	Residents Name/Property/	Question/Comment	Status
1.	Deverra Beverly	Acknowledged Linda Kaiser, Managing Director of Resident Services, for support of ABLA community.	Comments Noted.
2.	Francine Washington	Why does it take 30-45 days to scheduling an inspection for Section 8 units?	Customarily, initial scheduling for inspection of Section 8 units should be 72 hours after contact with the landlord. Unexpected delays may have arisen due to internal matters. The CHA/CHAC apologizes for any inconvenience.
3.	Crystal Palmer	Does not agree with new process for Summer Jobs for Youths Program. At some time in the future, will program be reinstated and the LAC's be able to select their own candidates?	The CHA has partnered once again with After School Matters to provide summer pre-apprentice and internship slots for CHA teens. An additional 150 slots have been secured bringing this year's total to 370. The LAC's were able to provide names from the 2008 KidStart list to the CHA who could then have the choice to participate in any After School Matters program, either on or near a CHA development, or located anywhere throughout the city, with transportation vouchers provided.
