Conducting Business with the HCV Program during COVID-19

Frequently Asked Questions | Revised December 18, 2020

PAYMENTS

I am a property owner and should have received a Housing Assistance Payment on the first of the month. However, I don't see the payment in my account. When will I receive payment?

Unless the unit is in abatement or the HAP Contract has been terminated, HCV property owners should continue to receive Housing Assistance Payments on the 1st business day of the month.

- If a new HAP Contract has just been executed, the property owner may receive the first payment on the 15th (or subsequent business day) of the month.
- If the participant has recently completed an Interim Re-Examination, it may take multiple check-run cycles for the portion adjustment to reflect in the payments. Please refer to your Amendment to the HAP Contract letter for more information.

Property owners can see the status of their properties as well as HAP statements on the Owner Portal at chahcvportal.org under the FINANCE menu.

If none of these situations apply and you believe that you should have received a Housing Assistance Payment, please contact the Owner Services Department by email at ownerinfo@thecha.org.

I am a participant and should have received a Utility Reimbursement Payment on the 1st of the month. However, I don't see the payment in my account. When will I receive payment?

Utility Reimbursement Payments are not typically deposited in a participant's account until the afternoon of the 1st business day of the month.

- If you have recently moved, you may receive the first reimbursement payment on the 15th (or subsequent business day) of the month.
- If you have recently completed an Interim Re-Examination, it may take multiple check-run cycles for the new or adjusted reimbursement payment to appear in your account.

If none of these situations apply and you believe that you should have received a Utility Reimbursement Payment, please contact the CHA Customer Call Center via the Participant Portal at cha.participantportal.org, by email at hcv@thecha.org or by phone at **312-935-2600**. For fastest processing, please include "MISSING URP" and your voucher number in the subject line of your email.

Note: For security, the Call Center requires callers with account-specific questions to verify account information such as the voucher number, Social Security number or current address.

As a HCV participant, am I still required to pay my rent portion?

HCV participants should continue to pay their rent portion to the property owner.

If you cannot afford to pay your rent portion due to a decrease in income, report the change to CHA immediately. Please see the **REPORTING & REQUESTING CHANGES** section of this document for instructions on how to submit an Interim Re-Examination.

Note: It is imperative that participants submit an Interim Re-Examination request as soon as possible after experiencing a decrease in income in order to prevent an unnecessary financial burden. Participants who are not able to report a decrease in income in a timely manner due to extenuating circumstances will be reviewed on a case-by-case basis.

Additionally, CHA recommends that participants notify the property owner when they have submitted an Interim Re-Examination request due to a decrease in income as part of a larger conversation to discuss options for payment of any outstanding rent.

What eviction protections are in place?

Both the State of Illinois and City of Chicago have enacted protections for renters facing eviction for non-payment of rent during the COVID-19 pandemic.

However, as a HCV participant, you should immediately contact CHA if you are unable to pay your rent portion, as your level of assistance is based on your reported income. Please see the **REPORTING & REQUESTING CHANGES** section of this document for instructions on how to submit an Interim Re-Examination.

If you have additional questions about how these protections impact your specific circumstance, CHA recommends that you seek legal counsel.

I saw that the Chicago Residential Landlord and Tenant Ordinance was amended in July. Does this impact any CHA processes?

Yes, Chicago City Council passed the Fair Notice Ordinance, an addendum to the Chicago Residential Landlord and Tenant Ordinance (RLTO) on July 22, 2020. Among other changes, the ordinance amends the advance notice period for non-renewal or termination of a lease and adds a notice period for increasing the monthly rent.

In compliance with these notice requirements, CHA has revised its rent increase effective date policy to either 60 or 120 days after submission, based on length of tenancy. Additionally, the Rent Increase Request form has been updated to require a property owner certification that the tenant has been appropriately notified of the pending increase.

If you have additional questions about how changes to the RLTO impact your specific circumstance, CHA recommends that you seek legal counsel.

I saw that CHA updated the Payment Standards and Utility Allowances effective October 1, 2020. How does that affect my rent?

Every fall, CHA reviews and updates the Payment Standards and Utility Allowances to reflect the market. View them on the CHA website at www.thecha.org/residents/housing-choice-voucher-hcv-program as well as on the Participant Portal at cha.participantportal.org and on the Owner Portal at chahcvportal.org.

The updated Payment Standards and Utility Allowance amounts will be used for any rent determination or approved rent increase processed on or after the effective date. In addition, when participants are due for their Re-Examination, they will have the latest Payment Standard and Utility Allowance applied to their rent portion calculations.

For more information about how Payment Standards and Utility Allowances impact rent calculations, please see the Participant Guidebook or the Property Owner Guidebook. You can download these guidebooks on the CHA website at www.thecha.org/forms, on the Owner Portal at chahcvportal.org and on the Participant Portal at cha.participantportal.org.

REPORTING AND REQUESTING CHANGES

I need to report a change in my income. How can I do that?

To report a change in your income, you must submit an Interim Re-Examination request and provide supporting documents, such as check stubs or a letter from your employer. For convenience, CHA will accept photos of these documents, as well as written self-certification or oral third-party verification of the change.

There are four (4) ways you can submit your Interim Re-Examination request:

1. Log in to RENTCafé®, CHA's new online account management tool for Re-Examinations and Interim Re-Examinations, at res-par.thecha.org.

In order to request an Interim Re-Examination through RENTCafé, you must first set up an account using the personalized registration code included in a RENTCafé welcome letter.

If you have yet to receive or cannot find your welcome letter or registration code, please contact the CHA Customer Call Center by email at hcv@thecha.org or by phone at **312-935-2600**.

Note: For security, the Call Center requires callers with account-specific questions to verify account information such as the voucher number, Social Security number or current address.

2. Email the Interim Re-Examination request and supporting documents to hcv@thecha.org and include "INTERIM" and your voucher number in the subject line.
3. Drop off the Interim Re-Examination request and supporting documents at a "no contact" drop box, located at the HCV Central Office (60 E. Van Buren St.), HCV South Office (3617 S. State St.) and HCV West Office (1852 S. Albany Ave.).
4. Mail the Interim Re-Examination request and supporting documents to any of our HCV Regional Offices, listed above.

Note: U.S. Mail has been experiencing delays, and so this option is least preferred.

The Interim Re-Examination request form is available on the CHA website at www.thecha.org/forms or the Participant Portal at cha.participantportal.org under FORMS.

I submitted an Interim Re-Examination request to CHA. How long will my request take to process?

CHA will approve or deny your Interim Re-Examination request within 30 days of receiving the request and supporting documents.

Approved Interim Re-Examination requests are effective starting the first of the month following the submitted request, regardless of processing time. For example, if an Interim request is received on March 25th, but not processed until April 10th, the change effective date will be backdated to April 1st. Similarly, if an Interim request is received on April 2nd and processed on April 10th, the change will be effective on May 1st.

Note: It is imperative that participants submit an Interim Re-Examination request as soon as possible after experiencing a decrease in income in order to prevent an unnecessary financial burden. Participants who are not able to report a decrease in income in a timely manner due to extenuating circumstances will be reviewed on a case-by-case basis.

Additionally, CHA recommends that participants notify the property owner when they have submitted an Interim Re-Examination request due to a decrease in income as part of a larger conversation to discuss options for payment of any outstanding rent.

APPOINTMENTS

I was scheduled for a remote Re-Examination appointment. How does this process work?

As of March 18th, the HCV Regional Offices are closed to the public. As such, CHA is conducting Re-Examination interviews with participants by email, phone, U.S. Mail, and/or through RENTCafé®, CHA's new online account management tool for Re-Examinations and Interim Re-Examinations.

- In order to complete a Re-Examination through RENTCafé, you must first set up an account using the personalized registration code included in a RENTCafé welcome letter.
- If you have yet to receive or cannot find your welcome letter or registration code, please contact the CHA Customer Call Center by email at hcv@thecha.org or by phone at **312-935-2600**.

Note: For security, the Call Center requires callers with account-specific questions to verify account information such as the voucher number, Social Security number or current address.

When you are due for a Re-Examination, a letter will be sent via email or U.S. Mail instructing you to complete your Re-Examination using RENTCafé by a certain date.

If you are unable to use RENTCafé, please contact CHA to be scheduled for a remote Re-Examination appointment with a housing specialist. To ensure that participants are available and prepared when a housing specialist calls, CHA will then send a “remote” appointment notice by email or U.S. Mail.

- Just like an in-person appointment notice, the remote appointment notice will list the date, time and information you will need to successfully complete the appointment.
- At the appointed time, a housing specialist will call at the number listed on the appointment notice and guide you through the Re-Examination.
- Calls will come from the CHA Customer Call Center number, 312-935-2600. If the housing specialist cannot reach you, they will leave a message with call back information and try to call again.
- During the appointment, you will be required to sign documents. If you have access to a smart phone, tablet or computer, the specialist will have you sign documents digitally. If not, the housing specialist will send documents for you to sign and return via U.S. Mail.

Note: As U.S. Mail has been experiencing delays, CHA is encouraging participants to provide an email address to facilitate important account transactions. If you do not have an email address, you can create one for free through [Google](#), [Yahoo](#) or [Microsoft](#).

If you have experienced a change that you were planning to report at your Re-Examination appointment, you should report the change to CHA immediately. Please see the [REPORTING & REQUESTING CHANGES](#) section of this document for instructions on how to submit an Interim Re-Examination.

I missed a call from a housing specialist for a remote appointment. How do I reach them?

If the housing specialist cannot reach you by phone for your remote appointment, they will leave a message with call back information and try to call again. You can also connect with them by calling the CHA Customer Call Center at **312-935-2600**.

Note: For security, the Call Center requires callers with account-specific questions to verify account information such as the voucher number, Social Security number or current address.

INSPECTIONS

The unit is scheduled for an inspection. How has CHA updated its inspection protocols to ensure the safety of the tenants residing in the units?

With families spending more time at home than ever before, it is critical that units are safe, decent and sanitary as well as inspected in a timely fashion. In the interest of everyone's safety, and wherever possible, CHA has expanded the opportunities for inspection compliance to be demonstrated without an in-person inspection.

- Select Regular Inspections are now eligible for a hybrid virtual inspection via video conference and self-assessment. See below for more information on virtual inspections.
- Property owners and participants have the option to self-certify select minor fail items in place of a Re-Inspection.
- Select non-emergency fail items that cannot be self-certified may be re-inspected virtually.
- Select non-emergency hazards may be eligible for a virtual Complaint Inspection.

If an in-person inspection is required, rest assured that the CHA Inspector will conduct the inspection with local health and safety guidance in mind:

- Participants will be required to complete and return a health questionnaire prior to the inspection and will be asked to verify their health status when the Inspector arrives at the unit.
- If any evidence indicates that conducting the in-person inspection that day would endanger the participant family and/or Inspector, the inspection will be rescheduled.
- During the inspection, as few people as possible should gather in the unit.
- CHA asks that any persons present for the inspection over the age of 2 wear a face covering and maintain a distance of 6 feet from the Inspector wherever possible.
- The Inspector will wear a mask, shoe covers and gloves during the inspection. Shoe covers and gloves will be changed between each inspection.

How does CHA determine if a unit is eligible for a virtual inspection?

CHA has begun to conduct virtual inspections via video conference for Regular Inspections, Re-Inspections and Complaint Inspections that meet specific criteria.

To be eligible for a virtual Regular Inspection, the unit must NOT require a lead-based paint visual assessment (i.e., must not be built prior to 1978 with a resident child under the age of 6).

To be eligible for a virtual Re-Inspection or Complaint Inspection, the unit must have 10 or fewer eligible non-life threatening hazards. Hazards that cannot be inspected virtually include, but are not limited to:

- Lead-based paint
- Mold or air-quality
- Infestation
- Flooding or sewage

If the unit is selected for a virtual inspection, the Inspections Department will contact the property owner and participant to schedule the inspection. Both parties will receive an email with a unique link to join the video conference at the appointed time.

I have been scheduled for a virtual inspection. How does this process work?

CHA conducts virtual inspections via Zoom, with the participant or property owner walking through the unit/property to allow the Inspector to check for hazards. As such, it is critical that the person “conducting” the virtual inspection has access to every room in the unit as well as the basement, boiler room, etc.

- Participants who refuse to grant access to the unit for a virtual inspection will be referred to the Program Integrity department for appropriate enforcement action.
- Participants and property owners are still accountable for their respective failed items, regardless of whether they are present for the virtual inspection.

While it is helpful for the person who will be assisting with the virtual inspection to have experience with Zoom, the CHA Inspector will provide instructions regarding joining the video conference. To learn more about Zoom, please visit the “Get Started with Zoom” Frequently Asked Questions page on Zoom’s website at bit.ly/2MxknDv.

To conduct a virtual inspection, the participant or property owner must have the following available:

- A smart phone, tablet or other portable internet-connected device with a fully charged battery, a camera and the ability to run a Zoom meeting.
- A strong, reliable internet connection that supports video conferencing.
- Tools to verify the repaired items such as a step stool, flashlight, measuring tape, level, laser temperature reader and outlet tester.

What items is the Inspector looking for during a virtual inspection?

During the virtual inspection, the same HQS criteria will be used to verify repairs. The Inspector will instruct the property owner or participant on the items that need to be reviewed and will ask for the camera to be held over specific items so a photo/screenshot can be taken.

If you have additional questions about virtual inspections, please contact the Inspections Department via the Owner Portal at chahcvportal.org, via the Participant Portal at cha.participantportal.org, by email at hcvinspections@thecha.org or by phone at **312-935-2600**. For fastest processing, please include “VIRTUAL INSPECTION” in the subject line of your email.

Note: For security, the Call Center requires callers with account-specific questions to verify account information such as the voucher number, Social Security number or current address.

I cannot make my scheduled virtual inspection. What is your cancellation or no-show policy?

For both in-person and virtual inspections, CHA observes the following policies regarding “no show” and “no entry”.

- The Inspector will wait for up to 10 minutes and will attempt to contact the property owner or participant by phone before classifying the inspection as a “no show”.

Note: CHA asks that property owners and participants wait up to 10 minutes for an Inspector who may be coming from an inspection running longer than expected.

- If a participant refuses to grant access to the unit, the inspection will be classified as a “no entry” and may be rescheduled (depending on inspection type). Participants who repeatedly refuse to grant access to the unit for inspections will be referred to the Program Integrity department for appropriate enforcement action.

If you are unable to make your scheduled inspection, please contact the Inspections Department as soon as possible via the Participant Portal at cha.participantportal.org, via the Owner Portal at chahcvportal.org, by email at hcvinspections@thecha.org or by phone at **312-935-2600**. For fastest processing, please include “RESCHEDULE” and either the Inspection ID or voucher number in the subject line of your email.

Note: For security, the Call Center requires callers with account-specific questions to verify account information such as the voucher number, Social Security number or current address.

There is an issue with the unit. How can I request a Complaint Inspection?

CHA is scheduling in-person Complaint Inspections for concerns that are life-threatening, emergency hazards.

- You can view a list of hazards that CHA considers emergencies in the HQS Inspection Guidebook, which is available on the CHA website at www.thecha.org/forms as well as the Owner Portal at chahcvportal.org and the Participant Portal at cha.participantportal.org under RESOURCES.
- To request an emergency Complaint Inspection, contact the Inspections Department via the Owner Portal at chahcvportal.org, via the Participant Portal at cha.participantportal.org, by email at hcvinspections@thecha.org or by phone at **312-935-2600**. For fastest processing, please include “EMERGENCY” and the voucher number in the subject line of your email.

Note: For security, the Call Center requires callers with account-specific questions to verify account information such as the voucher number, Social Security number or current address.

For non-life threatening health and safety concerns, CHA encourages property owners/managers and participants to communicate with each other and work together to resolve the hazards before requesting a Complaint Inspection.

- If CHA receives a Complaint Inspection request for a non-life threatening concern, CHA will request additional information, including photos where possible, to determine if the hazards can be identified and a repair verified without an inspection.
- If an inspection is needed, CHA will schedule either a virtual or in-person Complaint Inspection.

I submitted a Request for Tenancy Approval (RTA) packet for a move. When will the Initial Inspection be scheduled?

CHA continues to schedule in-person Initial Inspections for unoccupied units.

- The Inspections Department will contact the property owner via email to schedule the inspection and asks property owners to ensure that the unit is “rent ready”, as described on page 28 of the Property Owner Guidebook.

Download the Property Owner Guidebook on the CHA website at www.thecha.org/forms as well as the Owner Portal at chahcvportal.org under RESOURCES.

Note: CHA now allows property owners to self-certify minor fail items identified during an Initial Inspection. Select non-emergency fail items that cannot be self-certified may be eligible for a virtual Re-Inspection via video conference.

If the unit is currently occupied, the Inspections Department will schedule the Initial Inspection on a case-by-case basis with local safety guidance in mind.

- In very rare instances, CHA may allow the participant and property owner to certify that there are no known life-threatening hazards in the unit in lieu of an Initial Inspection. For these cases, CHA will contact the property owner and participant at a later date to schedule an Initial Inspection on the property and confirm compliance with HQS.

The unit was scheduled for a Regular (annual or biennial) Inspection, but it was cancelled. When will it be rescheduled?

CHA is in the process of rescheduling all outstanding Regular Inspections (annual or biennial) as either in-person inspections or virtual inspections. In either case, both the property owner and participant will receive 30 days' advance notice of the scheduled inspection date.

The unit recently failed an inspection. When will my Re-Inspection be scheduled?

Based on the fail items identified in the inspection, CHA will take one or more of the following approaches to re-inspect the unit.

- CHA allows property owners and participants to self-certify minor fail items identified during an inspection in the place of a Re-Inspection.
- Select non-emergency fail items that cannot be self-certified may be eligible for a virtual Re-Inspection via video conference.
- Re-Inspections with emergency fail items or non-emergency fail items that cannot be verified remotely will require an in-person Re-Inspection.

If a virtual or in-person Re-Inspection is required, both the property owner and participant will receive at least 14 days' advance notice of the scheduled Re-Inspection appointment date.

The unit is in abatement, but repairs cannot be completed due to challenges related to the COVID-19 pandemic. Can I request an extension?

Abatement cannot be lifted unless the unit passes inspection. However, CHA may grant a Non-Weather Related Extension for circumstances beyond a property owner's control on a case-by-case basis.

The property owner must provide third-party documentation to CHA verifying the unique circumstances. Property owners can download and submit a Non-Weather Related Extension request form on the Owner Portal at chahcvportal.org.

For more information regarding Non-Weather Related Extensions, please contact the Inspections Department by email at hcvp inspections@thecha.org or by phone at **312-935-2600**. For fastest processing, please include "ABATEMENT" and the voucher number in the subject line of your email.

Note: For security, the Call Center requires callers with account-specific questions to verify account information such as the voucher number, Social Security number or current address.

MOVING

I want to move. How can I request moving papers?

There are three (3) ways you can request moving papers:

1. Visit the Participant Portal at cha.participantportal.org. Under the MOVES menu, click on “Request a Move”, then follow the prompts to submit your request.
2. Contact the CHA Customer Call Center at **312-935-2600**.
Note: For security, the Call Center requires callers with account-specific questions to verify account information such as the voucher number, Social Security number or current address.

Note: In order to request moving papers, you must be eligible to move. To learn more about eligibility to move and the moving process, visit the Participant Portal at cha.participantportal.org and click on the MOVES menu.

I requested moving papers. How will I receive them?

Once CHA receives a request to move, the participant will be screened for eligibility to move. CHA will then contact the participant by phone, email and/or U.S. Mail to coordinate an appointment and issue moving papers.

Note: As U.S. Mail has been experiencing delays, CHA is encouraging participants to provide an email address to facilitate important account transactions. If you do not have an email address, you can create one for free through [Google](#), [Yahoo](#) or [Microsoft](#).

I am required to move. How will I receive moving papers?

CHA defines “required moves” as participants living in units without a HAP Contract, participants living in units under abatement and participants seeking protections under the Violence Against Women Act.

Note: The Violence Against Women Act (VAWA) provides protections for victims of domestic violence, dating violence, sexual assault, and stalking. For more information about your occupancy rights under VAWA, visit www.thecha.org/VAWA.

CHA will contact participants who are required to move by phone, email and/or U.S. Mail to coordinate an appointment and issue moving papers remotely.

Note: As U.S. Mail has been experiencing delays, CHA is encouraging participants to provide an email address to facilitate important account transactions. If you do not have an email address, you can create one for free through [Google](#), [Yahoo](#) or [Microsoft](#).

If you have questions about your requirement to move, please contact the CHA Customer Call Center via the Participant Portal at cha.participantportal.org, by email at hcv@thecha.org or by phone at **312-935-2600**. For fastest processing, please include “REQUIRED MOVE” and your voucher number in the subject line of your email.

Note: For security, the Call Center requires callers with account-specific questions to verify account information such as the voucher number, Social Security number or current address.

I have my moving papers, but my voucher expires soon. How can I request an extension?

Participants can request an extension of up to 60 days to continue their search.

To request an extension, or if you have found a unit that you wish to rent and the property owner needs a copy of the voucher extension, please contact the Moves Team via the Participant Portal at cha.participantportal.org, by email at hcv@thecha.org or by phone at **312-935-2600**. For fastest processing, please include “VOUCHER EXTENSION” and your voucher number in the subject line of your email.

I was already issued moving papers, but I need a duplicate set. How can I request those?

If you have already been issued your moving papers and have found a unit that you wish to rent, CHA can email a duplicate set of your moving papers directly to the prospective property owner. If you are still looking for a unit, CHA can also send a set of your moving papers to you directly.

Note: As U.S. Mail has been experiencing delays, CHA is encouraging participants to provide an email address to facilitate important account transactions. If you do not have an email address, you can create one for free through [Google](#), [Yahoo](#) or [Microsoft](#).

To request a duplicate set of moving papers, please contact the Moves Team via the Participant Portal at cha.participantportal.org, by email at hcv@thecha.org or by phone at **312-935-2600**. For fastest processing, please include “DUPLICATE PAPERS” and your voucher number in the subject line of your email.

Note: For security, the Call Center requires callers with account-specific questions to verify account information such as the voucher number, Social Security number or current address.

I would like to move outside of the city of Chicago. How can I move with my voucher?

If you have already been issued your moving papers, you can request to “Port Out” by contacting the Moves Team via the Participant Portal at cha.participantportal.org, by email at hcv@thecha.org or by phone at **312-935-2600**. For fastest processing, please include “PORT OUT” and your voucher number in the subject line of your email.

Note: For security, the Call Center requires callers with account-specific questions to verify account information such as the voucher number, Social Security number or current address.

The Moves Team will ask you to complete a Port Out Request form, which you can return by email or at a “no contact” drop box, located at the HCV Central Office (60 E. Van Buren St.), HCV South Office (3617 S. State St.) and HCV West Office (1852 S. Albany Ave.).

Note: Many Housing Authorities are operating differently due to COVID-19. Before submitting a request, CHA highly recommends that participants first contact the new Housing Authority to learn how that agency is currently processing “Port Ins”.

If you have not already been issued moving papers and wish to “Port Out”, you must first request moving papers or be considered a “required move”. Please see the beginning of this section for more information on requesting to move.

How do I submit a completed Request for Tenancy Approval (RTA) packet to CHA?

As of March 18th, the HCV Regional Offices are closed to the public. There are three (3) ways a property owner can submit a completed RTA packet:

1. **Current HCV Property Owners Only:** Visit the Owner Portal at chahcvportal.org, log in and click “Upload My RTA” under the MOVES menu.

Note: Step-by-step instructions for how to create an account and navigate the Owner Portal are available on the login page at chahcvportal.org.

2. Email the RTA packet to ownerinfo@thecha.org and include “RTA” and the voucher number in the subject line.
3. Drop off the RTA packet at a “no contact” drop box, located at the HCV Central Office (60 E. Van Buren St.), HCV South Office (3617 S. State St.) and HCV West Office (1852 S. Albany Ave.).

If you have questions about how to complete a RTA packet, contact the Owner Services Department by email at ownerinfo@thecha.org.

Has COVID-19 impacted the timeline for processing moves?

CHA continues to issue moving papers and process RTA packets within standard time frames. In some cases, a delay may occur at the Inspections stage, as the Inspections Department considers many health and safety factors when scheduling and conducting Initial Inspections. For more information on Initial Inspections, please see the **INSPECTIONS** section of this document.

More information on moving is available in the Participant Guidebook and Property Owner Guidebook, which are available on the CHA website at www.thecha.org/forms as well as the Owner Portal at chahcvportal.org and the Participant Portal at cha.participantportal.org under RESOURCES.

WAITING LIST***I am on the HCV waiting list. When will I be selected?***

The HCV Program continues to follow normal procedures for pulling applicants from the waiting list and screening families for eligibility. To look up your status and to update your application information, visit applyonline.thecha.org.

I was selected from the HCV waiting list. How will I receive my voucher?

Instead, eligible applicants will be directed to watch an online briefing presentation or receive an oral briefing by phone.

Are there any waiting lists open for families who need housing?

CHA waiting lists for Public Housing and the Project-Based Voucher (PBV) Program are currently open and accepting applications. To apply for these waiting lists, visit applyonline.thecha.org.

To learn more about the waiting list requirements, visit www.thecha.org and click on “How Do I Apply for Housing” under the RESIDENTS menu.

I am currently enrolled in the FSS Program. How does COVID-19 affect my participation?

While CHA's offices are closed to the public, temporary processes are in place to assist participants in fulfilling their requirements. Additionally, CHA will consider circumstances surrounding the COVID-19 pandemic as a good cause for granting FSS Program contract extensions.

- If you have been FURLOUGHED (i.e., still employed on a non-pay status and will return to work), you are still considered EMPLOYED for FSS purposes. This will not affect your employment goal as you work toward graduation.
- If you have been LAID OFF (i.e., you are no longer working, even if you expect to be re-hired), you are considered UNEMPLOYED for FSS purposes. This will affect your employment goal, depending on how long you are out of work.

I'm interested in enrolling my child in a Chicago Park District Camp. How is CHA distributing "park vouchers" for discounted camp enrollment?

Starting in Fall 2020, HCV participants no longer need the paper "park voucher" to register for Chicago Park District programs. Instead, HCV participants must obtain a CHA Park District membership and register for programs online or in person. For instructions on how to register under the paperless system, please visit bit.ly/2RC50ky.

Note: The Chicago Park District continues to modify all programs in response to city and state guidance. Registration and programming calendars have been re-structured, virtual programs have been added, enrollment capacity has been significantly reduced for in-person programs and in-person Day Camp health and safety measures have been added. These plans are subject to change based on local public health guidance.

For more information, visit www.chicagoparkdistrict.com/programs-memberships/day-camp.

I am a person with a disability. Can CHA offer me assistance in navigating the HCV Program?

If you are a person with a disability (a physical or mental impairment that substantially limits one or more major life activities) and need assistance to comply with HCV Program requirements or use and enjoy your unit/building, you may be eligible for a reasonable accommodation. Accommodations include, but are not limited to, extra bedrooms, live-in aides, alternate communication (braille, sign-language interpretation), an exception payment standard, renting from a relative, or additional utility allowance.

To request a reasonable accommodation, complete the Request for Reasonable Accommodation form which is available on the CHA website at www.thecha.org/forms as well as the Participant Portal at cha.participantportal.org under FORMS.

- Submit the completed form via email to hcv@thecha.org. For fastest processing, please include "REASONABLE ACCOMMODATION" and your voucher number in the subject line of your email.
- You can also submit the completed form at a "no contact" drop box, located at the HCV Central Office (60 E. Van Buren St.), HCV South Office (3617 S. State St.) and HCV West Office (1852 S. Albany Ave.).

For more information on reasonable accommodations, please contact the HCV Fair Housing Department by email at fairhousing@thecha.org or by phone at **312-913-7062**.
