 - iv. Submit **ONE (1) ORIGINAL** of all other required bid documents; and

Failure to submit the documentation set forth above in Section II(A)(i)-(v) may result in the bid package being deemed non-responsive and therefore ineligible for award.

- B. **BUSINESS LICENSE and PERMIT:** The successful bidder(s) shall obtain and pay all permits (if applicable), certificates, and licenses required and necessary for the performance of the work specified herein. Furthermore, they shall post all notices required by law, and shall comply with all laws, ordinances, and regulations which may affect their performance.
- C. **GENERAL CONTRACTOR LICENSE:** In addition to all other applicable licenses and certifications, the general contractor is required to submit with its bid a copy of bidder's current valid General Contractor License issued by the Department of Buildings of the City of Chicago, when applicable. - C. **BID SECURITY:** Each individual bid must be accompanied by a **Bid Bond** in the amount of **0%** of the total amount of the submitted bid or a certified check in the same amount, payable to the "Chicago Housing Authority". The CHA may also, based upon the Bidder's submittals, find that there exists insufficient information to clearly determine whether a Bidder and/or its subcontractor(s) possess the ability to perform successfully under the terms and conditions of the Contract Documents. The CHA may then determine the bid package is ineligible for award on the basis of insufficient evidence regarding responsibility.

- E. **FINANCIAL STATEMENT:** The Respondent/Financially Responsible Party shall demonstrate its financial responsibility by submitting the most recent two years of audited, reviewed or compiled financial statements prepared by a third party licensed Certified Public Accountant (CPA). Listed below are the minimum acceptable required documents based upon the amount of the procurement:

CHICAGO HOUSING AUTHORITY
EVENT NO. 2411 (2017)
CHA SECTION BUSINESS CONCERNS ONLY: SNOW REMOVAL AND SALT/DE-ICING SERVICES

For Procurements of Less Than \$2.5 Million: The Respondent must provide **Compiled** Financial Statements which consist of:

- Accountant's Report
- Balance Sheet (last 2 years)
- Income Statement (last 2 years)
- Cash Flow Statement (last 2 years)
- Financial Statement Footnotes (if applicable)

Compiled financial statements represent the **most basic level of financial statements** prepared by a licensed certified public accountant. In a compilation, the certified public accountant assists management in presenting financial information in the form of financial statements and **does not provide any assurance** that there are no material modifications that should be made to the financial statements. The certified public accountant does not perform inquiry, analytical procedures or other procedures that would be performed in a review, or obtain the understanding of the entity's internal control, assess fraud risk or test accounting records as would be performed in an audit.

For Procurements of \$2.5 Million to \$10 Million: The Respondent must provide **Reviewed** Financial Statements which consist of:

- Accountant's Report
- Balance Sheet (last 2 years)
- Income Statement (last 2 years)
- Cash Flow Statement (last 2 years)
- Financial Statement Footnotes

Reviewed financial statements provide the user with comfort that the certified public accountant is not aware of any material modification that should be made to the financial statements for the statements to be in conformity with the applicable financial reporting framework. A review involves the certified public accountant performing analytical procedures and inquiries that will provide a reasonable basis for obtaining **limited assurance** that there are no material modifications required to the financial statements. A review does not require the certified public accountant to obtain the understanding of the entity's internal control, assess fraud risk or test accounting records as would be performed in an audit.

For Procurements of Greater Than \$10 Million: The Respondent must provide **Audited** Financial Statements which consist of:

- Auditor's Report
- Balance Sheet (last 2 years)
- Income Statement (last 2 years)
- Cash Flow Statement (last 2 years)
- Financial Statement Footnotes

Audited financial statements provide the user with the **certified public accountant's opinion letter that the financial statements are presented accurately**, in all material respects, in conformity with accounting standards. The auditor is required to obtain an understanding of the entity's internal control, assess fraud risk, perform analytical procedures and test accounting records.

CHA will also evaluate the respondents based upon analysis of third party reporting agencies, regulatory agencies, bureaus, etc., as it deems necessary to determine the financial adequacy of the respondent entity and confirm that the entity is in good financial standing with governmental agencies.

Other considerations in the evaluation of the financial condition of respondents follow:

- Financial statements must be from a legal business entity (i.e. corporation, partnership, LLC, etc.).
- Newly created entities (partnerships, LLC's, etc.) must provide financial statements from the entity's general partner and/or any other financially responsible entity that collectively can demonstrate the capability to complete the contract.
- Internally prepared business entity financial reports generated by the respondent will not be accepted.
- Personal financial statements or tax returns will not be accepted.
- The CHA reserves the right to request additional information to complete the financial evaluation and review of any respondents.

- F. **FINAL COMPLETION FOR ALL WORK:** Is due six (6) months from the commencement date set forth in the Notice to Proceed. The Contractor acknowledges and agrees that the final completion requirements set forth herein are minimum completion requirements that must be satisfied under the contract with the PPM.
- G. **SUMMARY PROJECT SCHEDULE:** In evaluating this IFB, the CHA will determine the responsibility of each bidder and whether a particular bidder can complete the Work in the shortest time frame, which time frame shall not exceed the Final Completion Date for the Work as set forth in this IFB and in the Contract Documents.

- VI. Product substitutions will not be considered unless this solicitation authorizes the submission. 3. BID OPENING AND REVIEW OF BIDS

- A. BID OPENING:** No bids will be accepted after the fixed date and time for the opening of bids, at which time all bids received will be publicly opened and read aloud. Failure to submit bid documents in the required quantity and properly executed may result in the bid being deemed non-responsive and rejected by the CHA for further consideration.
- b. PRE-AWARD MEETING:** The CHA reserves the right to conduct a Pre-Award Meeting with the Bidder(s) prior to making an award to determine if the Bidder(s) is(are) a responsible party(ies) as described and required by applicable law. This Pre-Award Meeting may include, but shall not be limited to:
- i. a review of the Bidder's capacity to perform the terms and conditions of the contract;
 - ii. a review of the Bidder's understanding of the Scope of Work, and confirmation of inclusion of the entire Scope of Work in its Division Costs;
 - iii. a discussion (and demonstration, if requested) of the Bidder's expertise in reading and interpreting the drawings and technical specifications included with this solicitation;

4. AWARD: Contract Award – Sealed Bidding – Professional Service

- A.** The CHA will evaluate bids in response to this solicitation without discussions, and will award a contract to the responsible Bidder whose bid, responsive and conforming to the solicitation, will be most advantageous to the CHA, considering the Lump Sum Base Bid Total and the price-related factors specified elsewhere in the solicitation.
- B.** The CHA may waive informalities or minor irregularities in bids received.
- C.** The CHA may accept any item or combination of items, unless doing so is precluded by a restrictive limitation in the solicitation or the bid.
- D.** The CHA may reject a bid as non-responsive if the prices bid are materially unbalanced between line items or sub-line items. A bid is materially unbalanced when it is based on prices significantly less than cost for some work and prices, which are significantly overstated in relation to cost for other work. In addition, if there is a reasonable doubt that the bid will result in the lowest overall cost to the CHA even though it may be the low evaluated bid, or it is so unbalanced as to be tantamount to allowing an advance payment.
- E.** The CHA reserves the right to reject any and all bids, or to reissue or withdraw this Invitation for Bid in the event that competition is deemed inadequate or that it is otherwise deemed to be in the best interest of the CHA. In such instances, the CHA reserves the right to seek procurement by means of non-competitive negotiation.

5. TYPE OF CONTRACT(S) AND CONTRACT REQUIREMENTS

Notwithstanding the foregoing, Federal wage determinations (either Davis-Bacon or HUD-Determined Wage Rates) shall preempt any conflicting State prevailing wage rate or the Minimum Wage Requirement when the State prevailing wage rate or the Minimum Wage Requirement is higher than the Federally-imposed wage rate (24 CFR 965.101).

6. RESIDENT-OWNED BUSINESS BID INCENTIVE PROCEDURES:

CHICAGO HOUSING AUTHORITY
EVENT NO. 2411 (2017)
CHA SECTION BUSINESS CONCERNS ONLY: SNOW REMOVAL AND SALT/DE-ICING SERVICES

GENERAL PROVISIONS

1. APPLICATION AND STATEMENT OF PURPOSE

The Purpose and Effect of the Resident-Owned Business Bid Incentive section describes how and when the bid incentive would apply, including the right of the Contracting Officer to decline to apply the bid incentive.

2. DEFINITIONS

Unless otherwise specified, whenever used in this IFB, the following terms have the following meanings:

"Bid incentive" means an amount deducted, for bid evaluation purposes only, from the contract base bid in order to calculate the bid price to be used to evaluate the bid on a competitively bid contract.

"Resident-Owned Business" means any business concern which is owned and controlled by public housing residents. The term "resident-owned business" includes sole proprietorships. For purposes of this part, "owned and controlled" means a business: (1) which is at least 51 percent owned by one or more public housing residents; and (2) whose management and daily business operations are controlled by one or more such individuals.

3. PROCEDURES

3.1. Resident-Owned Business Bid Incentive

Unless otherwise prohibited by federal, state, or local law, for a contract having an estimated contract value of \$100,000 or more when advertised or, if not advertised, awarded, the Contracting Officer shall allocate a bid incentive of 10% of the contract base bid to any eligible Resident-Owned Business bidding as a prime contractor.

The Resident-Owned Business Bid Incentive is limited in scope and therefore will not apply to every contract between the Chicago Housing Authority and an eligible Resident-Owned Business.

The Resident-Owned Business Bid Incentive does not apply if:

- prohibited by federal, state, or local law;
- an emergency exists;
- the contract is for cooperative purchasing;
- the Contracting Officer concludes allocation of a bid incentive is not in the Chicago Housing Authority's best interest.

3.2. Purpose and Effect of Bid Incentive

The purpose of the bid incentive is to identify the low bidder; it does not apply to or otherwise pertain to the contract price. The following describes how and when the bid incentive would apply, including the right of the Contracting Officer to decline to apply the bid incentive:

The bid incentive shall be applied by deducting 10% from the bid price of the bidder meeting the eligibility criteria as defined by the definition of a resident-owned business.

3.3. Additional Documentation

The Contracting Officer may require, at the time of bidding, prior to contract award, or during the term of the contract, such additional documentation as the Contracting Officer deems necessary to verify that a bidder qualifies, or continues to qualify, for the Resident-Owned Business Bid Incentive.

Contractors and their subcontractors are required to maintain records of compliance with the Resident-Owned Business Bid Incentive for a period of three (3) years after the expiration of the contract. However, the Contracting Officer reserves the right to request additional documentation. The Contracting Officer reserves the right to decline to include or allocate the bid incentive.

4. FINAL DECISION

CHICAGO HOUSING AUTHORITY
EVENT NO. 2411 (2017)
CHA SECTION BUSINESS CONCERNS ONLY: SNOW REMOVAL AND SALT/DE-ICING SERVICES

The Contracting Officer or designee shall make the final determination regarding the applicability of the bid incentive to any procurement.

7. CONTRACT COMPLIANCE REQUIREMENTS

- A. **ONLINE CONTRACT COMPLIANCE SYSTEM:** The CHA maintains an online contract compliance system which provides various work-flow automation features to improve reporting processes. The online contract compliance system will be used to monitor contract compliance, and the contractor and its subcontractors shall be required to use the secure web-based system to submit all information related to compliance. Prior to commencing work, the CHA will provide the contractor access to its online contract compliance system.

Accordingly, the contractor expressly agrees that it, and its subcontractors, shall provide the required compliance data to the CHA via its electronic system available at <https://cha.diversitycompliance.com/>. The Contractor acknowledges that it and its subcontractors are responsible for responding by any noted response dates or due dates to any instructions or requests for information, and checking the electronic system on a regular basis to manage contact information and Contract records. The Contractor also acknowledges that it is responsible for ensuring that all subcontractors have completed all requested items with complete and accurate information and that their contact information is current. The Contractor shall flow down this provision to subcontractors at every tier.

B. **SECTION 3 – COMPLIANCE REQUIREMENTS (Refer to Attachment F):**

1. Contractors and their subcontractors may demonstrate compliance by committing to employ Section 3 residents and by subcontracting with Section 3 Business Concerns in accordance with the requirements of 24 CFR Part 135.

Section 3 Business Concern is a business concern under HUD Regulations:

- a) 51 percent or more owned by section 3 residents; or
 - b) Whose permanent, full-time employees include persons, at least 30 percent of whom are currently section 3 residents, or within three years of the date of first employment with the Business Concern were section 3 residents; or
 - c) That provides evidence of a commitment to subcontract in excess of 25 percent of the dollar award of all subcontracts to be awarded to Business Concerns that meet the qualifications set forth in paragraphs (1) or (2) in this definition of "section 3 Business Concern."
2. Contractor and sub-contractors may demonstrate compliance with the requirements for contracting with Section 3 Business Concerns by committing to award to Section 3 Business Concerns at least 10 percent of the total dollar amount of the contract awarded to the contractor for building trades work for maintenance, repair modernization or development of public housing, or for building trades work arising in connection with housing rehabilitation, housing construction and other public construction and at least 3 percent of the total dollar amount of all other Section 3 covered contracts.
 3. In evaluating compliance with 24 CFR Part 135, contractors and their subcontractors have the burden of demonstrating to the greatest extent feasible their ability or inability to meet the goals set forth in 24 CFR Part 135 for providing training, employment and contracting opportunities to section 3 residents and section 3 Business Concerns.
 4. Contractors and their subcontractors are also encouraged to provide other economic opportunities to train and employ section 3 residents including, but not limited to, use of "upward mobility", "bridge" and trainee positions to fill vacancies, and hiring section 3 residents in part-time positions (24 CFR 135.40).

Documenting and Reporting

**CHICAGO HOUSING AUTHORITY
EVENT NO. 2411 (2017)**

CHA SECTION BUSINESS CONCERNS ONLY: SNOW REMOVAL AND SALT/DE-ICING SERVICES

- a) Contractor agrees to comply with the above Section 3 requirements in accordance with the Contractor's Section 3 Utilization Plan, which shall be prepared by the Contractor and agreed to by CHA. CHA shall not be required to agree to the Contractor's Utilization Plan until the Contractor meets its burden to establish that it will comply with 24 CFR Part 135 and otherwise comply with CHA's Section 3 Policy www.thecha.org or the copy included in the solicitation) as may be required. Contractor's Section 3 Utilization Plan as attached to this IFB is incorporated into the contract by this reference herein.
- b) The Contractor and its subcontractors shall provide all required compliance data with respect to Contractor's Section 3 requirements to the CHA via CHA's electronic system available at <https://cha.diversitycompliance.com/>. The Contractor and its subcontractors shall be responsible for responding to any requests for data or information by the noted response due dates, and shall check the electronic system on a regular basis to manage contact information and contract records. The Contractor shall also be responsible for ensuring that all subcontractors have completed all requested items with complete and accurate information and that their contact information is current.
- c) A Prime Contractor must utilize CHA's hiring system in order to fill any open Section 3 positions. The hiring system will automatically filter applicants to the Prime Contractor in order of preference, per HUD and this policy. The Prime Contractor, and any Subcontractors with a Section 3 hiring commitment, must complete their job posting through CHA's online hiring system. All new hires will be tracked through CHA's online hiring system and all new hires must be secured using this online system, which is used to assist the CHA to connect qualified applicants with Prime Contractors and Subcontractors.

This Section 3 Contract Provision shall flow down to each subcontract at every tier.

SECTION 3 REQUIREMENTS (Clarification)

Section 3 has two minimum requirements that must be reflected in response to this IFB. Respondents cannot choose between the two and receive full points under the evaluation criteria. First, 30% of the new hires required for the project must be Section 3 residents. The term "Section 3 resident" is defined as (1) a public housing resident or (2) a low-income or very low-income person who resides in the metropolitan area. Second, 10% of the contract value must be subcontracted to Section 3 Business Concerns. A Section 3 Business Concern is a business: (1) that is 51% or more owned by Section 3 residents; or (2) whose permanent, full-time employees include persons, at least 30% of whom are currently Section 3 residents, or within 3 years of the date of first employment with the Business Concern were Section 3 residents; or (3) that provides evidence of a commitment to subcontract in excess of 25% of the dollar award of all subcontracts to be awarded to Business Concerns that meet the qualifications set forth in (1) and (2).

If a Respondent has no plans or need to hire or subcontract, or can demonstrate that it is unable to hire or subcontract to fully meet the minimum requirements set forth above, the Respondent may offer other economic opportunities that directly benefit Section 3 residents or Section 3 Business Concerns (such as internships, mentor-protégé programs, contribution to the Section 3 Fund, etc.). To offer other economic opportunities, a Respondent's submittal must detail why it has no plans or need to hire or subcontract, or detail all of the efforts the Respondent has undertaken to hire or subcontract (including the names of the Section 3 residents or Section 3 Business Concerns that were contacted and why they could not be utilized for the project). Detail must also be provided to describe the other economic opportunity being offered and how it will benefit Section 3 residents or Section 3 Business Concerns.

Respondents that fail to clearly set forth these minimum requirements risk losing points under the evaluation criteria. Therefore, Respondents are urged to submit any questions regarding Section 3 prior to the proposal due date.

The certifying agencies are as follows:

City of Chicago	State of Illinois Central Management Services (CMS)
Cook County	Small Business Administration (SBA)
Pace	Chicago Minority Business Development Council (CMBDC)
Metra	Illinois Department of Transportation (IDOT)
Chicago Transit Authority (CTA)	Women's Business Development Center (WBDC)

If the certification applicant is the Contractor and the awardee for this project, and the approved certification is not received when requested by the CHA, the Contractor must agree to submit a modified Utilization Plan that indicates that the required minority compliance has been sought and secured with other subcontractor(s). If the applicant is a subcontractor and does not receive approved certification, the Contractor must submit a modified Utilization Plan that indicates utilization of another minority vendor who meets the above stated certification requirements.

- D. AVAILABILITY OF FUNDS:** The CHA's obligation under this contract is contingent upon the availability of appropriated funds from which payments for contract purposes can be made. No legal liability on the part of the CHA for any payment may arise until funds are made available to the Contracting Officer for this contract and until the Contractor receives notice of such availability, to be confirmed in writing by the Contracting Officer.

Please note: these instructions supplement those in the CHA's "Special Conditions of the Contract for Construction" and the Technical Specifications.

Trucking ~ Hauling ~Excavation~ Snow Removal

November 10, 2017

GWO Trucking is a family owned construction, trucking, and snow removal company. We've been in business for over 4 years, with years of construction experience in government and private contracting. For example, our work has been included in projects such as Grace Missionary Baptist Church, and the CTA Red line, with areas of expertise ranging from small construction and residential rehab projects to trucking and snow removal.

GWO Trucking, Inc. was founded in December of 2013 by Mirion Green, company President. Prior to her creation of GWO, Ms. Green obtained both expertise and experience in the area as a senior executive for a number of transportation companies. Through her own professional experience and the insights gained from her strong network of business associations, Ms. Green conceived and implemented her vision of a start-up trucking/hauling/snow removal company which would prosper by drawing upon the strong construction activity in the greater Chicago/Northeast Indiana area.

GWO has the capability to complete small and large projects, including:

- Construction Hauling;
- Snow Haul Off; and
- Road Salt Hauling.

Transportation, hauling, snow removal and planning services are differentiated by each client's individual needs. Competition in this industry is diverse and highly competitive. Success depends on the expertise of the independent operators and the tools at their disposal. Furthermore, project controls and management effectiveness can favorably impact the services. While it is not practical to directly compare GWO Trucking with its competitors, the ability to quickly respond coupled with managements involvement in all key decision making, in addition to its low operating cost, place the company in a favorable position in relation to its competitors

Renewal Certificates of Insurance, or such similar evidence, is to be received by the Procurement Specialist in the Procurement and Contracts Department prior to expiration or renewal date occurring during the term of this Agreement or extensions thereof. The Vendor shall maintain coverage for the duration of the Agreement. Any extended reporting period premium (tail coverage) shall be paid by the Vendor. The Vendor shall provide to the CHA, annually, a certified copy of the insurance policies obtained pursuant hereto. It is further agreed that the Vendor shall provide the CHA a thirty (30) day notice in the event of the occurrence of any of the following conditions: aggregate erosion in advance of the Retroactive Date, cancellation and/or non renewal.

The Vendor shall require all subcontractors to carry the insurance required herein or the Vendor may provide the coverage for any or all of its subcontractors, and if so, the evidence of insurance submitted shall so stipulate and adhere to the same requirements and conditions as outlined above.

The Vendor expressly understands and agrees that any insurance or self-insurance programs maintained by the CHA shall apply in excess of and will not contribute with insurance provided by the Vendor under the Agreement.

Part II: Contracting

- Per 24 CFR 135.30, Section 3 requires Construction contracts to subcontract at least 10% of the work to Section 3 Business Concerns and 3% of the work for all Other Contracts.

A corresponding Schedule C must be submitted with the Schedule B.
- **Table II.b. Contracting Shortfall or Table II.c. Outreach Efforts** must be completed when the Prime Contractor is unable to meet the full minimum subcontracting requirements under 24 CFR 135.
 - When there is no plan or need to subcontract, please outline the reason(s) why in Table II.b. Contracting Shortfall
 - If the prime contractor is unable to contract to a Section 3 Business Concern, all outreach efforts must be documented in Table II.c. Outreach Efforts. - **PLEASE NOTE THAT THE INABILITY TO MEET THE HIRING AND/OR SUBCONTRACTING REQUIREMENT MUST BE DOCUMENTED COMPLETELY IN PART I: HIRING AND PART II: CONTRACTING BEFORE COMPLETING PART III: OTHER ECONOMIC OPPORTUNITIES.**
- Other Economic Opportunities could include indirect subcontracting with a Section 3 Business Concern (subcontracting for work not included in the scope of work), training programs, mentorship program participation, or other economic opportunities directed towards section 3 residents and businesses. Any Other Economic Opportunities must be proposed on pages 10 through 12 in Part III: OTHER ECONOMIC OPPORTUNITIES.
- If the other forms of Other Economic Opportunities are not feasible, the Prime Contract may propose a contribution to the Section 3 Fund. Guidance on how to contribute to the Section 3 Fund is outlined below:
 - **Hiring Requirements Contribution:** If a Prime Contractor chooses to contribute to the Section 3 Fund as its Other Economic Opportunity, because they cannot meet the full hiring requirements (30% of new hires), and cannot provide other economic opportunities outlined above, then the contractor must pay 5% of the total dollar amount of the contract for building, trade work or 1.5% for all other contracts will be paid to the Section 3 fund. **NOTE: The amount shall not exceed \$100,000 for any one contract.**
 - **Contracting Requirements Contribution:** If a Prime Contractor chooses to contribute to the Section 3 Fund as its Other Economic Opportunity, because they cannot meet the full Section 3 Business Concern subcontracting requirements, and cannot provide other economic opportunities outlined above, the difference between 10% of the covered contract (building, trade work) or 3% (non-construction) and the actual amount provided to Section 3 Business Concerns must be paid to the Section 3 Fund. **NOTE: The amount shall not exceed \$500,000 for any one contract.**
 - A Prime Contractor may also pay the entire 10% of the covered contract (building, trade work) or 3% (non-construction) if they have documented the infeasibility of offering any Other Economic Opportunities. **NOTE: The amount shall not exceed \$500,000 for any one contract.**

http://www.thecha.org/assets/1/22/CHA_Minimum_Wage_Requirement.pdf.
