There are three ways to report suspected fraudulent activity:

Chicago, IL 60605

- 2. Phone:** CHA Fraud Hotline

Attn: HCV Program Fraud/Compliance

Please use the following Fraud Report Form when submitting a written report. CHA will follow up on all reports of HCV Program violations using all the resources available under the Code of Federal Regulations. Violations may be committed by HCV Program participants and property owners/managers as well as CHA employees and its contractors. Please see CHA's website at www.thecha.org/hcv for examples of violations.

To process a suspected fraudulent activity, please provide as much information as possible regarding the person(s) you are reporting and the nature of the violation. The more information that is reported, the better chance there is of determining if fraudulent activity has taken place. Without sufficient information, we will be unable to investigate the suspected activity.

Remember, the information you provide to CHA is strictly confidential. Due to federal regulations, CHA cannot comment on actions taken after your allegation is reported. It is not possible to obtain the status of the investigation. However, we assure you that all allegations will be reviewed to determine whether fraud is taking place and the proper penalties will be issued if fraudulent activity is discovered. We encourage and appreciate your support in this matter.
