Per Chair Hurlock to protect the public’s health in response to the COVID-19 pandemic, and as permitted by Governor Pritzker’s Executive Order 2020-07 and 2020-10, four Commissioners are participating in the March 30th meeting telephonically. Also, during the period that both Executive Orders remain in effect, the emergency meeting guidelines supersede CHA’s Public Participation Guidelines.

Accordingly, Chairwoman Hurlock presented a Motion pursuant to Executive Order 2020-07 and 2020-10, to hold the March 30th meeting with Commissioners participating remotely and no more than 10 persons in attendance in the board room.
The Motion to proceed with the March 30th meeting in compliance with Executive Order 2020-07 and 10, was seconded by Commissioner Brewer and the voting was as follows:

There being no Opposed Votes, Abstentions or Recusals, Commissioners proceeded with the meeting in compliance with Executive Order 2020-07 and 10.

Chairwoman Hurlock then provided commissioners and the general public with updates on CHA’s response to the COVID-19 pandemic. First Chair Hurlock reiterated that the health and safety of CHA’s residents and staff are of the highest priorities and that CHA is working closely with the City in continuing to offer vital information, support and resources to CHA residents as well as staff. As an essential government entity, CHA must continue to operate and provide all essential services to CHA families and seniors. While CHA’s offices are closed to the public, most staff are teleworking to ensure that services are being provided to residents, voucher households and applicants via email, regular mail and phone. CHA has made it a point to communicate often with residents and provide them with the information they need to protect themselves from COVID-19. This includes direct communications and signage reminding residents to take precautions against the virus. CHA has translated this information into 13 languages representing the diverse populations it serves. CHA has prioritized communication to its senior population given their vulnerability and have increased engagement and assessments of the home-based services provided, such as meal service. CHA is keeping in touch with voucher households through email blasts, email communication and messages on the call center line. CHA has ongoing communications with staff on a variety of COVID-19 related topics and are providing important updates and notices from the city and health department.

Chairwoman Hurlock then provided an overview of her activities for the months of January and February that included: divisional meeting with CHA Property Staff; convened 2 additional meetings with Section 3/JOC contractors; participated on property tour of the XS Tennis Facility; convened meetings with Commissioners to discuss board governance and audit matters; facilitated meetings between Commissioners and CEO Tracey Scott; attended meeting with Mayor Lightfoot; and attended the Neighborhood Housing Services 45th Annual Awards Dinner.

Chairperson Hurlock then announced that since members of the public were unable to attend the meeting in person, the public had been invited to submit questions or comments online. The one comment received will be read aloud after staff’s presentation of board items.

Due to Committee meetings not being scheduled, resolutions for Items 1 through 14 were presented by staff and discussed and voted upon by Commissioners as follows:
(Item 1) The resolution for Item No. 1 approves the FY2019 Moving to Work (MTW) Annual Report and authorizes the submittal of the report to HUD. As part of the MTW Agreement, CHA is required to submit an Annual Report to HUD, due 90 days after the end of CHA’s fiscal year. The MTW Annual Report provides information necessary for HUD to assess CHA’s performance in FY2018 in its operations as well as activities authorized by the MTW Program. CHA continues to work with HUD for technical guidance and feedback on MTW reporting processes and requirements to ensure compliance. CHA has complied with the requirements of the Amended and Restated MTW Agreement and HUD regulations regarding the submission of annual reports.
