

The health and safety of all residents are the highest priority of the CHA and the City of Chicago.

CHA shares the goal of the City of Chicago and Chicago Department of Public Health of reducing the impact and spread of Coronavirus (COVID-19) and has closed all offices to the public and suspended all in-person briefings, meetings, events and group gatherings.

CHA staff remains available via email and phone to support residents, the public and business partners. Please reach out to your regular CHA contact for assistance.

Thank you for your understanding and support during these challenging times.
