the positions; and the anticipated date the work shall begin.”

To confirm that labor organizations are informed of the Section 3 regulations, CHA will require contractors to verify that notices have been posted at the workplace and provide copies of the notice. In addition, at each pre-proposal and pre-bid meeting, the Section 3 regulations that affect labor organizations will be reviewed and the language from the Section 3 clause that relates to labor organizations will be added to the pre-award survey for Invitations to Bid. Contractors will be required to sign the pre-award survey indicating that they have read and understand the notice requirement.

COMPLAINT PROCEDURE

To report any fraud or misconduct regarding Section 3 compliance, the CHA has developed a Complaint Form, which is available electronically at:

[http://www.thecha.org/filebin/10 24 13 Complaint Intake Form- 10 24 2013.pdf](http://www.thecha.org/filebin/10_24_13_Complaint_Intake_Form-10_24_2013.pdf)

Hard copies will also be made available as reasonable accommodations. The Complaint Form is available for reporting fraud or misconduct associated with Section 3 Residents, Section 3 Business Concerns, Prime Contractors, Subcontractors and any personnel working on a Section 3 contract. The form allows reports to be made anonymously to the CHA. Complaint Forms are submitted to the Section 3 Administrator and distributed to the appropriate staff. All complaints regarding Section 3 self-certification fraud will be forwarded to HUD along with the original self-certification form. Once HUD has conducted an investigation regarding self-certification fraud, and determines the complaint to be valid, CHA will discontinue contracting with and/or employing the Section 3 Resident or Business Concern.

The ACC must be in a form prescribed by HUD under which HUD agrees to provide assistance in the development, modernization and/or operation of a low income housing project under the 1937 Act, and the PHA or IHA agrees to develop, modernize and operate the project in compliance with all provisions of the ACC and the 1937 Act, and all HUD regulations and implementing requirements and procedures. HUD Youthbuild programs mean programs that receive assistance under subtitle D of Title IV of the National Affordable Housing Act, as amended by the Housing and Community Development Act of 1992 (42 U.S.C. 12899), and provide disadvantaged youth with opportunities for employment, education, leadership development, and training in the construction or rehabilitation of housing for homeless individuals and members of low- and very low-income families.

Indian tribes shall have the meaning given this term in 24 CFR part 571.

JTPA means the Job Training Partnership Act (29 U.S.C. 1579(a)).

Low-income person. See the definition of "section 3 resident" in this section.

Metropolitan area means a metropolitan statistical area (MSA), as established by the Office of Management and Budget.

(1) For HUD housing programs, a geographical location within the jurisdiction of a unit of general local government (but not the entire jurisdiction) designated in ordinances, or other local documents as a neighborhood, village, or similar geographical designation.

(2) For HUD community development programs, see the definition, if provided, in the regulations for the applicable community development program, or the definition for this term in 24 CFR 570.204(c)(1).

New hires mean full-time employees for permanent, temporary or seasonal employment opportunities.

Nonmetropolitan county means any county outside of a metropolitan area.

Other HUD programs means HUD programs, other than HUD public and Indian housing programs, that provide housing and community development assistance for "section 3 covered projects," as defined in this section.

Public housing resident has the meaning given this term in 24 CFR part 963.

Section 3 means section 3 of the Housing and Urban Development Act of 1968, as amended (12 U.S.C. 1701u).

Section 3 business concern means a business concern, as defined in this section—

- (1) That is 51 percent or more owned by section 3 residents; or
- (2) Whose permanent, full-time employees include persons, at least 30 percent of whom are currently section 3 residents, or within three years of the date of first employment with the business concern were section 3 residents; or
- (3) That provides evidence of a commitment to subcontract in excess of 25 percent of the dollar award of all subcontracts to be awarded to business concerns that meet the qualifications set forth in paragraphs (1) or (2) in this definition of “section 3 business concern.”

(3) Public and Indian housing modernization assistance provided pursuant to section 14 of the 1937 Act;

(4) Assistance provided under any HUD housing or community development program that is expended for work arising in connection with:

(i) Housing rehabilitation (including reduction and abatement of lead-based paint hazards, but excluding routine maintenance, repair and replacement);

(ii) Housing construction; or

Section 3 covered contract means a contract or subcontract (including a professional service contract) awarded by a recipient or contractor for work generated by the expenditure of section 3 covered assistance, or for work arising in connection with a section 3 covered project. “Section 3 covered contracts” do not include contracts awarded under HUD’s procurement program, which are governed by the Federal Acquisition Regulation System (see 48 CFR, Chapter 1). “Section 3 covered contracts” also do not include contracts for the purchase of supplies and materials. However, whenever a contract for materials includes the installation of the materials, the contract constitutes a section 3 covered contract. For example, a contract for the purchase and installation of a furnace would be a section 3 covered contract because the contract is for work (i.e., the installation of the furnace) and thus is covered by section 3.

Section 3 covered project means the construction, reconstruction, conversion or rehabilitation of housing (including reduction and abatement of lead-based paint hazards), other public construction which includes buildings or improvements (regardless of ownership) assisted with housing or community development assistance.

(i) A *low-income person*, as this term is defined in section 3(b)(2) of the 1937 Act (42 U.S.C. 1437a(b)(2)). Section 3(b)(2) of the 1937 Act defines this term to mean families (including single persons) whose incomes do not exceed 80 per centum of the median income for the area, as determined by the Secretary, with adjustments for smaller and larger families, except that the Secretary may establish income ceilings higher or lower than 80 per centum of the median for the area on the basis of the Secretary's findings that such variations are necessary because of prevailing levels of construction costs or unusually high or low-income families; or

(ii) A *very low-income person*, as this term is defined in section 3(b)(2) of the 1937 Act (42 U.S.C. 1437a(b)(2)). Section 3(b)(2) of the 1937 Act (42 U.S.C. 1437a(b)(2)) defines this term to mean families (including single persons) whose incomes do not exceed 50 per centum of the median family income for the area, as determined by the Secretary with adjustments for smaller and larger families, except that the Secretary may establish income ceilings higher or lower than 50 per centum of the median for the area on the basis of the Secretary's findings that such variations are necessary because of unusually high or low family incomes.

(3) A person seeking the training and employment preference provided by section 3 bears the responsibility of providing evidence (if requested) that the person is eligible for the preference.

Section 8 assistance means assistance provided under section 8 of the 1937 Act (42 U.S.C. 1437f) pursuant to 24 CFR part 882, subpart G.

Service area means the geographical area in which the persons benefitting from the section 3 covered project reside. The service area shall not extend beyond the unit of general local government in which the section 3 covered assistance is expended. Youthbuild programs. See the definition of "HUD Youthbuild programs" in this section.

[59 FR 33880, June 30, 1994, as amended at 61 FR 5206, Feb. 9, 1996]

§ 135.7 Delegation of authority.

Except as may be otherwise provided in this part, the functions and responsibilities of the Secretary under section 3, and described in this part, are delegated to the Assistant Secretary for Fair Housing and Equal Opportunity. The Assistant Secretary is further authorized to redelegate functions and responsibilities to other employees of HUD; *provided however*, that the authority to issue rules and regulations under this part, which authority is delegated to the Assistant Secretary, may not be redelegated by the Assistant Secretary.

§ 135.9 Requirements applicable to HUD NOFAs for section 3 covered programs.

(a) *Certification of compliance with part 135.* All notices of funding availability (NOFAs) issued by HUD that announce the availability of funding covered by section 3 shall include a provision in the NOFA that notifies applicants that section 3 and the regulations in part 135 are applicable to funding awards made under the NOFA. Additionally the NOFA shall require as an application submission requirement (which may be specified in the NOFA or application kit) a certification by the applicant that the applicant will comply with the regulations in part 135. (For PHAs, this requirement will be met where a PHA Resolution in Support of the Application is submitted.) With respect to application evaluation, HUD will accept an applicant's certification unless there is evidence substantially challenging the certification.

(b) *Statement of purpose in NOFAs.* (1) For competitively awarded assistance in which the grants are for activities administered by an HA, and those activities are anticipated to generate significant training, employment or contracting opportunities, the NOFA must include a statement that one of the purposes of the assistance is to give to the greatest extent feasible, and consistent with existing Federal, State and local laws and regulations, job training, employment, contracting and other economic opportunities to section 3 residents and section 3 business concerns.

(2) For competitively awarded assistance involving housing rehabilitation, construction or other public construction, where the amount awarded to the applicant may exceed \$200,000, the NOFA must include a statement that one of the purposes of the assistance is to give, to the greatest extent feasible, and consistent with existing Federal, State and local laws and regulations, job training, employment, contracting and other economic opportunities to section 3 residents and section 3 business concerns.

(c) *Section 3 as NOFA evaluation criteria.* Where not otherwise precluded by statute, in the evaluation of applications for the award of assistance, consideration shall be given to the extent to which an applicant has demonstrated that it will train and employ section 3 residents and contract with section 3 business concerns for economic opportunities generated in connection with the assisted project or activity. The evaluation criteria to be utilized, and the rating points to be assigned, will be specified in the NOFA.

§ 135.11 Other laws governing training, employment, and contracting.

Other laws and requirements that are applicable or may be applicable to the economic opportunities generated from the expenditure of section 3 covered assistance include, but are not necessarily limited to those listed in this section.

(a) *Procurement standards for States and local governments (24 CFR 85.36)* —(1) *General.* Nothing in this part 135 prescribes specific methods of procurement. However, neither section 3 nor the requirements of this part 135 supersede the general requirement of 24 CFR 85.36(c) that all procurement transactions be conducted in a competitive manner. Consistent with 24 CFR 85.36(c)(2), section 3 is a Federal statute that expressly encourages, to the maximum extent feasible, a geographic preference in the evaluation of bids or proposals.

(2) *Flexible Subsidy Program.* Multifamily project mortgagors in the Flexible Subsidy Program are not required to utilize the methods of procurement in 24 CFR 85.36(d), and are not permitted to utilize methods of procurement that would result in their award of a contract to a business concern that submits a bid higher than the lowest responsive bid. A multifamily project mortgagor, however, must ensure that, to the greatest extent feasible, the procurement practices it selects provide preference to section 3 business concerns.

(b) *Procurement standards for other recipients (OMB Circular No. A-110)*. Nothing in this part prescribes specific methods of procurement for grants and other agreements with institutions of higher education, hospitals, and other nonprofit organizations. Consistent with the requirements set forth in OMB Circular No. A-110, section 3 is a Federal statute that expressly encourages a geographic preference in the evaluation of bids or proposals.

(c) *Federal labor standards provisions*. Certain construction contracts are subject to compliance with the requirement to pay prevailing wages determined under Davis-Bacon Act (40 U.S.C. 276a—276a-7) and implementing U.S. Department of Labor regulations in 29 CFR part 5. Additionally, certain HUD-assisted rehabilitation and maintenance activities on public and Indian housing developments are subject to compliance with the requirement to pay prevailing wage rates, as determined or adopted by HUD, to laborers and mechanics employed in this work. Apprentices and trainees may be utilized on this work only to the extent permitted under either Department of Labor regulations at 29 CFR part 5 or for work subject to HUD-determined prevailing wage rates, HUD policies and guidelines. These requirements include adherence to the wage rates and ratios of apprentices or trainees to journeymen set out in “approved apprenticeship and training programs,” as described in paragraph (d) of this section.

(d) *Approved apprenticeship and trainee programs*. Certain apprenticeship and trainee programs have been approved by various Federal agencies. Approved apprenticeship and trainee programs include: an apprenticeship program approved by the Bureau of Apprenticeship and Training of the Department of Labor, or a State Apprenticeship Agency, or an on-the-job training program approved by the Bureau of Apprenticeship and Training, in accordance with the regulations at 29 CFR part 5; or a training program approved by HUD in accordance with HUD policies and guidelines, as applicable. Participation in an approved apprenticeship program does not, in and of itself, demonstrate compliance with the regulations of this part.

(e) *Compliance with Executive Order 11246*. Certain contractors covered by this part are subject to compliance with Executive Order 11246, as amended by Executive Order 12086, and the Department of Labor regulations issued pursuant thereto (41 CFR chapter 60) which provide that no person shall be discriminated against on the basis of race, color, religion, sex, or national origin in all phases of employment during the performance of Federal or Federally assisted construction contracts.

Subpart B—Economic Opportunities for Section 3 Residents and Section 3 Business Concerns

§ 135.30 Numerical goals for meeting the greatest extent feasible requirement.

(a) *General*. (1) Recipients and covered contractors may demonstrate compliance with the “greatest extent feasible” requirement of section 3 by meeting the numerical goals set forth in this section for providing training, employment, and contracting opportunities to section 3 residents and section 3 business concerns.

(2) The goals established in this section apply to the entire amount of section 3 covered assistance awarded to a recipient in any Federal Fiscal Year (FY), commencing with the first FY following the effective date of this rule.

(3) For recipients that do not engage in training, or hiring, but award contracts to contractors that will engage in training, hiring, and subcontracting, recipients must ensure that, to the greatest extent feasible,

contractors will provide training, employment, and contracting opportunities to section 3 residents and section 3 business concerns.

(4) The numerical goals established in this section represent minimum numerical targets.

(b) *Training and employment.* The numerical goals set forth in paragraph (b) of this section apply to new hires. The numerical goals reflect the aggregate hires. Efforts to employ section 3 residents, to the greatest extent feasible, should be made at all job levels.

(1) *Numerical goals for section 3 covered public and Indian housing programs.* Recipients of section 3 covered public and Indian housing assistance (as described in § 135.5) and their contractors and subcontractors may demonstrate compliance with this part by committing to employ section 3 residents as:

(i) 10 percent of the aggregate number of new hires for the one year period beginning in FY 1995;

(ii) 20 percent of the aggregate number of new hires for the one period beginning in FY 1996;

(iii) 30 percent of the aggregate number of new hires for one year period beginning in FY 1997 and continuing thereafter.

(2) *Numerical goals for other HUD programs covered by section 3.* (i) Recipients of section 3 covered housing assistance provided under other HUD programs, and their contractors and subcontractors (unless the contract or subcontract awards do not meet the threshold specified in § 135.3(a)(3)) may demonstrate compliance with this part by committing to employ section 3 residents as 10 percent of the aggregate number of new hires for each year over the duration of the section 3 project;

(ii) Where a managing general partner or management agent is affiliated, in a given metropolitan area, with recipients of section 3 covered housing assistance, for an aggregate of 500 or more units in any fiscal year, the managing partner or management agent may demonstrate compliance with this part by committing to employ section 3 residents as:

(A) 10 percent of the aggregate number of new hires for the one year period beginning in FY 1995;

(B) 20 percent of the aggregate number of new hires for the one year period beginning in FY 1996;

(C) 30 percent of the aggregate number of new hires for the one year period beginning in FY 1997, and continuing thereafter.

(3) Recipients of section 3 covered community development assistance, and their contractors and subcontractors (unless the contract or subcontract awards do not meet the threshold specified in § 135.3(a)(3)) may demonstrate compliance with the requirements of this part by committing to employ section 3 residents as:

(i) 10 percent of the aggregate number of new hires for the one year period beginning in FY 1995;

(ii) 20 percent of the aggregate number of new hires for the one year period beginning in FY 1996;
and

(iii) 30 percent of the aggregate number of new hires for the one year period beginning in FY 1997 and continuing thereafter.

(c) *Contracts*. Numerical goals set forth in paragraph (c) of this section apply to contracts awarded in connection with all section 3 covered projects and section 3 covered activities. Each recipient and contractor and subcontractor (unless the contract or subcontract awards do not meet the threshold specified in § 135.3(a)(3)) may demonstrate compliance with the requirements of this part by committing to award to section 3 business concerns:

(1) At least 10 percent of the total dollar amount of all section 3 covered contracts for building trades work for maintenance, repair, modernization or development of public or Indian housing, or for building trades work arising in connection with housing rehabilitation, housing construction and other public construction; and

(2) At least three (3) percent of the total dollar amount of all other section 3 covered contracts.

(d) *Safe harbor and compliance determinations*. (1) In the absence of evidence to the contrary, a recipient that meets the minimum numerical goals set forth in this section will be considered to have complied with the section 3 preference requirements.

(2) In evaluating compliance under subpart D of this part, a recipient that has not met the numerical goals set forth in this section has the burden of demonstrating why it was not feasible to meet the numerical goals set forth in this section. Such justification may include impediments encountered despite actions taken. A recipient or contractor also can indicate other economic opportunities, such as those listed in § 135.40, which were provided in its efforts to comply with section 3 and the requirements of this part.

§ 135.32 Responsibilities of the recipient.

Each recipient has the responsibility to comply with section 3 in its own operations, and ensure compliance in the operations of its contractors and subcontractors. This responsibility includes but may not be necessarily limited to:

(a) Implementing procedures designed to notify section 3 residents about training and employment opportunities generated by section 3 covered assistance and section 3 business concerns about contracting opportunities generated by section 3 covered assistance;

(b) Notifying potential contractors for section 3 covered projects of the requirements of this part, and incorporating the section 3 clause set forth in § 135.38 in all solicitations and contracts.

(c) Facilitating the training and employment of section 3 residents and the award of contracts to section 3 business concerns by undertaking activities such as described in the Appendix to this part, as appropriate, to reach the goals set forth in § 135.30. Recipients, at their own discretion, may establish reasonable numerical goals for the training and employment of section 3 residents and contract award to section 3 business concerns that exceed those specified in § 135.30;

(d) Assisting and actively cooperating with the Assistant Secretary in obtaining the compliance of contractors and subcontractors with the requirements of this part, and refraining from entering into any contract with any contractor where the recipient has notice or knowledge that the contractor has been found in violation of the regulations in 24 CFR part 135.

(e) Documenting actions taken to comply with the requirements of this part, the results of actions taken and impediments, if any.

(f) A State or county which distributes funds for section 3 covered assistance to units of local governments, to the greatest extent feasible, must attempt to reach the numerical goals set forth in 135.30 regardless of the number of local governments receiving funds from the section 3 covered assistance which meet the thresholds for applicability set forth at 135.3. The State or county must inform units of local government to whom funds are distributed of the requirements of this part; assist local governments and their contractors in meeting the requirements and objectives of this part; and monitor the performance of local governments with respect to the objectives and requirements of this part.

§ 135.34 Preference for section 3 residents in training and employment opportunities.

(a) *Order of providing preference.* Recipients, contractors and subcontractors shall direct their efforts to provide, to the greatest extent feasible, training and employment opportunities generated from the expenditure of section 3 covered assistance to section 3 residents in the order of priority provided in paragraph (a) of this section.

(1) *Public and Indian housing programs.* In public and Indian housing programs, efforts shall be directed to provide training and employment opportunities to section 3 residents in the following order of priority:

(i) Residents of the housing development or developments for which the section 3 covered assistance is expended (category 1 residents);

(ii) Residents of other housing developments managed by the HA that is expending the section 3 covered housing assistance (category 2 residents);

(iii) Participants in HUD Youthbuild programs being carried out in the metropolitan area (or nonmetropolitan county) in which the section 3 covered assistance is expended (category 3 residents);

(iv) Other section 3 residents.

(2) *Housing and community development programs.* In housing and community development programs, priority consideration shall be given, where feasible, to:

(i) Section 3 residents residing in the service area or neighborhood in which the section 3 covered project is located (collectively, referred to as category 1 residents); and

(ii) Participants in HUD Youthbuild programs (category 2 residents).

(iii) Where the section 3 project is assisted under the Stewart B. McKinney Homeless Assistance Act (42 U.S.C. 11301 *et seq.*), homeless persons residing in the service area or neighborhood in which the section 3 covered project is located shall be given the highest priority;

(iv) Other section 3 residents.

(3) Recipients of housing assistance programs administered by the Assistant Secretary for Housing may, at their own discretion, provide preference to residents of the housing development receiving the section 3 covered assistance within the service area or neighborhood where the section 3 covered project is located.

(4) Recipients of community development programs may, at their own discretion, provide priority to recipients of government assistance for housing, including recipients of certificates or vouchers under the

Section 8 housing assistance program, within the service area or neighborhood where the section 3 covered project is located.

(b) *Eligibility for preference.* A section 3 resident seeking the preference in training and employment provided by this part shall certify, or submit evidence to the recipient contractor or subcontractor, if requested, that the person is a section 3 resident, as defined in § 135.5. (An example of evidence of eligibility for the preference is evidence of receipt of public assistance, or evidence of participation in a public assistance program.)

(c) *Eligibility for employment.* Nothing in this part shall be construed to require the employment of a section 3 resident who does not meet the qualifications of the position to be filled.

§ 135.36 Preference for section 3 business concerns in contracting opportunities.

(a) *Order of providing preference.* Recipients, contractors and subcontractors shall direct their efforts to award section 3 covered contracts, to the greatest extent feasible, to section 3 business concerns in the order of priority provided in paragraph (a) of this section.

(1) *Public and Indian housing programs.* In public and Indian housing programs, efforts shall be directed to award contracts to section 3 business concerns in the following order of priority:

(i) Business concerns that are 51 percent or more owned by residents of the housing development or developments for which the section 3 covered assistance is expended, or whose full-time, permanent workforce includes 30 percent of these persons as employees (category 1 businesses);

(ii) Business concerns that are 51 percent or more owned by residents of other housing developments or developments managed by the HA that is expending the section 3 covered assistance, or whose full-time, permanent workforce includes 30 percent of these persons as employees (category 2 businesses); or

(iii) HUD Youthbuild programs being carried out in the metropolitan area (or nonmetropolitan county) in which the section 3 covered assistance is expended (category 3 businesses).

(iv) Business concerns that are 51 percent or more owned by section 3 residents, or whose permanent, full-time workforce includes no less than 30 percent section 3 residents (category 4 businesses), or that subcontract in excess of 25 percent of the total amount of subcontracts to business concerns identified in paragraphs (a)(1)(i) and (a)(1)(ii) of this section.

(2) *Housing and community development programs.* In housing and community development programs, priority consideration shall be given, where feasible, to:

(i) Section 3 business concerns that provide economic opportunities for section 3 residents in the service area or neighborhood in which the section 3 covered project is located (category 1 businesses); and

(ii) Applicants (as this term is defined in 42 U.S.C. 12899) selected to carry out HUD Youthbuild programs (category 2 businesses);

(iii) Other section 3 business concerns.

(b) *Eligibility for preference.* A business concern seeking to qualify for a section 3 contracting preference shall certify or submit evidence, if requested, that the business concern is a section 3 business concern as defined in § 135.5.

(c) *Ability to complete contract.* A section 3 business concern seeking a contract or a subcontract shall submit evidence to the recipient, contractor, or subcontractor (as applicable), if requested, sufficient to demonstrate to the satisfaction of the party awarding the contract that the business concern is responsible and has the ability to perform successfully under the terms and conditions of the proposed contract. (The ability to perform successfully under the terms and conditions of the proposed contract is required of all contractors and subcontractors subject to the procurement standards of 24 CFR 85.36 (see 24 CFR 85.36(b)(8)).) This regulation requires consideration of, among other factors, the potential contractor's record in complying with public policy requirements. Section 3 compliance is a matter properly considered as part of this determination.

§ 135.38 Section 3 clause.

All section 3 covered contracts shall include the following clause (referred to as the section 3 clause):

A. The work to be performed under this contract is subject to the requirements of section 3 of the Housing and Urban Development Act of 1968, as amended, 12 U.S.C. 1701u (section 3). The purpose of section 3 is to ensure that employment and other economic opportunities generated by HUD assistance or HUD-assisted projects covered by section 3, shall, to the greatest extent feasible, be directed to low- and very low-income persons, particularly persons who are recipients of HUD assistance for housing.

B. The parties to this contract agree to comply with HUD's regulations in 24 CFR part 135, which implement section 3. As evidenced by their execution of this contract, the parties to this contract certify that they are under no contractual or other impediment that would prevent them from complying with the part 135 regulations.

C. The contractor agrees to send to each labor organization or representative of workers with which the contractor has a collective bargaining agreement or other understanding, if any, a notice advising the labor organization or workers' representative of the contractor's commitments under this section 3 clause, and will post copies of the notice in conspicuous places at the work site where both employees and applicants for training and employment positions can see the notice. The notice shall describe the section 3 preference, shall set forth minimum number and job titles subject to hire, availability of apprenticeship and training positions, the qualifications for each; and the name and location of the person(s) taking applications for each of the positions; and the anticipated date the work shall begin.

D. The contractor agrees to include this section 3 clause in every subcontract subject to compliance with regulations in 24 CFR part 135, and agrees to take appropriate action, as provided in an applicable provision of the subcontract or in this section 3 clause, upon a finding that the subcontractor is in violation of the regulations in 24 CFR part 135. The contractor will not subcontract with any subcontractor where the contractor has notice or knowledge that the subcontractor has been found in violation of the regulations in 24 CFR part 135.

E. The contractor will certify that any vacant employment positions, including training positions, that are filled (1) after the contractor is selected but before the contract is executed, and (2) with persons other than those to whom the regulations of 24 CFR part 135 require employment opportunities to be directed, were not filled to circumvent the contractor's obligations under 24 CFR part 135.

F. Noncompliance with HUD's regulations in 24 CFR part 135 may result in sanctions, termination of this contract for default, and debarment or suspension from future HUD assisted contracts.

G. With respect to work performed in connection with section 3 covered Indian housing assistance, section 7(b) of the Indian Self-Determination and Education Assistance Act (25 U.S.C. 450e) also applies to the work to be

performed under this contract. Section 7(b) requires that to the greatest extent feasible (i) preference and opportunities for training and employment shall be given to Indians, and (ii) preference in the award of contracts and subcontracts shall be given to Indian organizations and Indian-owned Economic Enterprises. Parties to this contract that are subject to the provisions of section 3 and section 7(b) agree to comply with section 3 to the maximum extent feasible, but not in derogation of compliance with section 7(b).

§ 135.40 Providing other economic opportunities.

(a) *General.* In accordance with the findings of the Congress, as stated in section 3, that other economic opportunities offer an effective means of empowering low-income persons, a recipient is encouraged to undertake efforts to provide to low-income persons economic opportunities other than training, employment, and contract awards, in connection with section 3 covered assistance.

(b) *Other training and employment related opportunities.* Other economic opportunities to train and employ section 3 residents include, but need not be limited to, use of “upward mobility”, “bridge” and trainee positions to fill vacancies; hiring section 3 residents in management and maintenance positions within other housing developments; and hiring section 3 residents in part-time positions.

(c) *Other business related economic opportunities.* (l) A recipient or contractor may provide economic opportunities to establish, stabilize or expand section 3 business concerns, including micro-enterprises. Such opportunities include, but are not limited to the formation of section 3 joint ventures, financial support for affiliating with franchise development, use of labor only contracts for building trades, purchase of supplies and materials from housing authority resident-owned businesses, purchase of materials and supplies from PHA resident-owned businesses and use of procedures under 24 CFR part 963 regarding HA contracts to HA resident-owned businesses. A recipient or contractor may employ these methods directly or may provide incentives to non-section 3 businesses to utilize such methods to provide other economic opportunities to low-income persons.

(2) A *section 3 joint venture* means an association of business concerns, one of which qualifies as a section 3 business concern, formed by written joint venture agreement to engage in and carry out a specific business venture for which purpose the business concerns combine their efforts, resources, and skills for joint profit, but not necessarily on a continuing or permanent basis for conducting business generally, and for which the section 3 business concern:

(i) Is responsible for a clearly defined portion of the work to be performed and holds management responsibilities in the joint venture; and

(ii) Performs at least 25 percent of the work and is contractually entitled to compensation proportionate to its work.

Subpart C [Reserved]

Subpart D—Complaint and Compliance Review

§ 135.70 General.

(a) *Purpose.* The purpose of this subpart is to establish the procedures for handling complaints alleging noncompliance with the regulations of this part, and the procedures governing the Assistant Secretary's review of a recipient's or contractor's compliance with the regulations in this part.

(b) *Definitions.* For purposes of this subpart:

(1) *Complaint* means an allegation of noncompliance with regulations of this part made in the form described in § 135.76(d).

(2) *Complainant* means the party which files a complaint with the Assistant Secretary alleging that a recipient or contractor has failed or refused to comply with the regulations in this part.

(3) *Noncompliance with section 3* means failure by a recipient or contractor to comply with the requirements of this part.

(4) *Respondent* means the recipient or contractor against which a complaint of noncompliance has been filed. The term "recipient" shall have the meaning set forth in § 135.7, which includes PHA and IHA.

§ 135.72 Cooperation in achieving compliance.

(a) The Assistant Secretary recognizes that the success of ensuring that section 3 residents and section 3 business concerns have the opportunity to apply for jobs and to bid for contracts generated by covered HUD financial assistance depends upon the cooperation and assistance of HUD recipients and their contractors and subcontractors. All recipients shall cooperate fully and promptly with the Assistant Secretary in section 3 compliance reviews, in investigations of allegations of noncompliance made under § 135.76, and with the distribution and collection of data and information that the Assistant Secretary may require in connection with achieving the economic objectives of section 3.

(b) The recipient shall refrain from entering into a contract with any contractor after notification to the recipient by HUD that the contractor has been found in violation of the regulations in this part. The provisions of 2 CFR part 2424 apply to the employment, engagement of services, awarding of contracts, or funding of any contractors or subcontractors during any period of debarment, suspension, or otherwise ineligible status.

[59 FR 33880, June 30, 1994, as amended at 72 FR 73493, Dec. 27, 2007]

§ 135.74 Section 3 compliance review procedures.

(a) *Compliance reviews by Assistant Secretary.* The Assistant Secretary shall periodically conduct section 3 compliance reviews of selected recipients and contractors to determine whether these recipients are in compliance with the regulations in this part.

(b) *Form of compliance review.* A section 3 compliance review shall consist of a comprehensive analysis and evaluation of the recipient's or contractor's compliance with the requirements and obligations imposed by the regulations of this part, including an analysis of the extent to which section 3 residents have been hired and section 3 business concerns have been awarded contracts as a result of the methods undertaken by the recipient to achieve the employment, contracting and other economic objectives of section 3.

(c) *Where compliance review reveals noncompliance with section 3 by recipient or contractor.* Where the section 3 compliance review reveals that a recipient or contractor has not complied with section 3, the Assistant Secretary shall notify the recipient or contractor of its specific deficiencies in compliance with the regulations of this part, and shall advise the recipient or contractor of the means by which these deficiencies may be corrected. HUD shall conduct a follow-up review with the recipient or contractor to ensure that action is being taken to correct the deficiencies.

(d) *Continuing noncompliance by recipient or contractor.* A continuing failure or refusal by the recipient or contractor to comply with the regulations in this part may result in the application of sanctions specified in the contract through which HUD assistance is provided, or the application of sanctions specified in the regulations governing the HUD program under which HUD financial assistance is provided. HUD will notify the recipient of any continuing failure or refusal by the contractor to comply with the regulations in this part for possible action under any procurement contract between the recipient and the contractor. Where appropriate, debarment, suspension, and limited denial of participation may be applied to the recipient or the contractor, pursuant to HUD's regulations at 2 CFR part 2424.

(e) *Conducting compliance review before the award of assistance.* Section 3 compliance reviews may be conducted before the award of contracts, and especially where the Assistant Secretary has reasonable grounds to believe that the recipient or contractor will be unable or unwilling to comply with the regulations in this part.

(f) *Consideration of complaints during compliance review.* Complaints alleging noncompliance with section 3, as provided in § 135.76, may also be considered during any compliance review conducted to determine the recipient's conformance with regulations in this part.

[59 FR 33880, June 30, 1994, as amended at 72 FR 73493, Dec. 27, 2007]

§ 135.76 Filing and processing complaints.

(a) *Who may file a complaint.* The following individuals and business concerns may, personally or through an authorized representative, file with the Assistant Secretary a complaint alleging noncompliance with section 3:

(1) Any section 3 resident on behalf of himself or herself, or as a representative of persons similarly situated, seeking employment, training or other economic opportunities generated from the expenditure of section 3 covered assistance with a recipient or contractor, or by a representative who is not a section 3 resident but who represents one or more section 3 residents;

(2) Any section 3 business concern on behalf of itself, or as a representative of other section 3 business concerns similarly situated, seeking contract opportunities generated from the expenditure of section 3 covered assistance from a recipient or contractor, or by an individual representative of section 3 business concerns.

(b) *Where to file a complaint.* A complaint must be filed with the Assistant Secretary for Fair Housing and Equal Opportunity, Department of Housing and Urban Development, Washington, DC, 20410.

(c) *Time of filing.* (1) A complaint must be received not later than 180 days from the date of the action or omission upon which the complaint is based, unless the time for filing is extended by the Assistant Secretary for good cause shown.

(2) Where a complaint alleges noncompliance with section 3 and the regulations of this part that is continuing, as manifested in a number of incidents of noncompliance, the complaint will be timely if filed within 180 days of the last alleged occurrence of noncompliance.

(3) Where a complaint contains incomplete information, the Assistant Secretary shall request the needed information from the complainant. In the event this information is not furnished to the Assistant Secretary within sixty (60) days of the date of the request, the complaint may be closed.

(d) *Contents of complaint* —(1) *Written complaints*. Each complaint must be in writing, signed by the complainant, and include:

(i) The complainant's name and address;

(ii) The name and address of the respondent;

(iii) A description of the acts or omissions by the respondent that is sufficient to inform the Assistant Secretary of the nature and date of the alleged noncompliance.

(iv) A complainant may provide information to be contained in a complaint by telephone to HUD or any HUD Field Office, and HUD will reduce the information provided by telephone to writing on the prescribed complaint form and send the form to the complainant for signature.

(2) *Amendment of complaint*. Complaints may be reasonably and fairly amended at any time. Such amendments may include, but are not limited to, amendments to cure, technical defects or omissions, including failure to sign or affirm a complaint, to clarify or amplify the allegations in a complaint, or to join additional or substitute respondents. Except for the purposes of notifying respondents, amended complaints will be considered as having been made as of the original filing date.

(e) *Resolution of complaint by recipient*. (1) Within ten (10) days of timely filing of a complaint that contains complete information (in accordance with paragraphs (c) and (d) of this section), the Assistant Secretary shall determine whether the complainant alleges an action or omission by a recipient or the recipient's contractor that if proven qualifies as noncompliance with section 3. If a determination is made that there is an allegation of noncompliance with section 3, the complaint shall be sent to the recipient for resolution.

(2) If the recipient believes that the complaint lacks merit, the recipient must notify the Assistant Secretary in writing of this recommendation with supporting reasons, within 30 days of the date of receipt of the complaint. The determination that a complaint lacks merit is reserved to the Assistant Secretary.

(3) If the recipient determines that there is merit to the complaint, the recipient will have sixty (60) days from the date of receipt of the complaint to resolve the matter with the complainant. At the expiration of the 60-day period, the recipient must notify the Assistant Secretary in writing whether a resolution of the complaint has been reached. If resolution has been reached, the notification must be signed by both the recipient and the complainant, and must summarize the terms of the resolution reached between the two parties.

(4) Any request for an extension of the 60-day period by the recipient must be submitted in writing to the Assistant Secretary, and must include a statement explaining the need for the extension.

(5) If the recipient is unable to resolve the complaint within the 60-day period (or more if extended by the Assistant Secretary), the complaint shall be referred to the Assistant Secretary for handling.

(f) *Informal resolution of complaint by Assistant Secretary* —(1) *Dismissal of complaint.* Upon receipt of the recipient's written recommendation that there is no merit to the complaint, or upon failure of the recipient and complainant to reach resolution, the Assistant Secretary shall review the complaint to determine whether it presents a valid allegation of noncompliance with section 3. The Assistant Secretary may conduct further investigation if deemed necessary. Where the complaint fails to present a valid allegation of noncompliance with section 3, the Assistant Secretary will dismiss the complaint without further action. The Assistant Secretary shall notify the complainant of the dismissal of the complaint and the reasons for the dismissal.

(2) *Informal resolution.* Where the allegations in a complaint on their face, or as amplified by the statements of the complainant, present a valid allegation of noncompliance with section 3, the Assistant Secretary will attempt, through informal methods, to obtain a voluntary and just resolution of the complaint. Where attempts to resolve the complaint informally fail, the Assistant Secretary will impose a resolution on the recipient and complainant. Any resolution imposed by the Assistant Secretary will be in accordance with requirements and procedures concerning the imposition of sanctions or resolutions as set forth in the regulations governing the HUD program under which the section 3 covered assistance was provided.

(3) *Effective date of informal resolution.* The imposed resolution will become effective and binding at the expiration of 15 days following notification to recipient and complainant by certified mail of the imposed resolution, unless either party appeals the resolution before the expiration of the 15 days. Any appeal shall be in writing to the Secretary and shall include the basis for the appeal.

(g) *Sanctions.* Sanctions that may be imposed on recipients that fail to comply with the regulations of this part include debarment, suspension and limited denial of participation in HUD programs.

(h) *Investigation of complaint.* The Assistant Secretary reserves the right to investigate a complaint directly when, in the Assistant Secretary's discretion, the investigation would further the purposes of section 3 and this part.

(i) *Intimidatory or retaliatory acts prohibited.* No recipient or other person shall intimidate, threaten, coerce, or discriminate against any person or business because the person or business has made a complaint, testified, assisted or participated in any manner in an investigation, proceeding, or hearing under this part. The identity of complainants shall be kept confidential except to the extent necessary to carry out the purposes of this part, including the conduct of any investigation, hearing or judicial proceeding arising thereunder.

(j) *Judicial relief.* Nothing in this subpart D precludes a section 3 resident or section 3 business concerning from exercising the right, which may otherwise be available, to seek redress directly through judicial procedures.

Each recipient which receives directly from HUD financial assistance that is subject to the requirements of this part shall submit to the Assistant Secretary an annual report in such form and with

such information as the Assistant Secretary may request, for the purpose of determining the effectiveness of section 3. Where the program providing the section 3 covered assistance requires submission of an annual performance report, the section 3 report will be submitted with that annual performance report. If the program providing the section 3 covered assistance does not require an annual performance report, the section 3 report is to be submitted by January 10 of each year or within 10 days of project completion, whichever is earlier. III. Examples of Procurement Procedures That Provide for Preference for Section 3 Business Concerns

This Section III provides specific procedures that may be followed by recipients and contractors (collectively, referred to as the “contracting party”) for implementing the section 3 contracting preference for each of the competitive procurement methods authorized in 24 CFR 85.36(d).

(1) *Small Purchase Procedures.* For section 3 covered contracts aggregating no more than \$25,000, the methods set forth in this paragraph (1) or the more formal procedures set forth in paragraphs (2) and (3) of this Section III may be utilized.

(i) *Solicitation.* (A) Quotations may be solicited by telephone, letter or other informal procedure provided that the manner of solicitation provides for participation by a reasonable number of competitive sources. At the time of solicitation, the parties must be informed of:

—the section 3 covered contract to be awarded with sufficient specificity;

—the time within which quotations must be submitted; and

—the information that must be submitted with each quotation.

(B) If the method described in paragraph (i)(A) is utilized, there must be an attempt to obtain quotations from a minimum of three qualified sources in order to promote competition. Fewer than three quotations are acceptable when the contracting party has attempted, but has been unable, to obtain a sufficient number of competitive quotations. In unusual circumstances, the contracting party may accept the sole quotation received in response to a solicitation provided the price is reasonable. In all cases, the contracting party shall document the circumstances when it has been unable to obtain at least three quotations.

(ii) *Award.* (A) Where the section 3 covered contract is to be awarded based upon the lowest price, the contract shall be awarded to the qualified section 3 business concern with the lowest responsive quotation, if it is reasonable and no more than 10 percent higher than the quotation of the lowest

responsive quotation from any qualified source. If no responsive quotation by a qualified section 3 business concern is within 10 percent of the lowest responsive quotation from any qualified source, the award shall be made to the source with the lowest quotation.

(B) Where the section 3 covered contract is to be awarded based on factors other than price, a request for quotations shall be issued by developing the particulars of the solicitation, including a rating system for the assignment of points to evaluate the merits of each quotation. The solicitation shall identify all factors to be considered, including price or cost. The rating system shall provide for a range of 15 to 25 percent of the total number of available rating points to be set aside for the provision of preference for section 3 business concerns. The purchase order shall be awarded to the responsible firm whose quotation is the most advantageous, considering price and all other factors specified in the rating system.

(2) *Procurement by sealed bids (Invitations for Bids)*. Preference in the award of section 3 covered contracts that are awarded under a sealed bid (IFB) process may be provided as follows:

(i) Bids shall be solicited from all businesses (section 3 business concerns, and non-section 3 business concerns). An award shall be made to the qualified section 3 business concern with the highest priority ranking and with the lowest responsive bid if that bid—

(A) is within the maximum total contract price established in the contracting party's budget for the specific project for which bids are being taken, and

(B) is not more than “X” higher than the total bid price of the lowest responsive bid from any responsible bidder. “X” is determined as follows:

	x=lesser of:
When the lowest responsive bid is less than \$100,000	10% of that bid or \$9,000.
When the lowest responsive bid is:	
At least \$100,000, but less than \$200,000	9% of that bid, or \$16,000.
At least \$200,000, but less than \$300,000	8% of that bid, or \$21,000.
At least \$300,000, but less than \$400,000	7% of that bid, or \$24,000.
At least \$400,000, but less than \$500,000	6% of that bid, or \$25,000.
At least \$500,000, but less than \$1 million	5% of that bid, or \$40,000.
At least \$1 million, but less than \$2 million	4% of that bid, or \$60,000.
At least \$2 million, but less than \$4 million	3% of that bid, or \$80,000.
At least \$4 million, but less than \$7 million	2% of that bid, or \$105,000.
\$7 million or more	1 1/2% of the lowest responsive bid, with no dollar limit.

(ii) If no responsive bid by a section 3 business concern meets the requirements of paragraph (2)(i) of this section, the contract shall be awarded to a responsible bidder with the lowest responsive bid.

(3) *Procurement under the competitive proposals method of procurement (Request for Proposals (RFP)).* (i) For contracts and subcontracts awarded under the competitive proposals method of procurement (24 CFR 85.36(d)(3)), a Request for Proposals (RFP) shall identify all evaluation factors (and their relative importance) to be used to rate proposals.

(ii) One of the evaluation factors shall address both the preference for section 3 business concerns and the acceptability of the strategy for meeting the greatest extent feasible requirement (section 3 strategy), as disclosed in proposals submitted by all business concerns (section 3 and non-section 3 business concerns). This factor shall provide for a range of 15 to 25 percent of the total number of available points to be set aside for the evaluation of these two components.

(iii) The component of this evaluation factor designed to address the preference for section 3 business concerns must establish a preference for these business concerns in the order of priority ranking as described in 24 CFR 135.36.

(iv) With respect to the second component (the acceptability of the section 3 strategy), the RFP shall require the disclosure of the contractor's section 3 strategy to comply with the section 3 training and employment preference, or contracting preference, or both, if applicable. A determination of the contractor's responsibility will include the submission of an acceptable section 3 strategy. The contract award shall be made to the responsible firm (either section 3 or non-section 3 business concern) whose proposal is determined most advantageous, considering price and all other factors specified in the RFP.
