- E. The right to take over and complete the Detailed Scope of Work or any part thereof as agent for and at the cost of contractor, either directly or through others.

If the CHA considers it to be in its best interests, it may elect not to declare default or to terminate the Agreement hereunder. The parties acknowledge that this provision is solely for the benefit of the CHA and that if the CHA permits Contractor to continue to provide the Detailed Scope of Work despite one or more events of default, the Contractor shall in no way be relieved of any of its responsibilities, duties or obligations under this Agreement nor shall the CHA waive or relinquish any of its rights.

The remedies under the terms of this Agreement or under any Job Order issued hereunder are not intended to be exclusive of any other remedies provided, but each and every such remedy shall be cumulative and shall be in addition to any other remedies, existing now or hereafter, at law, in equity or by statute. No delay or failure to exercise any right or power accruing upon any event of default or acquiescence therein shall impair any such right or power or be construed to be a waiver of any event of default by the CHA, and every such right and power may be exercised from time to time and as often as may be deemed expedient.

5.3 Termination for Convenience. Notwithstanding the foregoing, the CHA may terminate the Agreement, the Services or any portion of a Job Order awarded pursuant to a Request for Job Order Proposal to be performed under this Agreement for convenience at any time by giving notice, in writing, to the Contractor when the CHA may deem the Agreement to be no longer in the best interests of the CHA. Contractor shall continue to render the Services until the effective date of termination. No costs incurred by Contractor after the effective date of the termination shall be allowed. The CHA shall reimburse Contractor for all of the direct and reasonable costs, as determined by the CHA, which were properly incurred through the date of termination. The Contractor shall be required to certify that the work completed to the time of termination has been performed in a professional manner and, if applicable, in accordance with the Job Order, and that the work completed may be relied upon by the CHA, its designees and any subsequent contractor retained to complete a Job Order.

5.4 No Damages for Delay. Contractor agrees that it shall make no claims against the CHA for damages, charges, interest, additional costs or fees incurred by reason of suspension of work or delays caused by the CHA. Contractor's sole and exclusive remedy for suspension of work or delays caused by the CHA is an extension of time equal to the duration of the suspension or delay to allow Contractor to perform.

5.5 Right to Offset. To the extent permitted by applicable law:

- A. In connection with performance under the Agreement and any assigned Job Order, the CHA may offset any incremental costs and other damages the CHA incurs in any and all of the following circumstances:
  - i. If the CHA terminates the Agreement for default or any other reason resulting from the Contractor's performance or non-performance;
  - ii. If the CHA exercises any of its remedies under Section 5.2 of the Agreement;
  - iii. If the CHA has any credits due or has made any overpayments under the Agreement.

The CHA may offset these incremental costs and any other damages by use of any payment due for the Scope of Work completed before the CHA terminated the Agreement or before the CHA exercised any remedies. If the amount offset is insufficient to cover those incremental costs and other damages, the Contractor shall be liable for and must promptly remit to the CHA the balance upon written demand for it. The right to offset is in addition to and not a limitation of any other remedies available to the CHA.

- B. Without breaching this Agreement, the CHA may set off a portion of the compensation due under an assigned Job Order in an amount equal to the amount of any liquidated or unliquidated damages or claims that the CHA has against the Contractor arising out of any other agreements between the CHA and the Contractor or otherwise unrelated to this Agreement. If and when the CHA's claims against the Contractor are finally adjudicated in a court of competent jurisdiction or otherwise resolved, the CHA will reimburse the Contractor to the extent of the amount the CHA has offset against this Agreement inconsistently with the determination or resolution.
