covering any bodily injury or property damage liability, arising out of pollutants including hazardous materials such as asbestos, lead, contaminated soil, etc. including while in transit to a permanent disposal facility which may arise from activities under or incidental to the Agreement will be required.

11. Indemnification; Owner's Defense; Hold Harmless

A. Indemnification

To the fullest extent permitted by law, the A/E agrees to indemnify the Owner, its respective Commissioners, board members, officers, directors, agents, employees, vendors, invitees and visitors for any and all physical or non-physical injury to any person, including loss of human life and/or damage to property, arising from the Services performed or to be performed under this Agreement, including Additional Services, to the extent caused by A/E's negligence, willful misconduct, errors or omissions. The A/E's indemnification obligations arising hereunder include, without limitation, any and all liabilities, losses, penalties, damages, settlements, environmental liability, costs, charges, professional fees (including reasonable costs of investigation, reasonable attorneys' fees and other legal expenses) or other expenses or liabilities of every kind, nature and character arising out of or relating to any and all claims, liens, demands, obligations, actions, suits, judgments or settlements, proceedings or causes of action (collectively, "Claims"), including the enforcement of this indemnification provision. The indemnities contained herein shall survive the termination of the Agreement.

B. Hold Harmless

The A/E shall be responsible for any and all physical or non-physical injury to any person, including loss of human life and/or damage to property arising from the Services, including Additional Services, performed or to be performed under this Agreement, to the extent caused by A/E's negligence, willful misconduct, errors, or omissions, and shall hold the Owner, its respective Commissioners, board members, officers, directors, agents, employees, vendors, invitees and visitors harmless from any and all loss or damage from such injury, damage or death.

C. Owner's Defense

The A/E further agrees to investigate, handle, respond to, provide defense for and defend all suits for any and all Claims included in this indemnification provision at its sole expense, and agrees to bear all other costs and expenses related thereto, even if the Claims are considered groundless, false or fraudulent. The Owner shall have the right, at its option and at the A/E's expense, to participate in the defense of any suit, without relieving the A/E of any of its obligations under this indemnity provision. The A/E expressly understands and agrees that the requirements set forth in this indemnity to protect, defend, indemnify, keep, save and hold the Owner free

and harmless are separate from and not limited by the A/E's responsibility to obtain, procure and maintain insurance pursuant to this Agreement.

12. Retention of Rights

Neither the Owner's review, approval or acceptance of the Services required under this Agreement, nor the Owner's payment for such Services, shall be construed to operate as a waiver of any rights under this Agreement or of any cause of action arising out of the A/E's performance or failure of performance under this Agreement, and the A/E shall be and remain liable to the Owner in accordance with the applicable laws for all damages to the Owner caused by the A/E's negligent performance of any of the Services furnished under this Agreement. This Agreement does not restrict or limit any rights or remedies otherwise afforded the Owner or the A/E by law.

ARTICLE H: ADDITIONAL REQUIREMENTS

1. Contract Adjustments

Notwithstanding any other term or condition of this Agreement, any settlement or equitable adjustment due to termination, suspension or delays by the Owner shall be negotiated based on the cost principles stated in the federal regulations at 48 CFR Subpart 31.2 and conform to the contract pricing provisions of 2 CFR 200.323.

2. Cost Analysis for Additional Services

The Owner shall perform a cost or price analysis, as required by federal regulations [2 CFR 200.323], prior to the issuance of a modification of a Task Order for Additional Services. Such Additional Services shall be within the general scope of services covered by the Task Orders issued hereunder. The A/E shall provide supporting cost information in sufficient detail to permit the Owner to perform the required cost or price analysis.

3. Restrictive Plans and Specifications

In accordance with 2 CFR 200.319(c)(1) and contract agreements between the Owner and HUD, the A/E shall not require the use of materials, products, or services that unduly restrict competition.

4. Design Certification

Where the Owner is required by federal regulations to provide HUD an A/E certification regarding the design of the Project, the A/E shall provide such a certification to the Owner.

5. Retention and Inspection of Records

Pursuant to federal regulations [2 CFR 200.333 and 2 CFR 200.336], the A/E shall grant the Owner, HUD, the Comptroller General of the United States, or any of their duly authorized representatives, access to any books, documents, papers, and records of the A/E

which are directly pertinent to this Agreement for the purpose of making an audit, examination, excerpts, and transcriptions. All required records shall be retained for three (3) years after the Owner or the A/E and other sub-consultants, as applicable, make final payments and all other pending matters are closed.

6. Copyrights and Rights in Data

Currently HUD regulations pertaining to copyrights or rights in data do not apply to contracts with architects and engineers. However, Article 45 of the General Conditions to the Contract for Construction (HUD Form 5370-A), typically used by the Owner for all construction projects over $100,000.00, requires that contractors pay all royalties and license fees. Accordingly, all Plans and Specifications prepared by the A/E pursuant to this Agreement must identify any applicable patents to enable the Contractor to fulfill the requirements of the Construction Contract and the General Conditions thereof.

7. Conflicts of Interest

Pursuant to federal regulations [2 CFR 200.318, 2 CFR 200.319] and agreements between the Owner and HUD, no employee, officer, or agent of the Owner (HUD grantee) shall participate in the selection of a contractor, or in the award or administration of a contract supported by Federal funds, if a conflict of interest, real or apparent, would be involved.

Such a conflict would arise when:

A. The employee, officer or agent;

B. Any member of his or her immediate family;

C. His or her partner; and/or

D. An organization that employs, or is about to employ, any of the above, has a financial or other interest in the firm selected for award.

Owner's officers, employees or agents may not solicit or accept gratuities, favors or anything of monetary value from the A/E or the A/E's sub-consultants, or parties to any other sub-agreements with such parties. The Owner may set minimum standards of conduct where the financial interest is not substantial or the gift is an unsolicited item of nominal intrinsic value. To the extent permitted by State or local law or regulations, such standards of conduct will provide for penalties, sanctions, or other disciplinary actions for violations of such standards by the Owner's officers, employees, or agents or by the A/E or its agents. The Owner may, within regulation, provide additional prohibitions relative to real, apparent, or potential conflicts of interest. Neither the Owner nor the A/E, nor any of their sub-consultants shall enter into any contract, subcontract, or agreement, in connection with a Project in which any member, officer, or employee of the Owner, the A/E, or any of their sub-consultants, or any member of the governing body of the locality in which the Owner was activated, or in any other public official of such locality or localities who exercises any responsibilities or functions with respect to the Project during

his/her tenure or for one (1) year thereafter has any interest, direct or indirect. If any such present or former member, officer, or employee of the Owner, the A/E, or any of their sub-consultants, or any such governing body member or such other public official of such locality or localities involuntarily acquires or had acquired prior to the beginning of his/her tenure any such interest, and if such interest is immediately disclosed to the Owner and such disclosure is entered upon the minutes of the Owner, the Owner, with the prior approval of the Government, may waive the prohibition contained in this subsection; provided, however, that any such present member, officer, or employee of the Owner shall not participate in any action by the Owner relating to such contract, subcontract, or arrangement.

No member, officer, or employee of the Owner, no member of the governing body of the locality in which the Project is situated, no member of the governing body of the locality in which the Owner was activated, and no other public official of such locality or localities who exercises any functions or responsibilities with respect to the Project, during his/her tenure or for one (1) year thereafter, shall have any interest, direct or indirect, in this Agreement or the proceeds thereof.

8. Interest of Members of Congress

Pursuant to the agreement between the Owner and HUD, no member of, or delegate to, the Congress of the United States of America and no Resident Commissioner shall be permitted to share any part of, or derive any benefit from, this Agreement.

9. Limitation of Payments to Influence Certain Federal Transactions

The Limitation on Use of Appropriated Funds to Influence Certain Federal Contracting and Financial Transactions Act, Section 1352 of Title 31 U.S.C., provides in part that no appropriated funds may be expended by the recipient of a federal contract, grant, loan, or cooperative agreement to pay any person, including the A/E, for influencing or attempting to influence an officer or employee of Congress in connection with any of the following covered federal actions: the awarding of any federal contract, the making of any federal grant, the making of any federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any federal contract, grant, loan, or cooperative agreement.

10. Section 3 and MBE/WBE/DBE Participation and Requirements

A. <u>Section 3 – Compliance</u>

The CHA has determined that the contract awarded under this solicitation is subject to the requirements of Section 3 of the Housing and Urban Development Act of 1968, as amended, 12 U.S.C. 1701u, (Section 3), and Title 24 of Subchapter B, Part 135 – Economic Opportunities for Low- and Very Low-Income Persons, 24 CFR 135.3. Section 3 Compliance requires that any contract or subcontract entered into for the benefit of public housing residents shall require that, to the greatest extent feasible, economic opportunity in the form of training, employment, contracting,

and other economic opportunities arising from the expenditure of public housing assistance for housing rehabilitation and housing construction be directed to low- and very low-income persons.

i. Section 3 - Clause

a. The work to be performed under this contract is subject to the requirements of section 3 of the Housing and Urban Development Act of 1968, as amended, 12 U.S.C. 1701u (section 3). The purpose of section 3 is to ensure that employment and other economic opportunities generated by HUD assistance or HUD-assisted projects covered by section 3, shall, to the greatest extent feasible, be directed to low- and very low-income persons, particularly persons who are recipients of HUD assistance for housing.

b. The parties to this contract agree to comply with HUD's regulations in 24 CFR Part 135, which implement section 3. As evidenced by their execution of this contract, the parties to this contract certify that they are under no contractual or other impediment that would prevent them from complying with the Part 135 regulations.

c. The A/E agrees to send to each labor organization or representative of workers with which the A/E has a collective bargaining agreement or other understanding, if any, a notice advising the labor organization or workers' representative of the A/E's commitments under this section 3 clause, and will post copies of the notice in conspicuous places at the work site where both employees and applicants for training and employment positions can see the notice. The notice shall describe the section 3 preference, shall set forth minimum number and job titles subject to hire, availability of apprenticeship and training positions, the qualifications for each; and the name and location of the person(s) taking applications for each of the positions; and the anticipated date the work shall begin.

d. The A/E agrees to include this section 3 clause in every subcontract subject to compliance with regulations in 24 CFR Part 135, and agrees to take appropriate action, as provided in an applicable provision of the subcontract or in this section 3 clause, upon a finding that the subcontractor is in violation of the regulations in 24 CFR Part 135. The A/E will not subcontract with any subcontractor where the A/E has notice or knowledge that the subcontractor has been found in violation of the regulations in 24 CFR Part 135.

e. The A/E will certify that any vacant employment positions, including training positions, that are filled (1) after the A/E is selected but before the contract is executed, and (2) with persons other than those to whom the regulations of 24 CFR Part 135 require employment opportunities to be directed, were not filled to circumvent the A/E's obligations under 24 CFR Part 135.

f. Non-compliance with HUD's regulations in 24 CFR part 135 may

result in sanctions, termination of this Agreement for default, and debarment or suspension from future HUD assisted contracts.

ii. Section 3 Compliance Goals

a. A/E's and their subcontractors may demonstrate compliance by committing to employ section 3 residents and by subcontracting with section 3 business concerns in accordance with the requirements of 24 CFR Part 135.

A Section 3 Business concern is a business concern under HUD Regulations:

1. 51 percent or more owned by section 3 residents; or
2. Whose permanent, full-time employees include persons, at least 30 percent of whom are currently section 3 residents, or within three years of the date of first employment with the business concern were section 3 residents; or
3. That provides evidence of a commitment to subcontract in excess of 25 present of the dollar award of all subcontracts to be awarded to business concerns that meet the qualifications set forth in paragraphs (1) or (2) in this definition of "section 3 business concerns."

b. The A/E and its subcontractors may demonstrate compliance with the requirements for contracting with Section 3 Business Concerns by committing to award to Section 3 Business Concerns at least 10 percent of the total dollar amount of a Task Order awarded to the A/E for building trades work for maintenance, repair modernization or development of public housing, or for building trades work arising in connection with housing rehabilitation, housing construction and other public construction and at least 3 percent of the total dollar amount of all other Section 3 covered contracts.

c. In evaluating compliance with 24 CFR Part 135, contractors and their subcontractors have the burden of demonstrating to the greatest extent feasible their ability or inability to meet the goals set forth in 24 CFR Part 135 for providing training, employment and contracting opportunities to section 3 residents and section 3 business concerns.

d. A/E's and their subcontractors are also encouraged to provide other economic opportunities to train and employ section 3 residents including, but not limited to, use of "upward mobility", "bridge" and trainee positions to fill vacancies, and hiring section 3 residents in part-time positions (24 CFR 135.40).

iii. Documenting and Reporting

a. A/E agrees to comply with the above Section 3 requirements in accordance with the A/E's Compliance Affidavit, which shall be prepared by the A/E and agreed to by CHA. CHA shall not be required to agree to A/E's Utilization Plans submitted with each Task Order until the A/E meets its burden to establish that it will comply with 24 CFR Part 135 and otherwise comply with CHA's Section 3 Policy (http://www.thecha.org/pages/section_3/65.php or see the copy included in the solicitation) as may be required. A/E's Compliance Affidavit is attached hereto as Exhibit A and is incorporated by reference herein.

b. The A/E and its subcontractors shall provide all required compliance data with respect to A/E's Section 3 requirements to the CHA via CHA's electronic system available at https://cha.diversitycompliance.com/. The A/E and its subcontractors shall be responsible for responding to any requests for data or information by the noted response due dates, and shall check the electronic system on a regular basis to manage contact information and contract records. The A/E shall also be responsible for ensuring that all subcontractors have completed all requested items with complete and accurate information and that their contact information is current.

iv. This Section 3 Contract Provision shall flow down to each subcontract at every tier.

B. MBE/WBE/DBE Compliance

A/E agrees to comply with the CHA's Minority and Women Disadvantaged Business Enterprise ("MBE/WBE/DBE") requirements in accordance with the A/E's Compliance Affidavit and otherwise comply with the CHA's MBE/WBE Policy (see http://www.thecha.org/assets/1/22/Amendment_to_Special_Conditions_-_M-WBE.pdf) or the copy included in the RFQ).

Documenting and Reporting. The A/E and its subcontractors shall provide all required compliance data with respect to A/E's MBE/WBE/DBE to the CHA via CHA's electronic system available at https://cha.diversitycompliance.com/. The Contractor and its subcontractors shall be responsible for responding to any requests for data or information by the noted response due dates, and shall check the electronic system on a regular basis to manage contact information and contract records. The A/E shall also be responsible for ensuring that all subcontractors have completed all requested items with complete and accurate information and that their contact information is current.

11. Clean Air and Water

Pursuant to federal regulations [2 CFR Part 200 Appendix II] and other federal law, the A/E shall comply with applicable standards, orders, or requirements issued under Section 306 of the Clean Air Act (42 U.S.C. 1857h-4 transferred to 42 U.S.C. 7607, Section 508 of the Clean Water Act (33 U.S.C. 1368), Executive Order 11738, and Environmental Protection Agency regulations (40 CFR Part 15), on all Task Orders, subcontracts, and sub-grants of amounts in excess of One Hundred Thousand and No/100 Dollars ($100,000.00).

14. CHA's Minimum Wage Requirement

In accordance with CHA's Minimum Wage Requirements, the A/E shall (i) pay its employees no less than Thirteen Dollars per hour ($13.00/hr.) for work performed pursuant to Task Orders issued under this Agreement, and shall (ii) require any subcontractors of the A/E to pay its employees no less than Thirteen Dollars per hour ($13.00/hr.) for work performed under the Task Orders issued hereunder. CHA's Minimum Wage Requirements may be found on CHA's website at http://www.thecha.org/assets/1/6/CHA_Minimum_Wage_Requirement.pdf. Notwithstanding the foregoing, Federal wage determinations (either Davis-Bacon or HUD-Determined Wage Rates) shall preempt any conflicting State prevailing wage rate or the Minimum Wage Requirement when the State prevailing wage rate or the Minimum Wage Requirement is higher than the Federally-imposed wage rate (24 CFR 965.101).

15. Non-Applicability of Fair Housing Requirements in Indian Housing Authority Contracts

19. No Damages for Delay

A/E agrees that it shall make no claims against the CHA for damages, charges, interest, additional costs or fees incurred by reason of suspension of work or delays caused by the CHA with respect to any Task Order or Services performed under this Agreement. As a respondent to CHA IFB/RFP/CONTRACT or PO NUMBER 1647 do hereby affirm that I understand and fully support the policy and regulations set forth in the Amendment to Special Conditions M/W/DBE Utilization Plan, the Section 3 Policy (hereafter referred to as the Policies), and Davis-Bacon and Related Acts (when applicable).

Given that contracts awarded for work under this IFB/RFP/CONTRACT are subject to the future issuance of contracts whose amounts will constitute the actual dollar amount, I understand that my M/W/DBE Utilization (Schedules A and C) and Section 3 Utilization (Schedule B) Plans will be required to be submitted on each award to reflect actual contract amounts to the listed contractors.

Based upon the total amount of the award as constituted by all issued awards, I agree to fully comply with the minimum participation goals as outlined in the Policies and the following reporting requirements:

- Submit within five (5) business days of issuance of an award, copies of all resultant subcontractor agreements with approved certified M/W/DBE firms, and
- On a monthly basis an updated payment report must be entered for every subcontractor (M/W/DBE and non-minority subcontractors) into B2Gnow (CHA's electronic payment monitoring software for contractors and subcontractors)

EXHIBIT B
CONSTRUCTION COST ESTIMATES

The A/E shall prepare, if required, during Phases of Basic Services set forth in this Agreement, Construction Cost Estimates based on the general guidelines included in the following procedure and as required by the CHA.

Term	**Definition**
Construction Cost Estimate	The probable cost to construct or put in place Work outlined in Design or Construction Documents. This Construction Cost Estimate shall include, but shall not be limited to: a. indirect charges, which include, but is not limited to, site overhead charges, home office charges, bonds and insurances, temporary construction, supervisory and management staff; b. direct cost of performing the Work; c. allowances, including the Owner's furnished items and allowances for undefined Work; and d. any contingencies (depending on the Phase or stage at which the Construction Cost Estimate is being prepared). In addition, the Construction Cost Estimates shall follow the following guidelines: a. All Construction Cost Estimates shall be organized according to the WBS (Work Breakdown Structure) set forth by the CSI (Construction Specifications Institute) format. b. All Construction Cost Estimates shall be prepared using the latest version of the Construction Documents and an approved Construction Cost Estimate Summary Template. c. All Construction Cost Estimates shall be of appropriate and adequate level of detail for review and approval by the Owner. d. Any and all escalation must be applied directly to associated costs affected. e. Any and all Construction Cost Estimates or "Statements of Probable Construction Cost" submitted by the A/E shall have all associated construction costs assembled, broken-down, and shown by way of labor, material, and equipment at their corresponding 'unit of measure.'
Contingency	An allowance of resources (money, time, materials or other) to offset any impact due to unknown conditions, circumstances or lack of information. Category shall not be used to cover-up poor estimating practices (i.e. careless or unjustified padding of cost elements).

PROCEDURE

The following general steps are involved in the estimating process:

1. Provide an estimate of expected reasonable cost for the scope of Work defined and quantified from the Agreement.
2. Determine a reasonable expected local market cost based on the time of delivery for the service or product as defined by the Agreement.
3. Escalate the cost of the Work over the scheduled time for the Work to be implemented and applied directly to associated cost affected, NOT as a separate line item.
4. Define and quantify the risk associated with the Work defined, and develop a reasonable cost contingency for the defined risk.
5. Include sufficient contingency to mitigate cost impacts due to identifiable risk, unforeseen conditions, and cost exposure through completion of the defined scope of Work, set forth in the Agreement.
6. Provide a certification that the Project design and design estimates match the scope and budget requirements of the Project defined in the Agreement.

The A/E shall provide, if required, a Construction Cost Estimate to accompany each deliverable task set forth in the A/E's Agreement. Each Construction Cost Estimate shall be prepared and submitted to the Owner's Project Manager with the task deliverable and shall include, but not be limited to, the following:

1. Scope definition based on each Phase of the design documents. The Construction Cost Estimate must be consistent with the level of information provided by the design documents.
2. List scope of work, products and services, based on each Phase of the design documents.
3. Quantify listed scope of Work and define the units of measure for each work activity.
4. Include with the Construction Cost Estimate, as final level of summary, the Owner's Construction Cost Estimate Summary, in a form approved by Owner.
5. Estimate the craft labor rates (which include labor burdens) for crafts required in crews necessary to implement the Work.
6. Estimate construction equipment rates necessary to execute the Work.
7. Estimate the construction crews to be utilized in the Construction Cost Estimate, (which includes craft labor and construction equipment) required to execute the Work.
8. Estimate productivity rates.
9. Define Project specific subcontractors, fixed plant equipment, discreet project systems, and subsystems.
10. Escalation factor(s), which are qualitative, quantitative, and definable. The PDC shall use its best efforts to identify these factors and apply them to the associated costs of construction affected (when applicable).
11. Any acceleration costs that would be required, based on the Project schedule, that are qualitative, quantitative, and definable. The A/E shall use its best efforts to identify these factors and apply them to the associated costs of construction affected (when applicable). The logic and "means & method" used should be clearly stated.
12. Define and quantify indirect cost associated with the production and delivery of the stated

scope of Work (including, but not limited to, mobilization, demobilization, project supervision, technical services, administrative services, job site automation cost, vehicles, temporary job facilities, communication fees, reproduction, shipping and delivery services and security).

13. Develop, determine, and identify contract overhead associated with the Project based upon specific market rates, and the general contractor's corporate cost for the Chicago area. These associated costs should be appropriately allocated to Division 01 – General Requirements as set forth by the CSI (Construction Specifications Institute).
14. Define fee, margin and/or profit normally expected for the services provided.
15. Define a Construction Cost Estimate contingency based on exposure of items not reflected in the scope definition documents, but may be required to complete the intent of the Work to be performed, and unforeseen items of Work that may be defined later during design development.
16. Provide a narrative defining scope, bases, development, and content of the Construction Cost Estimate, including escalation, taxes, assumptions, exclusions and conclusions.

All A/E's may be required to provide alternative Construction Cost Estimates at any stage of a Project based on the stage of the Project's development life. The alternative Construction Cost Estimates shall comply with the appropriate procedure commensurate with the stage of the Project.

EQUAL EMPLOYMENT OPPORTUNITY

In the event of the contractor's non-compliance with the provisions of this Equal Employment Opportunity Clause or the Act, the contractor may be declared ineligible for future contracts or subcontracts with the State of Illinois or any of its political subdivisions or municipal corporations, and the contract may be cancelled or voided in whole or in part, and other sanctions or penalties may be imposed or remedies invoked as provided by statute or regulation. 2) That, if he or she hires additional employees in order to perform this contract or any portion of this contract, he or she will determine the availability (in accordance with this Part) of minorities and women in the areas from which he or she may reasonably recruit and he or she will hire for each job classification for which employees are hired in a way that minorities and women are not underutilized.

3) That, in all solicitations or advertisements for employees placed by him or her or on his or her behalf, he or she will state that all applicants will be afforded equal opportunity without discrimination because of race, color, religion, sex, sexual orientation, marital status, order of protection status, national origin or ancestry, citizenship status, age, physical or mental disability unrelated to ability, military status or an unfavorable discharge from military service.

4) That he or she will send to each labor organization or representative of workers with which he or she has or is bound by a collective bargaining or other agreement or understanding, a notice advising the labor organization or representative of the contractor's obligations under the Act and this Part. If any labor organization or representative fails or refuses to cooperate with the contractor in his or her efforts to comply with the Act and this Part, the contractor will promptly notify the Department and the contracting agency and will recruit employees from other sources when necessary to fulfill its obligations under the contract.

5) That he or she will submit reports as required by this Part, furnish all relevant information as may from time to time be requested by the Department or the contracting agency, and in all respects comply with the Act and this Part.

6) That he or she will permit access to all relevant books, records, accounts and work sites by personnel of the contracting agency and the Department for purposes of investigation to ascertain compliance with the Act and the Department's Rules and Regulations.

7) That he or she will include verbatim or by reference the provisions of this clause in every subcontract awarded under which any portion of the contract obligations are undertaken or assumed, so that the provisions will be binding upon the subcontractor. In the same manner as with other provisions of this contract, the contractor will be liable for compliance with applicable provisions of this clause by subcontractors; and further it will promptly notify the contracting agency and the Department in the event any subcontractor fails or refuses to comply with the provisions. In addition, the contractor will not utilize any subcontractor declared by the Illinois Human Rights Commission to be ineligible for contracts or subcontracts with the State of Illinois or any of its political subdivisions or municipal corporations.

1. Definitions

The following definitions are applicable to this contract:

(a) "Authority or Housing Authority (HA)" means the Housing Authority.
(b) "Contract" means the contract entered into between the Authority and the Contractor. It includes the contract form, the Certifications and Representations, these contract clauses, and the scope of work. It includes all formal changes to any of those documents by addendum, Change Order, or other modification.
(c) "Contractor" means the person or other entity entering into the contract with the Authority to perform all of the work required under the contract.
(d) "Day" means calendar days, unless otherwise stated.
(e) "HUD" means the Secretary of Housing and Urban development, his delegates, successors, and assigns, and the officers and employees of the United States Department of Housing and Urban Development acting for and on behalf of the Secretary.

2. Changes

(a) The HA may at any time, by written order, and without notice to the sureties, if any, make changes within the general scope of this contract in the services to be performed or supplies to be delivered.
(b) If any such change causes an increase or decrease in the hourly rate, the not-to-exceed amount of the contract, or the time required for performance of any part of the work under this contract, whether or not changed by the order, or otherwise affects the conditions of this contract, the HA shall make an equitable adjustment in the not-to-exceed amount, the hourly rate, the delivery schedule, or other affected terms, and shall modify the contract accordingly.
(c) The Contractor must assert its right to an equitable adjustment under this clause within 30 days from the date of receipt of the written order. However, if the HA decides that the facts justify it, the HA may receive and act upon a proposal submitted before final payment of the contract.
(d) Failure to agree to any adjustment shall be a dispute under clause Disputes, herein. However, nothing in this clause shall excuse the Contractor from proceeding with the contract as changed.
(e) No services for which an additional cost or fee will be charged by the Contractor shall be furnished without the prior written consent of the HA.

3. Termination for Convenience and Default

(a) The HA may terminate this contract in whole, or from time to time in part, for the HA's convenience or the failure of the Contractor to fulfill the contract obligations (default). The HA shall terminate by delivering to the Contractor a written Notice of Termination specifying the nature, extent, and effective date of the termination. Upon receipt of the notice, the Contractor shall: (i) immediately discontinue all services affected (unless the notice directs otherwise); and (ii) deliver to the HA all information, reports, papers, and other materials accumulated or generated in performing this contract, whether completed or in process.
(b) If the termination is for the convenience of the HA, the HA shall be liable only for payment for services rendered before the effective date of the termination.
(c) If the termination is due to the failure of the Contractor to fulfill its obligations under the contract (default), the HA may (i) require the Contractor to deliver to it, in the manner and to the extent directed by the HA, any work as described in subparagraph (a)(ii) above, and compensation be determined in accordance with the Changes clause, paragraph 2, above; (ii) take over the work and prosecute the same to completion by contract or otherwise, and the Contractor shall be liable for any additional cost incurred by the HA; (iii) withhold any payments to the Contractor, for the purpose of off-set or partial payment, as the case may be, of amounts owed to the HA by the Contractor.
(d) If, after termination for failure to fulfill contract obligations (default), it is determined that the Contractor had not failed, the termination shall be deemed to have been effected for the convenience of the HA, and the Contractor shall been titled to payment as described in paragraph (b) above.
(e) Any disputes with regard to this clause are expressly made subject to the terms of clause titled Disputes herein.

4. Examination and Retention of Contractor's Records

(a) The HA, HUD, or Comptroller General of the United States, or any of their duly authorized representatives shall, until 3 years after final payment under this contract, have access to and the right to examine any of the Contractor's directly pertinent books, documents, papers, or other records involving transactions related to this contract for the purpose of making audit, examination, excerpts, and transcriptions.

(b) The Contractor agrees to include in first-tier subcontracts under this contract a clause substantially the same as paragraph (a) above. "Subcontract," as used in this clause, excludes purchase orders not exceeding $10,000.

(c) The periods of access and examination in paragraphs (a) and (b) above for records relating to:
(i) appeals under the clause titled Disputes;
(ii) litigation or settlement of claims arising from the performance of this contract; or,
(iii) costs and expenses of this contract to which the HA, HUD, or Comptroller General or any of their duly authorized representatives has taken exception shall continue until disposition of such appeals, litigation, claims, or exceptions.

5. Rights in Data (Ownership and Proprietary Interest)

The HA shall have exclusive ownership of, all proprietary interest in, and the right to full and exclusive possession of all information, materials and documents discovered or produced by Contractor pursuant to the terms of this Contract, including but not limited to reports, memoranda or letters concerning the research and reporting tasks of this Contract.

6. Energy Efficiency

The contractor shall comply with all mandatory standards and policies relating to energy efficiency which are contained in the energy conservation plan issued in compliance with the Energy Policy and Conservation Act (Pub.L. 94-163) for the State in which the work under this contract is performed.

7. Disputes

(a) All disputes arising under or relating to this contract, *except for disputes arising under clauses contained in Section III, Labor Standards Provisions*, including any claims for damages for the alleged breach there of which are not disposed of by agreement, shall be resolved under this clause.

(b) All claims by the Contractor shall be made in writing and submitted to the HA. A claim by the HA against the Contractor shall be subject to a written decision by the HA.

(c) The HA shall, with reasonable promptness, but in no event in no more than 60 days, render a decision concerning any claim hereunder. Unless the Contractor, within 30 days after receipt of the HA's decision, shall notify the HA in writing that it takes exception to such decision, the decision shall be final and conclusive.

(d) Provided the Contractor has (i) given the notice within the time stated in paragraph (c) above, and (ii) excepted its claim relating to such decision from the final release, and (iii) brought suit against the HA not later than one year after receipt of final payment, or if final payment has not been made, not later than one year after the Contractor has had a reasonable time to respond to a written request by the HA that it submit a final voucher and release, whichever is earlier, then the HA's decision shall not be final or conclusive, but the dispute shall be determined on the merits by a court of competent jurisdiction.

(e) The Contractor shall proceed diligently with performance of this contract, pending final resolution of any request for relief, claim, appeal, or action arising under the contract, and comply with any decision of the HA.

8. Contract Termination; Debarment

A breach of these Contract clauses may be grounds for termination of the Contract and for debarment or denial of participation in HUD programs as a Contractor and a subcontractor as provided in 24 CFR Part 24.

9. Assignment of Contract

The Contractor shall not assign or transfer any interest in this contract; except that claims for monies due or to become due from the HA under the contract may be assigned to a bank, trust company, or other financial institution. If the Contractor is a partnership, this contract shall inure to the benefit of the surviving or remaining member(s) of such partnership approved by the HA.

10. Certificate and Release

Prior to final payment under this contract, or prior to settlement upon termination of this contract, and as a condition precedent thereto, the Contractor shall execute and deliver to the HA a certificate and release, in a form acceptable to the HA, of all claims against the HA by the Contractor under and by virtue of this contract, other than such claims, if any, as may be specifically excepted by the Contractor in stated amounts set forth therein.

11. Organizational Conflicts of Interest

(a) The Contractor warrants that to the best of its knowledge and belief and except as otherwise disclosed, it does not have any organizational conflict of interest which is defined as a situation in which the nature of work under this contract and a contractor's organizational, financial, contractual or other interests are such that:
(i) Award of the contract may result in an unfair competitive advantage; or
(ii) The Contractor's objectivity in performing the contract work may be impaired.

(b) The Contractor agrees that if after award it discovers an organizational conflict of interest with respect to this contract or any task/delivery order under the contract, he or she shall make an immediate and full disclosure in writing to the Contracting Officer which shall include a description of the action which the Contractor has taken or intends to take to eliminate or neutralize the conflict. The HA may, however, terminate the contract or task/delivery order for the convenience of the HA if it would be in the best interest of the HA.

(c) In the event the Contractor was aware of an organizational conflict of interest before the award of this contract and intentionally did not disclose the conflict to the Contracting Officer, the HA may terminate the contract for default.

(d) The terms of this clause shall be included in all subcontracts and consulting agreements wherein the work to be performed is similar to the service provided by the prime Contractor. The Contractor shall include in such subcontracts and consulting agreements any necessary provisions to eliminate or neutralize conflicts of interest.

12. Inspection and Acceptance

(a) The HA has the right to review, require correction, if necessary, and accept the work products produced by the Contractor. Such review(s) shall be carried out within 30 days so as to not impede the work of the Contractor. Any

product of work shall be deemed accepted as submitted if the HA does not issue written comments and/or required corrections within 30 days from the date of receipt of such product from the Contractor.

(b) The Contractor shall make any required corrections promptly at no additional charge and return a revised copy of the product to the HA within 7 days of notification or a later date if extended by the HA.

(c) Failure by the Contractor to proceed with reasonable promptness to make necessary corrections shall be a default. If the Contractor's submission of corrected work remains unacceptable, the HA may terminate this contract (or the task order involved) or reduce the contract price or cost to reflect the reduced value of services received.

13. Interest of Members of Congress

No member of or delegate to the Congress of the United States of America or Resident Commissioner shall be admitted to any share or part of this contract or to any benefit to arise there from, but this provision shall not be construed to extend to this contract if made with a corporation for its general benefit.

14. Interest of Members, Officers, or Employees and Former Members, Officers, or Employees

No member, officer, or employee of the HA, no member of the governing body of the locality in which the project is situated, no member of the governing body in which the HA was activated, and no other pubic official of such locality or localities who exercises any functions or responsibilities with respect to the project, shall, during his or her tenure, or for one year thereafter, have any interest, direct or indirect, in this contract or the proceeds thereof.

(ii) The prohibition does not apply as follows:

(1) Agency and legislative liaison by Own Employees.

(a) The prohibition on the use of appropriated funds, in paragraph (i) of this section, does not apply in the case of a payment of reasonable compensation made to an officer or employee of a person requesting or receiving a Federal contract, grant, loan, or cooperative agreement, if the payment is for agency and legislative activities not directly related to a covered Federal action.

(b) For purposes of paragraph (b)(i)(1)(a) of this clause, providing any information specifically requested by an agency or Congress is permitted at any time.

(c) The following agency and legislative liaison activities are permitted at any time only where they are not related to a specific solicitation for any covered Federal action:

(2) Professional and technical services.

(a) The prohibition on the use of appropriated funds, in subparagraph (b)(i) of this clause, does not apply in the case of-

(i) A payment of reasonable compensation made to an officer or employee of a person requesting or receiving a covered Federal action or an extension, continuation, renewal, amendment, or modification of a covered Federal action, if payment is for professional or technical services rendered directly in the preparation, submission, or negotiation of any bid, proposal, or application for that Federal action or for meeting requirements imposed by or pursuant to law as a condition for receiving that Federal action.

(ii) Any reasonable payment to a person, other than an officer or employee of a person requesting or receiving a covered Federal action or an extension, continuation, renewal, amendment, or modification of a covered Federal action if the payment is for professional or technical services rendered directly in the preparation, submission, or negotiation of any bid, proposal, or application for that Federal action or for meeting requirements imposed by or pursuant to law as a condition for receiving that Federal action. Persons other than officers or employees of a person requesting or receiving a covered Federal action include consultants and trade associations.

(c) Requirements imposed by or pursuant to law as a condition for receiving a covered Federal award include those required by law or regulation, or reasonably expected to be required by law or regulation, and any other requirements in the actual award documents.

(d) Only those services expressly authorized by subdivisions (b)(ii)(2)(a)(i) and (ii) of this section are permitted under this clause.

(iii) Selling activities by independent sales representatives.

(c) The prohibition on the use of appropriated funds, in subparagraph (b)(i) of this clause, does not apply to the following selling activities before an agency by independent sales representatives, provided such activities are prior to formal solicitation by an agency and are specifically limited to the merits of the matter:

(i) Discussing with an agency (including individual demonstration) the qualities and characteristics of the person's products or services, conditions or terms of sale, and service capabilities; and

(ii) Technical discussions and other activities regarding the application or adaptation of the person's products or services for an agency's use.

(d) Agreement. In accepting any contract, grant, cooperative agreement, or loan resulting from this solicitation, the person submitting the offer agrees not to make any payment prohibited by this clause.

(e) Penalties. Any person who makes an expenditure prohibited under paragraph (b) of this clause shall be subject to civil penalties as provided for by 31 U.S.C. 1352. An imposition of a civil penalty does not prevent the Government from seeking any other remedy that may be applicable.

(f) Cost Allowability. Nothing in this clause is to be interpreted to make allowable or reasonable any costs which would be unallowable or unreasonable in accordance with Part 31 of the Federal Acquisition Regulation (FAR), or OMB Circulars dealing with cost allowability for recipients of assistance agreements. Conversely, costs made specifically unallowable by the requirements in this clause will not be made allowable under any of the provisions of FAR Part 31 or the relevant OMB Circulars.
